**Tax 8.03 Affixing stamps.** (1) (a) All intoxicating liquor, except wine containing not over 21 per cent of alcohol by volume, shipped into the state of Wisconsin, must have a Wisconsin tax stamp of the correct denomination affixed to each original bottle before it enters the state, with the following exceptions being made:

(2) A manufacturer, rectifier, wholesaler or winery properly licensed by this state, who has in his possession intoxicating liquor in sealed containers which is spoiled or has become unfit for beverage purposes may file a request for a tax refund with the commissioner of taxation, and a refund for the amount of the tax applying to such merchandise may be made providing the mutilation of stamps affixed to such merchandise is witnessed by a representative of the commissioner of taxation, and providing the applicant agrees to assume the expense and service charge of the state representative assigned to witness the mutilation of such stamps.

**Tax 8.11 Reports.** Monthly reports must be filed by all manufacturers, rectifiers, wholesalers or wineries having a permit to ship into, or do business within the state of Wisconsin, on forms furnished by the commissioner of taxation. Such reports must be made in duplicate, the original to be mailed to the Department of Taxation, Division of Beverage and Cigarette Taxes on or before the tenth day of each month covering the preceding calendar month, and the duplicate to be retained by the firm submitting the report. The burden of proof, however, is at all times upon the Wisconsin manufacturer, rectifier or wholesaler to show that such merchandise actually went into interstate commerce.

(2) Wisconsin manufacturers, rectifiers, and wholesalers claiming exemption from the occupational tax on intoxicating liquor on the ground that shipments or deliveries were made in interstate commerce shall certify, under oath: (a) that the persons receiving such shipments or deliveries in a foreign state at the address stated are licensed to receive the same or (b) that they are in possession of bills of lading, way bills, freight bills or other evidence of shipment issued by common carriers operating in this state, that such shipments or deliveries were made to persons having an actual licensed place of business in the foreign state.

If the consignee has such permit, the carrier will deliver the shipment and then forthwith forward such information to the Division of Beverage and Cigarette Taxes of the Wisconsin Department of Taxation. If the consignee cannot show a permit, the carrier shall return the shipment to the shipper.

(4) Shipments of intoxicating liquor shall be delivered to the consignee by the carrier thereof within a period of five days after arrival at point of destination. If such merchandise is not delivered within such five day period, the consignor shall be notified by the carrier thereof and the merchandise shall be returned to him.

**Tax 8.51 Labels.** No person, firm or corporation shall sell within the state, or ship into the state, any intoxicating liquor unless prior to such sale or shipment two front and back labels and a chemical analysis or statement of analysis, whichever the case may be, applying to such merchandise, have been submitted to and approved by the commissioner of taxation.

**Tax 8.52 Label requirements.** (1) No person, firm or corporation shall sell intoxicating liquor within the state of Wisconsin unless the container thereof shall bear a clear and legible label setting forth the name and address of the manufacturer and the kind of liquor contained therein.

(2) (a) Intoxicating liquor sold within the state of Wisconsin shall be labeled in conformance with the labeling requirements of the federal alcohol administration now in effect or as subsequently amended except that "straight whiskey" may include distilled spirits which are aged in old containers regardless of duration of storage.
