CHAPTER 305

AN ACT to amend 81.15 of the statutes, relating to raising municipal liability limits to \$10,000.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

81.15 of the statutes is amended to read:

81.15 If damages happen to any person or his property by reason of the insufficiency or want of repairs of any highway which any town, city or village is bound to keep in repair, the person sustaining such damages shall have a right to recover the same from such town, city or village, but no action shall be maintained by a husband on account of injuries received by the wife, or by a parent on account of injuries received by a minor child. If such damages happen by reason of the insufficiency or want of repairs of a highway which any county by law or by agreement with any town, city or village is bound to keep in repair, or which occupies any land owned and controlled by the county, the county shall be liable therefor and the claim for damages shall be against the county. If the damages happen by reason of the insufficiency or want of repairs of a bridge erected or maintained at the expense of 2 or more towns the action shall be brought against all the towns liable for the repairs of the bridge and upon recovery of judgment the damages and costs shall be paid by such towns in the proportion in which they are liable for such repairs; and the court may direct the judgment to be collected from each town for its proportion only. No such action shall be maintained unless within 30 days after the happening of the event causing such damages, notice in writing signed by the party,

his agent or attorney shall be given to the county clerk of the county, a supervisor of the town, one of the trustees of the village or mayor or city clerk of the city against which damages are claimed, stating the place where such damages occurred, and describing generally the insufficiency or want of repair which occasioned it and that satisfaction therefor is claimed of such county, town, city or village. No notice given hereunder shall be deemed insufficient or invalid solely because of any inaccuracy or failure therein in stating the time, describing the place or the insufficiency or want of repairs which caused the damages for which satisfaction is claimed, * * * *if it appears* that there was no intention on the part of the person giving the notice to mislead the other party and that such party was not in fact misled thereby. The amount recoverable by any person for any damages so sustained shall in no case exceed * * * \$10,000. No action shall be maintained to recover damages for injuries sustained by reason of an accumulation of snow or ice upon any bridge or highway, unless such accumulation existed for 3 weeks.

Approved August 14, 1959.
