Food or beverage concessions operated either by students or private parties are prohibited unless prior approval is granted by the business manager of the university.

(4) **RESTRICTED USE OF UNIONS.** (a) The use of union buildings and union grounds is restricted to members of the union, to university faculty, to university staff, and to invited guests, except on occasions when all or part of the buildings or grounds are open to the general public. The university reserves the right to require currently valid evidence of qualification to use the union buildings and union grounds by student identification card, union membership card, faculty or employee identification card, evidence of invitation as an invited guest, or other suitable evidence of qualification for such use, in any area of the buildings and grounds not open to the general public at the time when identification is requested. The university reserves the right to deny the use of union buildings and union grounds to anyone who fails or refuses to provide such identification in any such area. Any person who fails or refuses to provide such identification in any such area, and who then fails or refuses to withdraw from the buildings and grounds, may be removed.

(b) For the purposes of this section:

1. Union buildings and grounds are "open to the public" only in those areas and during those hours specified in a notice placed outside the main entrance or entrances.

For the purpose of this section, the "administrative head" shall mean the chancellor or the dean of any campus, or, in the case of arboretums, experimental stations or other areas not part of a campus under the supervision of a chancellor or dean, the university official in charge, or, in the absence of the "administrative head" as heretofore defined, it shall mean the person authorized to act on behalf of such "administrative head" in his absence.

2. In granting or denying such permission, the following principles shall govern:

a. Except in extraordinary circumstances, specified in advance by the administrative head of the campus, permission may be granted to use such equipment only during the hours of 4:30 p.m. to 10:00 p.m. on Monday through Friday, and noon to 10:00 p.m. on Saturday and Sunday, and only when the equipment is more than 50 feet from and directed away from any classroom building, residence halls, library or facility being used as a study hall. These are the times and places which will result in the least interference with other activities on the campus.

b. The applicant for permission shall have the burden of establishing the need for amplification to communicate with the anticipated audience. In particular, he must show that the audience can reasonably be anticipated to include at least 250 people.

c. The applicant for permission shall have the burden of establishing that the volume and direction of the sound from the equipment will be such as to reduce interference to other activities on the campus to a minimum.

3. Any request for the permission required by this section must be submitted in writing to the person specified in subsection 1. of this section at least 24 hours prior to the intended use of the sound-amplifying equipment, and must be signed by a student or employee of the university on the campus where the equipment is to be used. Such request shall contain:

a. The proposed hours, date and location where the equipment is to be used.

b. The size of the anticipated audience and the reasons why the equipment is needed.

c. A description of the proposed equipment which includes the manufacturer, model number, and wattage.

d. The names of the owner of the equipment and of any person or persons, in addition to the person signing the application, who will be responsible for seeing that the equipment is operated in compliance with the terms of the permit and the provisions of this rule (the administrative head of the campus may require such additional persons if he believes this necessary to assure compliance).

(b) If permission is granted by the administrative head the applicant shall, notwithstanding the provisions of Wis. Adm. Code section

UW 1.07 (5), post a sign visible to the audience stating: "Permission to use sound-amplification equipment at this meeting (sporting event) has been granted."

(c) Permits issued by the administrative head shall not be required for the use of university sound-amplifying equipment to be used with the permission of the university employee having control of the equipment for authorized university classes, for authorized university research, for meetings of faculty or administrative staff, for other authorized meetings in university buildings, for university-sponsored academic, recreational or athletic activities, or for crowd control by authorized university officials.

2. The need of the applicant to enter the campus, for example, to attend a campus disciplinary hearing in which he is being tried or is to be a witness, or to receive treatment in university hospitals.

(19) UNIVERSITY IDENTIFICATION CARDS. (a) Each student, faculty member or employee of the university shall have in his possession a currently valid card issued by the university identifying him as a student, faculty member or employee whenever he is present on a university campus.

(b) It shall be unlawful for any student, faculty member, or employee of the university intentionally to transfer his university identification card to any other person.

(c) It shall be unlawful for any person to possess any university identification card which was issued to another person, or which was falsely made or altered, with intent to use it or to cause or permit its use, to deceive another.

(20) RESTRICTIONS ON PERSONS WHO MAY ENTER CAMPUSES DURING EMERGENCIES. (a) Section 36.45, Wis. Stats. provides:

"The chancellor of each university of Wisconsin campus or the chief security officer thereof . . . during a period of immediate danger or disruption may designate periods of time during which the university campus and designated buildings and facilities connected therewith are off-limits to all persons who are not faculty members, staff personnel, students or any other personnel authorized by the above-named officials. Any persons violating such order shall be subject to the penalties provided by law for criminal trespass." (For penalty, see sections 943.13 and 943.14, Wis. Stats.)

(b) During any period so designated, it shall be unlawful for any person to remain on the campus, or in the designated buildings and facilities, after failing or refusing to identify himself upon request as a person entitled to be present.

(c) For the purpose of subsection (b),

1. "To identify himself" means to show a university identification card or other written or documentary evidence of identity.

2. "Person entitled to be present" means a university faculty member or other employee, a university student, or any other person authorized to be present by the order issued pursuant to the statutory provision set forth in subsection (a) of this section.

3. The "request" must be made by a police officer or other person authorized by the order to make such request.

(21) PICKETING, RALLIES, PARADES, DEMONSTRATIONS AND OTHER ASSEMBLIES. (a) In order to preserve the order which is necessary for the enjoyment of freedom by members of the university community, and in order to prevent activities which physically obstruct access to university facilities and prevent the university from carrying on its instructional, research, public service, and administrative functions; any picketing, rally, parade, demonstration, or other assembly shall be declared unlawful if its participants:

1. Intentionally gather, or intentionally remain assembled, outside any university building or other facility in such numbers, in such proximity to each other or in such other fashion as to physically hinder entrance to, exit from, or normal use of the facility.

