

(6) CHARACTER OF EXAMINATIONS. (a) The examinations shall be conducted by the committee of examiners. They shall consist of written and practical tests, and may in part be oral. The examination will cover the theory and practice of plumbing, the interpretation of charts and blueprints and plans of plumbing installations, and such other tests as the committee may deem necessary to properly pass upon the qualifications of the candidate. The character, experience and fitness of the applicant shall also be taken in consideration.

(b) Credit on examination shall be given as follows:

1. Experience paper	10 per cent
2. Written work based on code	50 per cent
3. Chart work based on code	30 per cent
4. Practical work	10 per cent

(7) MATERIALS USED IN EXAMINATION. Applicants shall furnish the necessary tools and material for the examination as requested by the examiners.

Note: Applicants must participate in all phases of the examination to qualify for a passing grade.

(8) RE-EXAMINATION. Applicants failing an initial examination may be re-examined within three months. Applicants shall not be eligible for a second re-examination until the expiration of six months after the first re-examination, and not for the third and subsequent re-examinations until the expiration of one year after the re-examination which results in failure.

H 61.09 Temporary permits. Temporary permits to engage in business as a master plumber shall not be issued except in especially urgent cases. When deemed necessary the board may require a special examination to determine the qualifications of an applicant before a temporary permit is issued. Temporary permits shall become void upon the date of the first examination following issuance of permit and shall be surrendered to the board.

H 61.10 License renewal. (1) ANNUAL NOTICE FOR RENEWAL OF LICENSES. Notice for the annual renewal of licenses shall be sent to all plumbers whose licenses were in force during the previous year to the address given on the latest license renewal blank on file in the office of the board unless notice of another address is given. Failure to receive the notice for renewal of licenses shall not be accepted as an excuse for failure to renew.

(2) DELINQUENT OR ELAPSED LICENSES. Whenever a master or journeyman plumber fails to renew his license for a period of five years the board shall require evidence to show that he is competent to perform the work of either a master or journeyman plumber before such license is renewed.

H 61.11 Exchange of licenses without examination. All master plumbers in good standing and licensed by the board who desire to engage in the plumbing business solely as a journeyman plumber, shall, upon application and upon payment of the initial license fee of \$5.00 be issued a journeyman plumber's license. A journeyman plumber who holds an unrenewed master plumber's license shall, upon application, be re-licensed as a master plumber upon the payment of the \$25.00 renewal and \$5.00 revival fee as provided by law for the renewal of such license.
