(1) The county boards of 2 or more adjoining counties may unite in establishing and maintaining a \* \* \* *college* for teachers on the same general plan as provided for such \* \* \* *college* in a single county, and may appropriate money for its maintenance. The county superintendents of the counties so uniting, and 2 members in addition chosen from each such county, shall constitute the joint county \* \* \* *teachers college* board. The elective members of the school board shall choose one of the county superintendents as secretary of the school board.

(2) If, at the time of establishing such \* \* \* *college*, the counties shall neglect to procure a site, or to erect a school building therefor, such joint county \* \* \* *teachers college* board shall have power, subject to the approval of the state superintendent, to procure such site and to erect a suitable school building thereon; to borrow not to exceed \$12,000 for said purposes from the trust funds of the state, payable in equal annual instalments in not to exceed 10 years, with the annual interest at the rate of not to exceed 3½ per cent. Any contract or agreement jointly entered into already existing, and having for its purpose the maintenance of a school is hereby validated, and shall be continued in full force and effect for a period not exceeding 5 years from the original date of the contract. Districts which suspend their schools on account of the contract authorized under \* \* \* this

41.44 STATE AID TO COUNTY TEACHERS COLLEGES. (1) The state superintendent shall keep a list of such county \* \* \* *teachers colleges*, whose course of study and the qualifications of whose teachers have, on application, been approved by him; and any such county \* \* \* *teachers college* once entered on such list may remain listed and be entitled to state aid so long as the scope and character of its work are maintained in such manner as to meet his approval, but such sums shall be paid only to county \* \* \* *teachers colleges* on the approved list of the state superintendent on January 1, 1927. After July 1, 1930, no state aid shall be paid to any such county \* \* \* *teachers college* located in the same county as a state teachers college.

(1m) If it shall appear that such county \* \* \* *college* has been maintained, pursuant to law, and has employed 3 or more teachers including the \* \* \* *president* for a period of not less than 9 months during the preceding \* \* \* *college* year, in a manner satisfactory to the state superintendent, he shall certify to the director of budget and accounts in favor of each such \* \* \* *teachers college*, an amount equal to the sum expended for instruction, \* \* \* supplies and operation during the \* \* \* *college* year, but not to exceed \$12,500 to any \* \* \* *college* employing 3 such teachers, and not to exceed \$15,000 to any \* \* \* *college* employing 4 such teachers, and an amount equal to the average salary of all teachers of that \* \* \* *college* excluding the \* \* \* *president*, but not exceeding \$3,500 for each teacher employed in excess of 4 including the \* \* \* *president* and not to exceed \$1,750 for any part-time teacher or for any teacher employed for one semester only in any such \* \* \* *college*. The number of teachers in each such \* \* \* *college*, the salaries paid to each teacher, and the qualifications for teachers shall be approved by the state

superintendent. Such \* \* \* colleges shall be maintained for a period of 38 weeks during the \* \* \* college year.

(3) Upon receipt of such certificates the director of budget and accounts shall draw his several warrants accordingly, payable to the treasurers of the counties maintaining such county \* \* \* teachers colleges, respectively; and payable to the treasurers of the boards maintaining such \* \* \* colleges, respectively, if they are joint county \* \* \* teachers colleges; provided, that if the total amount of state aid to be paid under sub. (1m) shall exceed the appropriation made in s. 30.31 (2), the director of budget and accounts shall equitably prorate the amount available.

SECTION 14. 41.45 of the statutes is amended to read:

41.45 The county \* \* \* teachers college board shall admit to said \* \* \* college, whenever the facilities will warrant, any person prepared to enter such \* \* \* college, who resides in a county which does not maintain such a county \* \* \* teachers college. Persons so admitted shall be entitled to the privileges and be subject to the rules of such \* \* \* college.

SECTION 15. 41.46 of the statutes is amended to read:

41.46 The board may charge tuition for any given year for non-resident students at a rate not to exceed \$9 per week, or such lesser amount per week as the county board of supervisors of the county wherein the \* \* \* college is located may determine, which shall be determined as follows: From the sum total of money expended by the county in operating and maintaining the \* \* \* teachers college, including an item for building and equipment costs equal to 2 per cent of the original expenditures for buildings and equipment thereof as certified by the state superintendent of public instruction, such charge not to apply for a greater period of time than 50 years in the case of a new building or for the unexpired portion of 50 years of life of an old building, excluding land costs, and not to exceed 30 cents per week per student, there shall be subtracted an amount equal to the sum of the state and federal aids, the cost of transportation and money expended for the payment of principal and interest of bonded indebtedness or other building loans, and the difference so determined shall be divided by the average daily attendance for the given year. Such tuition shall be a charge against the county in which such students reside and shall be by it paid to the treasurer of the \* \* \* teachers college enrolling such students.

SECTION 16. Whenever the words "county normal school", "county normal school board" or "principal", referring to a principal of a county normal school, are used, the words "county teachers college", "county teachers college board" and "president" respectively, are substituted. The revisor of statutes shall show the change in publishing the statutes.
