## CHAPTER 60

AN ACT to amend 35.09 of the statutes, relating to the format of acts.

*The people of the state of Wisconsin, represented in senate and assembly,  
do enact as follows:*

35.09 of the statutes is amended to read:

35.09 Immediately after any bill, or any joint resolution amending the constitution, has been finally passed, and in the case of a bill, before it is presented to the governor for approval, the chief clerk of the house where such bill or resolution originated shall present printer's copy thereof to the contract printer, and the contract printer shall, as soon as possible, print and deliver 10 copies thereof upon ledger paper, one of which printed copies shall be used as the enrolled bill, or the enrolled resolution. The presiding officers shall sign, but if either fails to sign within 20 days of the date on which the proposal is first available to him for signature, the chief clerk shall process the proposal as if such signature had been affixed. The governor shall then consider and, if he approves, sign the printed enrolled bill except that the legislature may by joint resolution authorize the submission of typewritten copies to the presiding officers for signature and to the governor for consideration and signature if he approves and if the expeditious approval of the proposal is imperative. A copy shall be delivered to the revisor, 4 copies to the secretary of state, and 1,190 additional copies shall be printed on the kind of paper used for bills, 20 of which shall go to the revisor at once. Any bill or resolution so printed, except bills mentioned in s. 35.08 (4), shall, when amendatory, indicate omissions by asterisks and new matter by italics. *The heading of each act shall carry the words "State of Wisconsin" as do bills and joint resolutions.*

Approved May 13, 1963.
