CHAPTER 27

AN ACT to repeal and recreate 97.046 (6) (a) of the statutes, relating to grade A milk regulations.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

97.046 (6) (a) of the statutes is repealed and recreated to read:

97.046 (6) (a) Regulation of the production, processing and distribution of grade A milk and grade A milk products under minimum sanitary requirements which are uniform throughout the state and the United States is essential for the protection of consumers and the economic well-being of the dairy industry, and is therefore a matter of state-wide concern; however, nothing in this section shall impair or abridge the power of any municipality or county to regulate milk or milk products under sanitary requirements and standards which are in reasonable accord with those issued under this section or the power to impose reasonable license permit

and inspection fees which combined shall not exceed the cost of necessary inspection. A municipality or county shall not impose fees for its inspection of milk producers, dairy plant facilities or dairy products which are under the inspection supervision of another governmental unit within or without the state with a valid certification rating made or approved by the state board of health. No governmental unit shall impose or collect a fee directly from the producer. A license or permit fee not to exceed \$25 annually may be imposed on milk distributors licensed under s. 97.045 and on dairy plants under the inspection supervision of another governmental unit which are engaged in the distribution of milk within a municipality or county.

Approved April 17, 1961.
