CHAPTER 188

AN ACT to amend 157.07 of the statutes, relating to cemetery plats.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

157.07 of the statutes is amended to read:

157.07 The board of trustees shall * * * *cause to be surveyed* and * * * *platted* such portions of the lands as may from time to time be required for burial, into

lots, drives and walks, and record map thereof in the office of the register of deeds. No such plat or map shall be recorded unless laid out and platted to the satisfaction of the county board of such county, and the town board of the town in which such land is situated, or, if such land is situated within a city of the first class, then only by the common council of such city * * *. *The plat shall show the exact location of the tract being subdivided with reference to a corner or corners established in the United States public land survey by bearings and distances, and shall show a small scale drawing of the section or government subdivision of the section in which the cemetery plat is situated with the cemetery plat indicated thereon. The plat shall be made on one or more sheets of durable white paper so pasted on muslin that they cannot be detached therefrom. To facilitate the binding of such sheets into volumes, as provided by s. 236.11, such sheets shall be of uniform width of 22 inches and length of 30 inches. When more than one sheet is used for any one plat, they shall be numbered consecutively and each sheet shall contain a notation showing the whole number of sheets in the plat, and its relation to the other sheets. Such sheets may be provided by the county through the register of deeds on such terms as the county board shall determine. The surveyor shall leave a binding margin of 1½ inches on the left side of the 30-inch length and a one-inch margin on all other sides. The board of trustees shall cause the same to be recorded within 30 days of the date of such approval, together with the evidence of the town and county board's or common council's approval, which shall be a copy of the resolution adopted by such county board and by such town board, or by such common council, certified by the county clerk and the town clerk, respectively, or city clerk, and affixed to such map or plat. For failure to do so, the plat shall be void and of no effect and each trustee of an association shall forfeit \$25 to the county or city.*
