3. Staff appraiser of any recognized appraisal firm, association, bureau or corporation, and who further meets the qualifications under sub-paragraphs (1) or (2) above.

(b) No approved appraiser shall render any appraisal reports to an association unless his appointment as such has been designated by name in a resolution adopted by the board of directors.

(c) Any association may, by board resolution, designate by name and employ an appraiser or appraisers, approved by the commissioner, to appraise real estate security on all loans.

3. The association's appraisal policies and practices may not conform with generally accepted and professional appraisal standards; or
4. The association's assets, secured by real estate are overvalued; or
5. The association, in order to correct violations of lending restrictions relating to maximum amounts or authorized maximum ratios, reappraises the real estate securing such loans to qualify such loans as complying with prescribed amounts or maximum ratios set forth in this section, or
6. The annual supervisory examination report discloses high ratios of mortgage loan delinquencies, loan concentration secured by real estate situated in declining areas, loan concentration to speculative builders, granting of new loans or extending existing mortgage loans to speculative builders when such speculative builder is indebted to the association on completed structures which have remained unsold for an undue period time, appraisals made by the association's appraisal committee substantially exceed sales prices, the disbursement of funds on construction, loans in advance of the actual progress of construction, or any other adverse factors or trends which would tend to impair the value of the assets of the association.

(b) The cost of such appraisals shall be paid promptly by the association to the appraiser who made the appraisals.

(c) If the appraisals, as described in par. (d) The specific reserve, as used in this section, shall be the amount of the individual loan account balance in excess of the permissible lending limitations as set forth in Wis. Adm. Code section S-L 18.02, as determined by the reappraisal.

(a) Upon the approval of a mortgage loan by the association and upon the acceptance of the loan commitment by the applicant, the association shall cause a check of the public records to be made by an abstractor or other competent person to determine status of title, incumbrances, judgments, liens and taxes for the purpose of obtaining preliminary information for the preparation of the loan file. Such preliminary file of reports shall be in writing. The preliminary opinion of title shall be made in writing by an attorney at law.

(b) If the association is refinancing an existing mortgage and has a final opinion of title on such loan, then said final opinion of title may be accepted in lieu of a preliminary opinion of title provided that the extension of the abstract, prior to the refinancing shows that there are no unsatisfied, intervening mortgages, liens or judgments.

(c) At the time of loan closing, after all necessary conveyances, mortgages, mortgage notes, satisfactions and releases have been executed, the association, upon information and belief contained in its preliminary title search, may disburse loan proceeds.

(d) Immediately after loan closing, all deeds, mortgages, satisfactions and releases shall be recorded; thereafter the abstract, describing the mortgaged premises, shall be extended and the association's attorney or any attorney approved by the association shall examine such abstracts and render a final opinion of title in writing advising the association that each borrower has good title, and that the association's mortgages are first liens thereon.

(2) TITLE GUARANTY POLICIES: WHEN ACCEPTABLE. (a) Upon approval of a mortgage loan by the association and upon the acceptance of the loan commitment by the applicant, the association, in lieu of opinions of title from abstracts, shall obtain a preliminary report, letter, binder or commitment to insure from the title guaranty insurance companies showing status of title, incumbrances, judgments, liens and taxes for the purpose of obtaining preliminary information for the closing of the loan.

(b) At the time of loan closing, after all necessary conveyances, mortgages, mortgage notes, satisfactions and releases have been executed, the association, upon information and belief contained in the preliminary reports, letters, binders or commitments to insure, may disburse loan proceeds.

(c) Immediately after loan closing, all deeds, satisfactions, mortgages and releases shall be recorded, and title policies insuring first liens to the association shall be obtained within 1 year on all loans made for purposes of construction, and within 2 months on mortgage loans made for purposes other than construction. Every savings and loan association shall have the discretionary right to determine whether its duly appointed attorney shall render an opinion of title on the real estate on which a title policy of insurance has been accepted by the association.

(3) TITLE SEARCH FOR INTERVENING LIENS ON ADDITIONAL ADVANCES.

(a) Prior to granting an additional advance on a mortgage loan, the association shall obtain a letter or affidavit from the attorney, abstracter or title company that the records have been checked to determine the existence of any intervening liens.

(b) If such title search reveals the existence of intervening liens, no additional advance shall be made unless subordination agreements are obtained from the holders of said liens, or the liens satisfied.

**History:** Cr. Register, January, 1964, No. 97, eff. 2-1-64.

**S-L 18.07 Construction loans.** The proceeds of a loan made for the purpose of meeting the cost of constructing a building and monies deposited with the association by a borrowing member for the same purpose shall be subject to disbursement only to the borrowing member or upon a written order signed by the borrowing member or his duly authorized agent directing that payment be made to a contractor, sub-contractor or material man furnishing labor and material on the property pledged as security for a loan.

**History:** Cr. Register, January, 1964, No. 97, eff. 2-1-64.

Such notice shall identify the mortgage sought to be renewed or extended and shall state the additional time desired, and shall be signed by the borrower.

(2) The board of directors shall take formal action upon each extension and renewal request. If the board approved such application, the minutes shall state the time granted for the renewal or extension and the rate of interest to be paid.

(3) After the application for extension or renewal has been approved by the board, an "Extension of Mortgage" form shall be executed by the borrower and the association in such form as shall enable it to be recorded in the office of the register of deeds.

**History:** Cr. Register, January, 1964, No. 97, eff. 2-1-64.

**S-L 18.09 Types of real estate unacceptable as mortgage loan security.** Unless the real estate pledged as security on a mortgage loan shall abut on a public right-of-way or shall have access to a public right-of-way by a recorded easement, or where real estate security is located to the rear of another parcel of real estate owned by a party other than the owner of the real estate offered as security, it shall be unacceptable as security for a mortgage loan. An alley shall not be considered a public right-of-way.

Nothing in this subsection shall be deemed to prevent any association from demanding that borrowers further secure their loans with additional collateral, or mortgage insurance, or both, in such percentages or amounts as determined and approved by the board of directors. The term, mortgage insurance, as used herein, is defined as insurance which shall indemnify the association, in whole or in part, against loss resulting from default of the borrower's contractual payments as specified in the mortgage note.
