In order to be eligible for a grant, a state veterans organization must submit with its initial application sufficient evidence to establish that it or its national organization has maintained a full time service office at the regional office without interruption for the 5-year period immediately preceding such application. Subsequent applications for grants must be accompanied by affidavits by the adjutant or principal officer of the state veterans organization concerned stating that a full time service office has been maintained at the regional office for the entire year for which application for payment of the grant is made.

An application shall consist of evidence of eligibility and of the following exhibits:

(1) A financial statement, including a report of all income and expenses of the state veterans organization, covering the last completed fiscal year of such state veterans organization.

(2) A statement of moneys paid to employes by such state veterans organization covering the year for which application for a grant is made, which statement must be certified as correct by a Wisconsin Certified Public Accountant and sworn to as correct by the adjutant or principal officer of the state veterans organization.

(3) A report of the number of veterans' claims processed by employes maintained at the regional office by the state veterans organization either solely or in combination with its national organization covering the year for which application for a grant is made.

VA 7.05 Administration. The provisions of this chapter shall be administered by the director. He shall determine the eligibility of a state veterans organization for a grant and the amount of the grant for which it qualifies, and he may prescribe uniform forms for reporting number of claims processed. When an application has been filed, if the director determines that the state veterans organization concerned has not adequately established its claim for a grant, he may require additional information. Any state veterans organization dissatisfied with a determination of the director may appeal such determination to the board.
