## 2015 WISCONSIN ACT 94

AN ACT *to create* subchapter III (title) of chapter 895 [precedes 895.65], 895.65, 895.66, 895.67, 895.68, 895.69 and 895.70 of the statutes; **relating to:** structured settlement factoring transactions.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Study Committee on the Transfer of Structured Settlement Payments. The bill creates a new subchapter in ch. 895, stats., to govern the transfer of structured settlement payments in Wisconsin. The bill is based on and modifies the Model State Structured Settlement Protection Act, a model law that was developed in 2000 by the National Structured Settlements Trade Association and the National Association of Settlement Purchasers.

Federal law imposes a 40 percent excise tax on transactions to transfer rights to structured settlement payments, unless the transactions are approved by a court or relevant administrative body in the state in which the current recipient of the payments resides. [26 USC 5891.] In response to the federal law, 48 other states have enacted statutes governing judicial review of transfers of structured settlement payments. Many of the other state statutes are based on the model law, although some states have made significant modifications to the model law.

This bill creates all of the following with respect to transfers of structured settlement payments in Wisconsin: definitions of key terms relating to such transfers; requirements for mandatory disclosures that must be made by a proposed purchaser of rights to structured settlement payments; standards governing judicial review of transfers of structured settlement payments; and procedures, legal effects, and general provisions relating to the approval of such transfers.

**SECTION 1.** Subchapter III (title) of chapter 895 [precedes 895.65] of the statutes is created to read:
