**CHAPTER 607.**

AN ACT to amend 15.59 of the statutes, relating to the transfer of surplus supplies, materials and equipment in a state department to another and the sale of obsolete material.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

15.59 of the statutes is amended to read:

15.59 Except as otherwise provided in sections 15.54 to 15.67 and in the rules and regulations adopted pursuant thereto, all supplies, materials, equipment and contractual services shall be purchased for and furnished to any office only upon requisition to the director of purchases or his authorized agents. The director of purchases shall prescribe the form, contents, number and disposition of requisitions. *He shall also provide rules and regulations for the transfer of surplus supplies, materials and equipment in any department to another which may have need therefor, and for the disposal by private or public sale of supplies, materials and equipment which are obsolete. In either case due credit shall be given to the department releasing the same.*

Approved August 3, 1949.
