CHAPTER 637

AN ACT authorizing the state department of public welfare to grant a storm sewer easement across certain state property to the city of Waukesha.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

The state department of public welfare, with the approval of the governor, is authorized to grant to the city of Waukesha for the installation, construction and maintenance of a storm sewer and sanitary sewer an easement across and beneath the following described property in the city of Waukesha, county of Waukesha, state of Wisconsin, to wit:

"The Northeast quarter of Section 9, and the Northwest quarter of Section 10, all in Town 6 North, Range 19 East.

Forty feet in width being 15 feet Northerly and 25 feet Southerly of the following described line (which is the centerline of the existing 36" sanitary sewer); Commencing on the centerline of Walton Avenue 1147.0 feet South of the North line of Section 10, thence Westerly approximately 842 feet to a point in the centerline of Prairie Avenue, which point is 1160.7 feet South of the North line of Section 10; thence Southwesterly on a line bearing 14° 45' left approximately 2135 feet to a point in the Northerly property line of the Waukesha Sewage Treatment Plant, which point is 339.0 feet Westerly from the Northeast corner of said property."

The consideration for the granting of this easement is the agreement of the city of Waukesha to install, construct and maintain a storm sewer and sanitary sewer across and beneath the above described property.

Approved January 26, 1960.
