1983 Wisconsin Act 543

AN ACT *to amend* 16.115 (2) of the statutes, *relating to* making appropriations for the midwest interstate low-level radioactive waste compact.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 16.115 (2) of the statutes is amended to read:

16.115 (2) The department shall establish by rule a schedule of annual fees to be paid by generators, as defined under s. 16.11 (2) (g), who use a regional facility operated under s. 16.11 for disposal, and, beginning with the operation of the facility, the department shall collect the fees. The fees shall be based on the volume and hazard of waste generated and shall cover the costs enumerated under sub. (3) which are incurred before and after the acceptance of waste for disposal at the facility. Any nuclear power plant operator who has paid a fee under sub. (1) shall receive credit on the fees required of the operator under this subsection at a rate determined by the department so that, over the first 5 years of the collection of fees under this subsection, the power plant operator receives total credits equal to the fees paid under sub. (1). In addition to covering the costs enumerated under sub. (3), the fees established under this subsection for the first 5 years after the acceptance of waste for disposal at the facility shall be sufficient to repay the loan from the general fund made under s. 20.505 (1) (b), and the secretary shall lapse moneys from the appropriation under s. 20.505 (1) ~~(b)~~ (g) to the general fund for that purpose over the 5-year period.

SECTION 2. Appropriation changes; administration; midwest low-level radioactive waste compact. (1) The appropriation to the department of administration under section 20.505 (1) (b) of the statutes, as affected by the acts of 1983, is increased by \$12,900 for fiscal year 1983-84 and by \$1,500 for fiscal year 1984-85 for the purpose of providing funds for membership in the midwest low-level radioactive waste compact and for costs and expenses related to activities associated with the midwest low-level radioactive waste compact.

(2) The amounts in the schedule for the appropriation to the department of administration under section 20.505 (1) (g) of the statutes, as affected by the acts of 1983, is increased by \$38,600 for fiscal year 1983-84 and by \$4,600 for fiscal year 1984-85 for the purpose of providing funds for membership in the midwest low-level radioactive waste compact and for costs and expenses related to activities associated with the midwest low-level radioactive waste compact.
