**WCD 20.01 Closed seasons.** There shall be and are provided and established the following open and closed seasons, bag limits, size limits, possession limits and other regulations for the several varieties and species of fish, crayfish, and frogs in the waters within the state of Wisconsin. A closed season is established for each variety of fish, crayfish and frogs named in this chapter extending during all the time of the year except the open season period embraced within the specified dates, both inclusive, and except as otherwise expressly provided no person shall take, catch or kill fish of any variety, or fish for fish by any means other than with hook and line, nor at any time other than the open season therefor, nor have in his possession or under his control any fish, crayfish, or frogs in excess of the daily bag or possession limit, or below the minimum size therefor during the open season.

**WCD 20.02 Waters classified; hook and line fishing in outlying waters.** (1) For the purpose of regulating hook and line fishing in outlying waters, the closed seasons, size limits, bag and possession limits shall be the same as those prescribed for the inland waters of the county in which such outlying waters are located, except as otherwise specifically provided in the following table.

Species	Area	Open season	Daily bag limit	Minimum length (inches)
(a) <del>Yellow</del> walleye and sauger	Lake Superior	At all times	5	13
	Green Bay	At all times	5	13

Except there shall be no bag limit from July 1 to September 30 for yellow walleye and sauger that are 15 inches or more taken from outlying waters of Lake Superior, exclusive of bounded bays and reserve waters.

Except there shall be no bag limit from May 20 to April 9 for yellow walleye and sauger that are 15 inches or more taken from outlying waters of Green Bay, exclusive of bounded bays and reserve waters.

Species	Area	Open season	Daily bag limit	Minimum length (inches)
(b) <b>Northern pike or pickerel</b>	Lake Michigan and Green Bay	At all times	5	No size limit
	Lake Superior	At all times	5	No size limit
(c) <b>Perch</b> .....	In all outlying waters, including bounded bays and reserve waters.	At all times	No bag limits or size limit; except from April 10 to May 19 in the waters of southern Green Bay and from April 10 to May 31 in Lake Michigan and northern Green Bay there shall be a daily bag limit of 50 per day and such fish taken between those dates shall not be sold, traded or bartered in any manner.	
(d) <b>Lake trout</b> .....	Lake Michigan and Green Bay	November 11-October 9	No bag limit	17
	Lake Superior	November 6-September 30	No bag limit	17

(e) There shall be no bag limit on catfish 16 inches or more in the outlying waters exclusive of bounded bays and reserve waters.

(f) Herring of any size with no bag limit may be taken by hook and line at all times in the outlying waters.

(g) All species of fish of lawful size may be taken from the outlying waters including Chequamegon bay by trolling from a motor-driven or sailboat during the open season therefor. It shall be unlawful to spear any species or variety of fish in the outlying and reserve waters at any time, except that carp may be speared from sunrise to sunset in all outlying waters, and lake trout and northern pike may be speared through the ice in Lake Superior.

(2) **INTERSTATE INLAND BOUNDARY WATERS.** Fishing seasons and other fishing regulations on the interstate boundary waters between the state of Wisconsin and Minnesota and the states of Wisconsin and Iowa, namely the Mississippi river, Lake Pepin, the St. Croix river, Lake St. Croix, and the St. Louis river, where they form a common boundary between the said states and on interstate boundary waters between the states of Wisconsin and Michigan are not established under the provisions of this chapter.

(3) **INLAND WATERS.** Fishing seasons and other fishing regulations in all other waters classified as inland waters including the Kakagon sloughs in Ashland county come under the provisions of this chapter.