2. Intentionally congregate or assemble within any university building or other facility in such fashion as to obstruct or seriously impair university-run or university-authorized activities, or in such fashion as to violate any of the following conditions:

a. No group may be admitted into the private office of any faculty member or other university employee unless invited by the authorized occupant of that office, and then not in excess of the number designated or invited by that person.

b. Passage through corridors, stairways, doorways, building entrances, fire exits, and reception areas leading to offices shall not be obstructed or seriously impaired.

c. Classrooms, study rooms, or research rooms shall not be entered or occupied by any group not authorized to do so by the person in immediate charge of the room, or by a person designated by the chancellor to approve requests for the use of rooms for meetings. Groups shall not assemble immediately outside such rooms at times when they are normally in use for classes, study, or research.

d. Any group present in a university building shall leave at the closing hours established pursuant to section UW 1.07 (22) with the exceptions specified in that section.

e. No parades, picketing, or picket signs supported by standards or sticks will be permitted in any assembly in a university building.

3. Intentionally create a volume of noise that unreasonably interferes with university-run or university-authorized activities.

4. Intentionally employ force or violence, or intentionally constitute an immediate threat of force or violence, against members of the university community or university property.

(b) For the purpose of subsection (a) of this section, "intentionally" means that the participant or spectator knew or reasonably should have known that his conduct by itself or in conjunction with the conduct of others, would have the prohibited effect.

(c) The chancellor shall designate a university official or officials who shall have primary authority to implement subsection (a) of this section. He shall prescribe limitations for any picketing, rally, parade, demonstration or other assembly in order that it will meet the requirements of subsection (a) of this section whenever he is requested to do so. Such requests should be made at least 24 hours in advance in order that adequate police protection for the assembly can be provided. When informed of any picketing, rally, parade, demonstration, or other assembly which may not comply with subsection (a), the chancellor's designee shall proceed immediately to the site and determine if subsection (a) is being complied with. If he finds that it is not, he may declare the assembly unlawful or he may prescribe such limitations on numbers, location or spacing of participants in the demonstration as are reasonably necessary to ensure compliance with subsection (a). If he prescribes limitations, and if his limitations are not observed by the assembly, he may then declare the assembly unlawful. Any declaration of illegality or prescription of limitations by the chancellor's designee shall be effective and binding upon the participants in the assembly unless and until modified or reversed by the chancellor's designee or the chancellor.

(d) Any participant or spectator within the group constituting an unlawful assembly who intentionally fails or refuses to withdraw from the assembly after it has been declared unlawful under this section shall be subject to immediate arrest and liable to the penalties of section UW 1.08. Any participant or spectator present in a group constituting an unlawful assembly after it has been declared unlawful under this section who intentionally fails or refuses to identify himself upon request by the chancellor's designee shall be subject to immediate arrest and liable to the penalties of section UW 1.08.

(e) If the original picketing, rally, parade, demonstration, or other assembly is not declared unlawful, but spectators are violating subsections (a) 1., (a) 2., (a) 3., or (a) 4. of this section, the chancellor's designee may declare that the group including the spectators constitutes an unlawful assembly subject to the provisions of subsections (c) and (d) of this section. No assembly, lawful or unlawful, shall be deemed to justify an unlawful counter assembly.

(22) CLOSING HOURS. (a) Except as specifically provided by this code, the chancellors or deans of the respective campuses, and other university officials having charge thereof, may establish closing hours and closed periods for university buildings, facilities and areas. Such closing hours and closed periods shall be posted in at least one convenient place on each of the campuses, or, in the case of buildings, on the building. Closing hours remain in force and effect until modified by 5 days notice, posted as required above, except that the chancellors, deans or other university officials having charge of such buildings, facilities, or areas, may, without notice, extend open hours, or when the safety of persons or property requires it, restrict such hours, until further notice.

(b) It is unlawful for any person, except those assigned to work or authorized to be present during closed periods, to enter or remain

in any university building, facility or area or portion thereof during closed periods fixed pursuant to this section.

(23) PROHIBITIONS ON BLOCKING ENTRANCES. In order to prevent activities which physically obstruct access to university functions or facilities and which prevent the university from carrying on its instructional, research, public service and administrative functions, and to preserve order which is necessary for the enjoyment of freedom by each and every member of the university community, the following conduct is prohibited:

(a) Intentionally physically blocking entrances to and exits from offices, classrooms or other university facilities with intent to deny to others their right of ingress to, egress from or use of such offices, classrooms and other university facilities.

(b) Intentionally physically denying to others ingress to or egress from, or the use of university offices, classrooms or other university facilities with intent to deny to others their right of ingress to, egress from or the use of such offices, classrooms, or other university facilities.

(c) Intentionally physically restraining others from ingress to or egress from, or from the use of university offices, classrooms or other university facilities with intent to deny to others their right of ingress to, egress from, or the use of such offices, classrooms or other university facilities.

(24) CURFEW. (a) Notwithstanding any other provision of this code, the chancellor or dean of any campus may declare curfew hours for the campus or particular buildings, facilities or areas of the campus, whenever a riot or civil disorder endangers the safety of persons or property on the campus, or impairs food or fuel supplies, medical care, fire, health, or police protection or other vital services to such campus. Such curfew hours shall be posted on appropriate bulletin boards on the campus, or, in the case of buildings, on the building. Such curfew hours will remain in effect until ended or modified by the chancellor or dean.

(b) It is unlawful for any person, except those authorized by the curfew order, to enter or leave any university building, facility or area subject to the curfew order during curfew hours fixed pursuant to this section.
