

1977 Assembly Bill 107

Date published: September 28, 1977

CHAPTER 98, Laws of 1977

AN ACT to amend 114.01 of the statutes, relating to eliminating the requirement that the state airport system include at least one airport in each county.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 114.01 of the statutes is amended to read:

114.01 State airport system. The division is directed to cooperate with and assist any federal aeronautical agency in the preparation and annual revision of the national airport plan and to lay out a comprehensive state system of airports adequate to provide for the aeronautical needs of the people of all parts of the state. Such state system shall include each and every airport on the national system and such additional airports as may be deemed necessary. ~~The state system as laid out shall include at least one airport in each county.~~ In selecting the general location of the airports on the system and determining their capacity, due regard shall be given to aeronautical necessity as evidenced by the population of the locality to be served, its commerce and industry and such other factors as the division deems pertinent. In selecting the specific sites, due regard shall be given to general suitability for service and economy of development as evidenced by convenience of access, adequacy of available area, character of topography and soils, freedom from hazards and obstructions to flight and other pertinent consideration.
