(1m) 1997-99 REVIEW OF PROJECTS.

(a) The building commission shall include, in its report under section 13.48 (6) of the statutes, for the 1997-99 state building program, specific recommendations and priorities for the following project to be funded from general fund supported borrowing:

Northern Great Lakes Regional Visitor Center — Ashland	\$600,000
(Total project all funding sources \$1,200,000)	

(b) The building commission shall include, in its report under section 13.48 (6) of the statutes, for the 1997-99 state building program, specific recommendations and priorities for the following project to be funded from federal funds:

Northern Great Lakes Regional Visitor Center — Ashland	\$600,000
(Total project all funding sources \$1,200,000)	

(2) NORTHERN GREAT LAKES REGIONAL VISITOR CENTER. If the building commission approves the Northern Great Lakes Regional Visitor Center project, the building commission shall authorize the contracting of public debt under section 20.866 (2) (z) of the statutes, as affected by this act, for the purpose of making payments to the federal government for the construction of the center. The total amount of the payments under this subsection shall be determined by the building commission, but shall not exceed the lesser of the amount enumerated in the state

building program for the project under general fund supported borrowing or the amount of federal funding provided for constructing the center. The building commission may not make payments under this subsection, unless the department of administration has reviewed and approved the plans for the center. Notwithstanding sections 16.85 (1) and 16.855 (1) of the statutes, the department of administration shall not supervise any services or work or let any contract for the project. Sections 16.87 and 16.89 of the statutes do not apply to the project.
