

sonnel relations, property management and food service management. Equivalent courses to be determined by the state superintendent or a bachelor's degree in accounting, economics or business administration granted by a college or university approved by the state superintendent of public instruction. A minimum of 18 semester credits of professional education chosen from such courses as history or philosophy of education, educational psychology, guidance, measurements, curriculum, trends in education, school administration, school law, school business administration and school plant planning. Equivalent courses to be determined by the state superintendent.

b. School business administrators who have been officially designated as such and who have served for 5 years in this capacity as of July 1, 1964 may apply for and receive 5 year certificates.

(5) CONVERSION TO ELEMENTARY TEACHING. Conversion to teaching in grades 4 through 8 by qualified high school teachers requires either the completion of the plan for such conversion as established by a college of the applicant's choice or the completion of the following courses:

	Semester Credits
Child growth and development -----	3
Elementary curriculum -----	3
Teaching of reading techniques -----	3
Teaching of arithmetic techniques -----	2
Teaching of language arts techniques -----	2
Practice teaching on elementary level -----	4
Art -----	2
Music -----	2
Mathematics (2 semester credits arithmetic) -----	2
Social science (3 semester credits in American history, 3 semester credits in general geography which may include conservation) -----	6
Conservation -----	2
Science -----	6

Subjects and fields covered previously in college need not be repeated. Conversion to kindergarten and primary teaching by high school teachers is not encouraged and will require more extensive preparation.

(6) CONVERSION TO SECONDARY TEACHING. Conversion to secondary teaching by qualified elementary teachers requires either the successful completion of the following courses or a plan set up by the college of the applicant's choice.

	Semester Credits
Adolescent psychology -----	3
Methods in major field or subject -----	2 or 3
Establishment of 1 major and 1 minor or 2 majors (Practice teaching at the secondary level is recommended)	

Subjects and fields covered previously in college need not be repeated.

(7) LICENSES AND TERM CERTIFICATES. All licenses and term certificates shall be issued for school years or less and the expiration date shall be of June 30 of the designated year.

(8) REVOCATION OF LICENSES. Section 40.43 (5), Wis. Stats., provides the grounds for revocation of teaching licenses.

(a) The state superintendent may revoke licenses of or deny licenses to persons whose teaching licenses have been revoked by some other state department of public instruction for inefficiency or immorality.

(b) The state superintendent will not review the case of a person whose license has been revoked in another state for inefficiency or immorality until such person has been officially reinstated in the state where the revocation took place.

PI 3.20 Specialized areas. (1) SENIOR SCHOOL SOCIAL WORKER. A senior school social worker certificate may be issued to an individual who meets the requirements stipulated in paragraph (a), (b), or (c) of this section:

(a) A master's degree in social work from an approved school of social work with one year of field experience in an approved school-affiliated unit and 18 semester hours of education or its equivalent. In addition, the individual must be recommended as to competency by the university certifying officer.

(b) A master's degree in social work from an approved school of social work, 18 semester hours of education credit or its equivalent and one year of successful experience in a recognized social agency (dealing with children and youth).

(c) A master's degree in social work from an approved school of social work, and an undergraduate degree in education which would allow the individual to be eligible for Wisconsin teacher certification.

(d) Credits obtained in the social work course which the university's school of education will accept as equivalent to professional education credits will be accepted to a license in paragraphs (a) and (b).

(e) The state superintendent may also determine equivalency.

(2) PROVISIONAL SCHOOL PSYCHOLOGIST.

(a) Eighteen semester credits of professional education or its equivalent.

(b) Thirty to 36 semester hours of graduate credit in professional education and psychology is required for the provisional licensure towards a level I school psychologist's certificate.

Area Requirements

Area A—Psychological Foundations—12 semester credits required

*Child or adolescent psychology

*Psychology of learning

*Educational statistics

requiring the holding of a valid Wisconsin license. Such nullified credential may be renewed under regulations in force at the time of the application for renewal.
