

No. 411, S.]

[Published September 24, 1959.

CHAPTER 468

AN ACT to repeal and recreate 101.10 (12) and (13) of the statutes, relating to the authority of the industrial commission to make rules and fix fees and granting rule-making authority.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 101.10 (12) and (13) of the statutes are repealed and recreated to read:

101.10 (12) (a) To fix and collect fees for the required inspection of boilers, unfired pressure vessels, refrigeration plants, elevators, escalators and power dumbwaiters.

(b) To fix and collect fees for and to issue and record required certificates of inspection or of registration for said equipment.

(c) To fix and revise when necessary all fees provided for in this subsection and sub. (13), with the advice of a committee appointed by the commission, at rates which will approximate the commission's cost of performing said services and to publish the fees as a fee schedule in the administrative code.

(d) To require the submittal of essential drawings, design calculations, and specifications for places of employment, public buildings, and the mechanical components of said places and buildings including industrial exhaust, heating, ventilation and structural systems, elevators, escalators, power dumbwaiters and fire escapes; and to fix and collect fees for the examination and approval of the same.

(e) The requirements of this subsection shall not apply to vessels classed as petroleum, liquefied petroleum gas or anhydrous ammonia tanks, or containers.

(f) Fees fixed under this subsection shall not apply to buildings of state and local governments.

(13) (a) To determine and certify the competency of insurance company inspectors of said equipment, and to fix and collect a fee for determining and certifying such competency.

(b) To accept inspections at no cost performed by insurance company inspectors for whom evidence of competency has been furnished to the commission.

(c) To approve inspection service maintained or employed by owners or operators of boilers and unfired pressure vessels.

(d) Accept inspections performed by approved owner or operator inspection service and provide shop inspection service when deemed necessary.

(e) To accept inspections at no cost when performed by qualified and authorized inspectors in the employ of cities of the first class for inspections of equipment located within the corporate limits of such cities.

(f) To accept the approval of drawings, design calculations and specifications for the following when such approvals are granted by cities of the first class provided the same are examined in a manner approved by the commission:

1. Places of employment and public buildings;
2. Structures;
3. Heating, ventilation and air conditioning systems;
4. Elevators, escalators and power dumbwaiters;
5. Stadiums, grandstands and bleachers;
6. Fire escapes.

(g) To require all local officers, not authorized by the commission to grant approvals, as provided in par. (f), to deny permits or licenses for the construction or use of places of employment or public buildings until the required drawings, design calculations and specifications have been approved by the commission.

SECTION 2. The fees contained in section 101.10 (12) and (13) of the 1957 statutes shall remain in effect until the first day of the fourth month following passage and publication of this act, but the authority of the industrial commission to establish rules in accordance with the revised subsections (12) and (13) shall take effect on passage and publication.

Approved September 15, 1959.
