(b) *Exceptions.* The division may require a savings bank to maintain a net worth ratio higher than that specified in par. 3. Prevent the savings bank from originating or purchasing loans of one or more types.
4. Prevent the savings bank from making specified invest-

ments, including investments under ch. [DFI-SB 13, 14 or 15](#), and investments otherwise permitted under ss. [214.485](#) and [214.49](#), Stats.

5. Prevent the savings bank from filing applications for branch or limited offices.

6. Prevent the savings bank from opening customer deposit accounts of any specified class, category or amount, or at any specified interest rate.

7. Prevent the savings bank from accepting additions to existing deposit accounts, except under conditions as may be specified by the division.

(b) *Additional measures pertaining to stock savings banks.* Unless the savings bank receives the division's prior written approval, no stock savings bank may pay a dividend to stockholders or otherwise distribute any profits when its net worth ratio is, or if upon such payment or distribution would be, below that required under sub. (1).
