NOTE: Conforms punctuation to current style.

SECTION 52. 49.68 (1m) (title) of the statutes is created to read:

49.68 (1m) (title) DEFINITION.

NOTE: The other subsections in s. 49.68 have titles.

SECTION 53. 59.10 (3) (c) (title) of the statutes is created to read:

59.10 (3) (c) (title) *Changes during decade; municipal boundary adjustments.*

NOTE: All other paragraphs in s. 59.10 (3) have titles.

SECTION 54. 59.40 (2) (a) of the statutes is amended to read:

59.40 (2) (a) File and keep all papers properly deposited with him or her in every action or proceeding unless required to transmit the papers. The papers may be microfilmed or microphotographed, or transferred to optical disks discs or electronic format if authorized under s. 59.52 (14), and the originals may thereafter be destroyed upon compliance with SCR chapter 72.

SECTION 55. 59.43 (1) of the statutes, as affected by [2015 Wisconsin Act 48](#), is renumbered 59.43 (1c), and 59.43 (1c) (a), as renumbered, is amended to read:

59.43 (1c) (a) Record or cause to be recorded in suitable books to be kept in his or her office, correctly and legibly all deeds, mortgages, instruments, and writings authorized by law to be recorded in his or her office and left with him or her for that purpose, provided the documents have plainly printed or typewritten on the document the names of the grantors, grantees, witnesses, and notary. The register of deeds shall record or file or cause to be recorded or filed all plats and certified survey maps that are authorized to be accepted for recording or filing in his or her office. Any county, by a resolution adopted by the board, may combine the separate books or volumes for deeds, mortgages, miscellaneous instruments, attachments, lis pendens, sales and notices, certificates of organization of corporations, plats, or other recorded or filed instruments or classes of documents as long as separate indexes may be produced. Notwithstanding any other provisions of the statutes, any county adopting a system of microfilming or like process or a system of recording documents by optical imaging or electronic formatting under ch. 228 may substitute the headings, reel, disk disc, or electronic file name and microfilm image (frame) for volume and page where recorded and different classes of instruments may be recorded, reproduced, or copied on or transferred to the same reel, disk disc, or electronic file or part of a reel or disk disc. All recordings made prior to June 28, 1961, which that would have been valid under this paragraph, had this paragraph then been in effect, are validated by this paragraph. In this subsection, "book", if automated recording or indexing equipment is used, includes the meaning given under sub. (12) (d).

NOTE: The revision of s. 59.43 (12) (d) by this bill makes the last sentence of this paragraph unnecessary.

SECTION 56. 59.43 (2) (d) of the statutes is amended to read:

59.43 (2) (d) For performing functions under s. 409.523, the register shall charge the fees provided in s. 409.525, retain the portion of the fees prescribed under s. 409.525, and submit the portion of the fees not retained to the state. A financing statement and an assignment or

notice of assignment of the security interest, offered for filing at the same time, shall be considered as only one document for the purpose of this paragraph. Whenever there is offered for filing any document that is not on a standard form prescribed by ch. 409 or by the department of financial institutions or that varies more than 0.125 inch from the approved size as prescribed by sub. (1) (1c), the appropriate fee provided in s. 409.525 or an additional filing fee of one-half the regular fee, whichever is applicable, shall be charged by the register.

NOTE: Amends cross-reference consistent with the renumbering of s. 59.43 (1) by this bill.

