

1975 Senate Bill 845

Date published: June 28, 1976

**CHAPTER 421, Laws of 1975**

AN ACT to amend various provisions of the statutes for the purpose of correcting errors, clarifying language and eliminating distinctions based upon sex as directed by section 13.93 (1) (m) of the statutes (Revisor's Correction Bill).

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

PREFATORY NOTE: Section 13.93 (1) (m) of the statutes, created by chapter 94, laws of 1975, directs the revisor of statutes to replace personal pronouns, words of male or female gender and other terminology which discriminates on the basis of sex, except where the statute clearly applies to one sex only, whenever any statute is affected by any act of the legislature. The revisor also may make these changes in statutes which are not affected by new acts. According to s. 13.93 (1) (m), these changes have no

substantive effect. This bill removes language which discriminates on the basis of sex from statutes which were affected by chapters 163 to 413, laws of 1975. In a few instances, subsections which were not directly affected by a new act have been changed in order to conform to changes made in other subsections. Nearly all the changes relate to deleting pronouns, substituting nouns for pronouns or changing words to delete references to gender. A few errors also are corrected. This bill contains only those changes which the revisor believes have no question as to substantive effect. Since the reason for the changes are similar for all changes, there generally are no notes to individual sections.
