

Chapter TR 8

RETIREMENT ANNUITIES

- TR 8.01 Average annual salary—received
TR 8.02 Receipt of annuity while teaching

TR 8.01 Average annual salary—received. The word “received” as used in connection with “average annual salary” in section 42.49 (6)(b), Wis. Stats., shall be interpreted to mean “earned” in all cases where proper information is obtained and verification is received concerning the earned salary.

TR 8.02 Receipt of annuity while teaching. An annuitant may continue to receive his regular annuity so long as his teaching amounts to less than 50% of a normal full-time load.