SECTION 57. 59.43 (4) (a) of the statutes is amended to read:

59.43 (4) (a) Except as provided in par. (b), upon the request of the register of deeds, any county, by board resolution, may authorize the register of deeds to photograph, microfilm, or record on optical disks discs or in electronic format records of deeds, mortgages, or other instruments relating to real property or may authorize the register of deeds to record on optical disks discs or in electronic format instruments relating to security interests in accordance with the requirements of s. 16.61 (7) or 59.52 (14) and to store the original records within the county at a place designated by the board. The storage place for the original records shall be reasonably safe and shall provide for the preservation of the records authorized to be stored under this paragraph. The register of deeds shall keep a photograph, microfilm, or optical disk disc or electronic copy of such records in conveniently accessible files in his or her office and shall provide for examination of such reproduction or examination of a copy generated from an optical disk disc or electronic file in enlarged, easily readable form upon request. Compliance with this paragraph satisfies the requirement of sub. (1) (1c) (a) that the register of deeds shall keep such records in his or her office. The register of deeds may make certified copies reproduced from an authorized photograph, from a copy generated from optical disk disc or electronic storage, or from the original records.

NOTE: Amends cross-reference consistent with the renumbering of s. 59.43 (1) by this bill.

SECTION 58. 59.43 (4) (b) of the statutes is amended to read:

59.43 (4) (b) The register of deeds may microfilm or record on optical disks discs or in electronic format notices of lis pendens that are at least one year old, in accordance with the requirements of s. 16.61 (7) or 59.52 (14) (b) to (d). The register of deeds shall keep a microfilm or optical disk disc or electronic copy of notices of lis pendens in conveniently accessible files in his or her office and shall provide for examination of such reproduction or examination of a copy generated from optical disk disc or electronic storage in enlarged, easily readable form upon request. Compliance with this paragraph satisfies the requirement of sub. (1) (1c) (a) that the register of deeds shall keep such records in his or her office. The

register of deeds may make certified copies reproduced from a copy generated from microfilm or from optical disk disc or electronic storage. The register of deeds may destroy or move to off-site storage any notice of lis pendens that has been microfilmed or recorded on optical disk disc or in electronic format under this paragraph.

NOTE: Amends cross-reference consistent with the renumbering of s. 59.43 (1) by this bill.

SECTION 59. 59.43 (12) (c) of the statutes is amended to read:

59.43 (12) (c) Notwithstanding this subsection, sub. (1) (1c), and ss. 16.61 (3) (e), 19.21 (1) and (5), and 59.52 (4), the board may authorize the transfer of the custody of all records maintained by the register of deeds under s. 342.20 (4), 1979 stats., to the department of transportation.

NOTE: Amends cross-reference consistent with the renumbering of s. 59.43 (1) by this bill.

SECTION 60. 59.43 (12) (d) of the statutes is amended to read:

59.43 (12) (d) In a county where the board has established a system of recording and indexing by means of electronic data processing, machine printed forms, or optical disk disc storage, the process of typing, key-punching, other automated machines, or optical imaging may be used to replace any handwritten entry or endorsement as described in this subsection or in sub. (1) (1c). The various documents and indexes may also be combined into a general document file with one numbering sequence and one index at any time.

(1b) DEFINITION. In this subsection and in sub. (1) section, "book," if automated equipment is used, may include forms, tab or computer printed sheets as well as cards and other supply forms which although processed separately may be bound after preparation.

NOTE: The provision is subdivided to separate a definition from a substantive provision and to move that definition to the beginning of the section consistent with current style. Amends cross-reference consistent with the renumbering of s. 59.43 (1) by this bill.

SECTION 61. 59.52 (14) (title), (a), (b) 1. to 4. and (d) of the statutes are amended to read:

59.52 (14) (title) OPTICAL DISK DISC AND ELECTRONIC STORAGE. (a) Upon request of any office, department, commission, board, or agency of the county, the board may authorize any county record that is in the custody of the office, department, commission, board, or agency to be transferred to, or maintained in, optical disk disc or electronic storage in accordance with rules of the department of administration under s. 16.612. The board may thereafter authorize destruction of the original record, if appropriate, in accordance with sub. (4) and ss. 16.61 (3) (e) and 19.21 (5) unless preservation is required by law.

(b) 1. The devices used to transform the record to optical disk disc or electronic format and to generate a copy of the record from optical disk disc or electronic format are ones which that accurately reproduce the content of the original.

2. The optical disk disc or electronic copy and the copy generated from optical disk disc or electronic format comply with the minimum standards of quality for such copies, as established by the rule of the department of administration under s. 16.612.

3. The record is arranged, identified, and indexed so that any individual document or component of the record can be located with the use of proper equipment.

4. The legal custodian of the record executes a statement of intent and purpose describing the record to be transferred to optical disk disc or electronic format and the disposition of the original record, and executes a certificate verifying that the record was received or created and transferred to optical disk disc or electronic format in the normal course of business and that the statement of intent and purpose is properly recorded in his or her office.

(d) A copy of a record generated from an original record stored on an optical disk disc or in electronic format ~~which~~ that conforms with the standards prescribed under par. (b) shall be taken as ~~and~~ stand in lieu of, and have all of the effect of the original record and shall be admissible in evidence in all courts and all other tribunals or agencies, administrative or otherwise, in all cases where the original document is admissible. A transcript, exemplification, or certified copy of such a record so generated, for the purposes specified in this paragraph, is deemed to be a transcript, exemplification, or certified copy of the original. An enlarged copy of any record so generated, made in accordance with the standards prescribed under par. (b) and certified by the custodian as provided in s. 889.18 (2), has the same effect as an actual-size copy.

SECTION 62. 66.0216 of the statutes, as affected by 2015 Wisconsin Act 55, is repealed.

NOTE: By the terms of s. 66.0216 (10), the section does not apply after June 30, 2010.

233.12 (1) (a) Subject to rules promulgated by the department of administration under s. 16.611, the authority may transfer to or maintain in optical disk disc or elec-

tronic format any record in its custody and retain the record in that format only.

(b) Subject to rules promulgated by the department of administration under s. 16.611, the authority shall maintain procedures to ensure the authenticity, accuracy, reliability, and accessibility of records transferred to or maintained in optical disk disc or electronic format under par. (a).

(c) Subject to rules promulgated by the department of administration under s. 16.611, if the authority transfers to or maintains in optical disk disc or electronic format any records in its custody, the authority shall ensure that the records stored in that format are protected from unauthorized destruction.

(2) (a) (intro.) Any microfilm reproduction of an original record of the authority, or a copy generated from an original record stored in optical disk disc or electronic format, is considered an original record if all of the following conditions are met:

1. Any device used to reproduce the record on film or to transfer the record to optical disk disc or electronic format and generate a copy of the record from optical disk disc or electronic format accurately reproduces the content of the original.

2. The reproduction is on film which complies with the minimum standards of quality for microfilm reproductions, as established by rule of the public records board, or the optical disk disc or electronic copy and the copy generated from optical disk disc or electronic format comply with the minimum standards of quality for such copies, as established by rule of the department of administration under s. 16.611.

4. The record is arranged, identified, and indexed so that any individual document or component of the record can be located with the use of proper equipment.

5. The custodian of the record designated by the authority executes a statement of intent and purpose describing the record to be reproduced or transferred to optical disk disc or electronic format and the disposition of the original record, and executes a certificate verifying that the record was received or created and microfilmed or transferred to optical disk disc or electronic format in the normal course of business and files the statement in the offices of the authority.

(3) (a) Any microfilm reproduction of a record of the authority meeting the requirements of sub. (2) or copy of a record of the authority generated from an original record stored in optical disk disc or electronic format in compliance with this section shall be taken as, stand in lieu of, and have all the effect of the original document and shall be admissible in evidence in all courts and all other tribunals or agencies, administrative or otherwise, in all cases where the original document is admissible.

(b) Any enlarged copy of a microfilm reproduction of a record of the authority made as provided by this section or any enlarged copy of a record of the authority gen-

erated from an original record stored in optical disk disc or electronic format in compliance with this section that is certified by the custodian as provided in s. 889.08 shall have the same force as an actual-size copy.
