(d) **Otter.** The opening date for the trapping season for otter shall be concurrent with the opening date for trapping beaver in all zones established under paragraph (c) of this section. The open season for trapping otter shall extend through March 15 in Zones A and B and through March 7 in Zone D. There shall be no open season in Zones C and E. The season bag limit is 2 otter.

(e) **Tagging of otter and beaver pelts.** Each person who has trapped an otter or beaver during the established open season for such animals shall exhibit each pelt to an authorized representative of the conservation commission in the county in which such animal was trapped, or in the adjoining county, but within the area included within the open season in which such animal was trapped, not later than five days after the close of said season. Said representatives shall inspect the pelt and attach and lock a special tag indicating it has been inspected. It shall be unlawful for any person to possess raw pelts from such animals beginning six days after the close of the season to the opening date of the following season without such tag attached and locked. No person shall transfer, give, trade, sell, or purchase any such pelts without such tag being attached and locked to the head of each pelt.

(f) **Muskrats taken in beaver or otter traps.** 1. Any person may salvage not to exceed eight muskrats which are taken in beaver or otter traps during the open season for beaver and otter and incidental to the licensee's beaver or otter trapping operations.

2. All such muskrat pelts shall be tagged with a metal tag immediately when the animal is taken; such tags to be furnished by the conservation commission upon request.

3. All muskrat pelts taken pursuant to this section shall be exhibited for inspection, together with any beaver and otter pelts taken, in the same manner as is provided for presenting beaver and otter by paragraph (e) of this section.