**WCD 20.03 Season tables.** Open and closed season, size and bag limits and measurements. (1) The open seasons specified in the following table apply to fishing in open water and fishing through the ice, except that the conservation director shall close the season for fishing through the ice in any inland waters when he finds after scientific investigation and study that continued fishing through the ice in such waters would result in a depletion of the supply of game fish therein and that such closed season is necessary to conserve the fish supply and insure the citizens of this state continued opportunities for good fishing therein and such closed seasons shall be put into effect by posting a notice thereof on or in the vicinity of the shore of the waters affected, such posting being deemed by the commission to be the most feasible way of notifying the public that such closed season is in effect and such closed seasons shall remain in full force and effect

so long as such waters are covered with ice and so long as such posting is continued. For open seasons in specified waters see section WCD 20.04. The possession limit for each species of fish shall be the same as the daily bag limit specified in this order. The measurement of all fish taken shall be in a straight line from the tip of the snout to the utmost end of the tail-fin fully extended.

3. The Pine river between the point where the said stream crosses the highway in section 3, township 19 north, range 12 east, town of Leon, and Lake Poygan, all in Waushara county.

(6) Panfish and rough fish may be taken by the method commonly known as skin diving by divers under the water with the use of spears or spear guns in the following waters: Crooked and Jordan lakes in Adams county; Lake Arbutus in Clark and Jackson counties; Lake Mendota in Dane county; Wolf and Helen lakes in Portage county; Lake Seven and Lake Ellen in Sheboygan county; Lake Geneva in Walworth county; Cyclone and Mathews lakes in Washburn county; Lake Five and Wallace lake in Washington county; Stratton and Spencer lakes in Waupaca county.

(7) It shall be unlawful for any person to use goldfish in any form or manner for bait, or have goldfish in possession on the inland and outlying waters of this state.

(8) No person shall set, place, use or operate or have in possession or under control any snag line or snag pole, snag hook or parts thereof or cluster of fish hooks that might be attached to same designed to be placed in or drawn through the water for the purpose of catching or drawing such hooks into the body of fish or used for that purpose; except that carp, but no other species or variety of fish, may be taken by means of a gaff hook through the ice in the daytime only (sunrise to sunset) in the outlying and reserve waters of Lake Michigan and Green Bay.

**WCD 20.08 Turtle traps.** Hoop net turtle traps with a mesh of not less than 7 inch stretch measure providing such traps are so set that not less than 2 inches of the hoops extend above the surface of the water, and float and tank type turtle traps not exceeding 4 feet square or 4 feet in diameter may be used for trapping turtles. Each such trap while in use shall have attached thereto in such manner as to be visible and legible at all times, a metal tag bearing the name and address of the operator of such trap and it shall be unlawful for any other person to tend or operate such trap.

**WCD 20.09 Dip nets in inland waters. (1) GENERAL RESTRICTIONS.** Except as provided in this section and in sections WCD 20.04, WCD 20.10 and WCD 20.11, no person shall set, use, or operate any dip net in any of the inland waters of the state for taking, catching, or killing any variety of fish. No person while operating a dip net for rough fish shall fish for fish in any other manner at that time.

(a) There shall be a daily bag limit and a possession limit of 25 suckers per person taken under the provisions of this section and no suckers so taken shall be sold or bartered in any manner. There is no bag limit on other species of rough fish.

(2) **USE OF DIP NETS. (a) Definition.** Dip nets used for taking, catching, or killing rough fish shall be defined as follows: a piece of netting suspended from a round or square frame not exceeding 8 feet in diameter or 8 feet square and making a bag when lifted not more than 4 feet deep. It shall be unlawful to use dip nets in any manner other than raising and lowering vertically when fishing.

(b) *Marinette and Oconto counties.* Not more than one dip net per person may be used all year for the taking, catching, or killing of rough fish in the daytime only from sunrise to sunset in Marinette and Oconto counties in all of the streams and rivers flowing into Green Bay from a point 200 feet upstream from the mouth, and extending a distance of 10 miles inland in a straight line.

(c) *Door, Kewaunee, Brown, Manitowoc, Sheboygan, Ozaukee, Milwaukee, Racine and Kenosha counties.* One dip net per person may be used all year for the taking, catching and killing of rough fish in the following waters: in any of the streams (but not the lakes) of Door, Kewaunee, Brown, Manitowoc and Sheboygan counties except the tributaries of the Kewaunee river, the West Twin or Neshoto river and its tributaries above the dam at Shoto, the East Twin or Mishicot river and its tributaries above the dam at Mishicot and the Manitowoc river and its tributaries above the dam at Manitowoc Rapids and the Fox river in Brown county from 50 feet below the railroad bridge upstream to the dam at DePere; in all the non-trout streams and rivers flowing into Lake Michigan in Ozaukee, Milwaukee, Racine, and Kenosha counties in that part of each of such streams beginning at the mouth and extending upstream to a point 500 feet below the first dam located on any such stream.

(d) *Fond du Lac county.* One dip net per person may be used in the daytime only, from May 1 to March 15, for taking, catching or killing rough fish, except suckers, in that part of the Fond du Lac river in Fond du Lac county beginning at its mouth and extending upstream three miles.

(e) *Dodge and Jefferson counties.* One dip net per person may be used in the daytime only for the taking, catching or killing of rough fish, except suckers, all year, in the following waters:

1. In the Rock river in Dodge and Jefferson counties.
2. In the Crawfish river in Jefferson county.
3. In Beaver Dam lake in Dodge county.

(f) *Calumet county.* One dip net per person may be used from May 1 to May 31, both dates inclusive for the removal of rough fish from that part of Lake Winnebago within a distance of 500 feet from the shoreline of Calumet county.

(3) **SMELT.** (a) Dip nets not exceeding 8 feet in diameter or 8 feet square may be used at any time for the taking, catching, or killing of smelt in all the streams and rivers flowing into Lake Michigan and the northern and southern parts of Green Bay, with the exception of the Fox river in Brown county from 50 feet below the railroad bridge upstream to the dam in the city of DePere, in that part of each of such streams beginning at or in the bay or lake and extending upstream to a point 500 feet below the first dam located on any such stream or a distance of five miles inland on any of such streams where no dam is located within five miles of the mouth.

(b) Dip nets not exceeding 8 feet in diameter or 8 feet square, may be used from April 1 to May 25 for the taking, catching, or killing of smelt and suckers in all streams flowing into Lake Superior in Bayfield, Ashland and Iron counties and the Brule river in Douglas county from a point beginning at their mouths and extending inland for a distance of one-half mile in a straight line. Zoning does not apply on Bear creek, Bluff creek and the Nemadji river, the St. Louis river and the other non-trout streams in Douglas county and in the waters of the Chippewa, Bad, and White rivers in Ashland county not inhabited by trout.

(c) Seines not more than 75 feet in length and not more than 6 feet in depth may be used from April 1 to May 25 for the taking, catching, and killing of smelt and suckers in all the outlying waters except that portion of the Fox river in Brown county from 50 feet below the railroad bridge upstream to the dam in the city of DePere.

**WCD 20:10 Minnow nets, traps, and seines.** (1) **USE LIMITED.** No person shall set, use, or operate any minnow seine, minnow dip net or minnow traps in any of the inland waters of this state for taking, catching, or killing fish of any variety, other than as specified in this section.

(2) **POSSESSION LIMIT.** It shall be unlawful for any person to take in any waters in any one day more minnows than are specified in subsection (4) (c). The possession and transportation of minnows legally taken is permitted throughout the state.

(3) **MUD MINNOWS.** There shall be a closed season for the taking of mud minnows from January 15 to April 25, both dates inclusive. There shall be no bag limit on mud minnows taken from any inland waters.

(4) **INLAND WATERS.** (a) The following described gear only may be used for the taking of minnows for bait:

1. *Minnow seines.* Minnow seines shall not exceed 25 feet in length, 5 feet in depth, and shall contain mesh not to exceed  $\frac{1}{2}$  inch stretch measure.

2. *Minnow dip nets.* Minnow dip nets shall be defined as follows: A piece of netting suspended from a round or square frame not exceeding 6 feet in diameter or 6 feet square and making a bag when lifted not more than 4 feet deep. It shall be unlawful to use dip nets in any manner other than raising and lowering vertically when fishing.

3. *Minnow traps.* (a) Minnow traps shall be of a length not greater than 24 inches and a diameter of not more than 16 inches with an opening in the throat of the trap not larger than  $1\frac{1}{2}$  inches in diameter. Such traps shall have securely attached to them a label or tag clearly bearing in the English language the name and address of the operator. All minnow traps shall be raised and the minnows removed from them at least once in every 24 hours.

(b) It shall be unlawful to use minnow seines, minnow dip nets or minnow traps of any type or description in any inland waters inhabited by trout except that not to exceed 3 minnow traps may be used in all trout waters during the open season for trout.

(c) It shall be unlawful for any person, except bait dealers licensed pursuant to section 29.137, Wis. Stats., to have in possession or under control more than 600 minnows at any time.

**WCD 20.11 Whitefish and cisco in inland waters.** (1) The rules and regulations set forth in this section shall apply to the use of whitefish and cisco dip nets and seines licensed pursuant to section 29.35, Wis. Stats.

(2) Cisco dip nets shall not exceed 8 feet in diameter or 8 feet square and such seines shall not exceed 75 feet in length or 6 feet in depth and with a mesh not greater than 2 inches stretch measure.

(3) The open season for fishing whitefish and cisco with such dip nets and seines in inland waters shall be from October 10 to January 15 inclusive.

(4) No person shall have in possession or under control at any time more than 25 pounds of whitefish or cisco taken from inland waters.

**WCD 20.12 Set lines and set or bank poles in inland waters.** (1) The rules and regulations set forth in this section shall apply to the use of set lines and set or bank poles licensed pursuant to sections 29.36 and 29.37, Wis. Stats., and it shall be unlawful for any person to set, place, lift or attend any licensed set line or set or bank pole in any of the inland waters except as provided in this section.

(2) At each end of every licensed set line when set in any of the inland waters there shall be placed and maintained a white flag not less than 16 inches square with the upper end of the staff extending at least 2 feet above the water and numbered with figures at least 3 inches in height corresponding to the number of the license authorizing the use of such set line.

(3) No set line or set or bank pole shall be equipped with hooks of a size smaller than 5/0.

(4) It shall be unlawful to set, place, lift, attend or have in possession while on any of the inland waters of the state any licensed set line from sunset to sunrise or any unlicensed set line at any time.

(5) Licensed set lines equipped with not more than 100 hooks and set or bank poles may be used from May 20 to October 15 in the waters of Lake Winnebago, Lake Butte des Morts, Little Lake Butte des Morts, Lake Winneconne, Lake Poygan, in the Wolf river downstream from the mouth of the Rat river in Winnebago county, in the Fox river downstream from highway 21 bridge in the city of Omro to the dam in the city of DePere. On such set lines it shall be unlawful to use any frog, crayfish or fish or part thereof except that a square chunk cut from rough fish may be used. There shall be no bag limit on catfish in the waters defined in this subsection.

(6) Licensed set lines equipped with not more than 25 hooks and set or bank poles may be used from May 20 to October 15 in the following waters: The Wolf river from 500 feet below the dam at Shawano in Shawano county downstream to the mouth of the Rat river in Winnebago county, the Fox river from mile post #63, sometimes known as Johnson creek in Green Lake county downstream to highway 21 bridge in the city of Omro in Winnebago county, the Wisconsin river from the north line of Sauk county to its mouth, the Black river downstream from the highway 12 bridge in the city of Black River Falls, and the Kickapoo river in Crawford county. Licensed, set or bank poles *only* may be used from May 20 to October 15 in the east and west branches of the Pecatonica river in Lafayette county and in the Pecatonica river in Green county. It shall be unlawful for any person to use as bait on such set lines or set or bank poles any frog, crayfish or fish or part thereof except that in the Wisconsin river from the Prairie du Sac dam downstream to its mouth, in the Wolf river in Shawano, Waupaca, Outagamie and Winnebago counties from 500 feet below the dam at Shawano downstream to the Rat river in Winnebago county, in the Fox river from mile post #63, sometimes known as Johnson creek in Green Lake county downstream to the highway 21 bridge at Omro, in the Pecatonica river in Lafayette and Green counties and in the Kickapoo river in Crawford county from 200 feet below the dam at Gays Mills downstream to its mouth it shall be legal to use live bait of a minimum size of 6 inches or larger on set lines or set or bank poles. The bag and size limits established in the season tables shall apply except that there shall be no bag limit on catfish in the waters defined in subsection (4), and in the Wolf and Fox river waters defined in this subsection.

(7) For the purpose of this section catfish taken by set lines or set or bank poles in the following waters shall not be construed to be game fish and may be sold: The Wisconsin river downstream from the north line of Sauk county to its mouth; Lake Winnebago, Lake Butte des Morts, Little Lake Butte des Morts, Lake Winneconne, Lake Poygan and the river connecting said lakes; the Wolf river downstream from 500 feet below the dam at Shawano; and the Fox river from the Princeton locks downstream to the dam in the city of DePere.

 (6) *Re Request, Dec, 1933, No. 12.*  
 WCD 20.13 Fish shanties, shelters, ice fishing hours and ice fishing in outlying waters. The following rules and regulations are hereby established for the use of buildings, vehicles, tents, fish shanties, and similar enclosures and shelters maintained, occupied or used for fishing purposes on the ice of any inland waters pursuant to section 29.283, Wis. Stats.:

(1) **PROHIBITED SHELTER.** Except as provided in subsection (2) of this section no person shall construct, use, maintain or occupy for fishing purposes any building, vehicle, tent, fish shanty, or similar enclosure or shelter whatsoever upon the ice of any inland waters of the state.

(2) **FISH SHANTIES.** (a) Buildings, vehicles, tents, fish shanties, portable shelters or similar enclosures may be used on the ice for fishing purposes. The door of any such enclosure or shelter shall be equipped with a latch which will permit the door to be readily opened from the outside at all times while enclosure or shelter is occupied. All such shelters shall be removed from the ice on or before March 15 on all waters listed in this subsection or previous to that time by order of the conservation commission or by its agents when they feel that the ice has become unsafe for travel thereon.

(b) Buildings, vehicles, tents, fish shanties, or similar enclosures may be used on the ice for fishing purposes on Allouez Bay, St. Louis Bay, St. Louis river and Superior Bay in Douglas county and Chequamegon Bay in Ashland and Bayfield counties from the time the ice forms; provided, however, that all such enclosures or shelters shall be removed from the ice on or before March 15 of each year.

(3) **ICE FISHING HOURS.** No person shall take, catch or kill fish or fish for fish of any variety through the ice with hook and line from 8:00 p.m. to 7:00 a.m. of the following morning in any of the inland waters of the state.

(4) **NAME OF OWNER.** All buildings, tents, fish shanties, and similar enclosures or shelters maintained, occupied, or used for fishing purposes on the ice of any inland waters and the outlying waters of Chequamegon Bay where so authorized by the conservation commission or by statute shall have in the English language the name and address of the person owning or using the same painted on the outside thereof in such manner as to be readily seen and read at all times.

*(4.m) On Walker, December, 1952.*  
(5) **ICE FISHING IN OUTLYING WATERS.** The same seasons, bag limits, and size limits are established for fishing through the ice in the outlying waters of this state as are established under the general fishing seasons for outlying waters.

**WCD 20.14 Commission permitted to take fish.** No provision in this chapter shall prohibit the state conservation commission of Wisconsin, its agents, deputy conservation wardens or representatives of the fish management division of such commission from taking any of the fish mentioned at any time wherein they deem it advisable and necessary to promote the general conservation progress.
