Exp 2.04	Uniform premium lists. Classes and amounts		

Exp 2.01 Premiums and exhibits. (1) Fairs contemplating making a claim for state aid must submit 2 copies of a revised premium list to the Wisconsin exposition department not later than May 1st of the year in which the fair is held. These lists will be checked and one copy returned with any necessary notations. State aid shall be allowed only on premiums approved by the department.

(2) No fair is permitted to make any deductions from premium money won by an exhibitor.

(3) A fair may charge an entry fee not in excess of 10% of the purse offered on any specific article. The state aid authorized by section 27.30 (5), Wis. Stats., will be paid on net premiums only. Net premiums shall be construed to mean the total premiums paid less total entry fees received.

(4) No fair is permitted to require exhibitors in the educational department to purchase exhibitor's tickets. Other exhibitors may be required, when no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for season tickets.

(5) When no entry fee is charged, the fair may charge stall rent in the horse, cattle, sheep and swine departments. In the horse department the rental shall not exceed \$1.50 per single stall, and \$3 for box stalls; in the cattle department \$1 for single stalls, and \$2 for box stalls; in the swine department and sheep department \$2 per pen or 50 cents per animal. A standard pen should be approximately 64 square feet. In the poultry, rabbit, and pet stock department the charge shall not exceed 25 cents per head and such charge shall include feed and care. These are maximum charges in each case. Fairs may charge less if they desire.

(6) State aid will not be approved for separate classes for local and non-local exhibitors.

(7) In case the local breed association or any other organization donates a portion of the prize money, state aid will be allowed only on that portion of the prize money paid by the fair association.

(8) No state aid will be paid on out-of-state exhibits. In case Wisconsin residents who have out-of-state addresses win prizes on exhibits the fair secretary must provide the division of fairs with an affidavit that such exhibitors are residents of Wisconsin.

(9) (a) In the junior fair department, state aid will be paid on prizes offered to exhibitors from 9 to 21 years of age in the following classes: club products, demonstration teams, judging teams, showmanship contests, style shows, dress revues, tractor maintenance performances, demonstration and educational booths. State aid will not be

paid on prizes for club parades, club floats, song contests, or any project which is not an exhibit or demonstration at the fair.

(b) In the junior fair department, all exhibitors must be members of 4-H, FFA, FHA, or any other youth organization having adult leadership.

(c) Exhibits in the junior fair must be a result of the exhibitors project or projects in which he or she is regularly enrolled, and must be the result of the members own labor.

(10) Premiums in the educational departments must be paid direct to the pupil making the exhibit and not to the school or teacher, except for group premiums offered to the competing schools. A complete list of exhibitors and a complete set of judges' sheets for the education department, like those required in other departments, must be filed with the Wisconsin Exposition Department. No aid will be paid on education department premiums unless this is done. All educational exhibits must be on display at the fair even though they are judged prior to the fair.

(11) State aid will be paid only on premiums actually paid by bank check or order; no state aid will be paid on the cost of ribbons, cups or trophy prizes.

(12) Exhibitors shall not be required to become members of the fair society, or be required to make any donations or refunds.

(13) Premiums offered must be definite in amount; fairs cannot decrease or increase the published premiums depending on the financial conditions of the organization or for any other reason.

(14) State aid will not be allowed on horse pulling contests.

(15) (a) No state aid will be allowed on more than 2 premiums awarded an exhibitor under one premium or lot number in individual livestock classes, nor on more than one premium in all other classes.

(b) In the junior fair department, no state aid will be allowed on more than 1 premium awarded an exhibitor under one premium or lot number.

(c) To be eligible for state aid, no animal or article shall compete for more than one premium except as part of a herd group or special premium.

(16) State aid will be paid only on articles or animals actually on display in exhibit buildings or actually shown in the show ring during the regular fair dates. State aid will not be paid on D.H.I.A. records, transportation aid, production contests, or the like.

(17) No state aid will be paid to fairs having split dates, unless prior written approval is granted by the Wisconsin Exposition Department at the time the premium list is approved. Extreme hardship must be established by the fair organization before approval will be granted. By a split date, the department means a fair which exhibits or contests judged, and premiums paid at more than one time or at more than one location during the current year. When split dates are granted, all blue ribbon winners must repeat their demonstration or exhibit at the regular fair on regular fair dates.

(18) The officers of each fair must mail a premium list to every other association, society or board conducting a fair in Wisconsin; lists of fairs will be furnished by the Wisconsin Exposition Department.

(19) Fairs shall publish Wis. Adm. Code sections Exp 2.01 and Exp 2.06 in their premium books.

(20) Fairs must indicate exact dates of their fair when submitting premium books, and must promptly advise the department of any change in dates later in the season.

(21) No state aid will be paid on exhibits removed from the fair grounds prior to 4 p.m. of the last day of the fair. In cases of extreme hardship, special permission for earlier removal may be granted by the Exposition Department. This approval must be obtained in writing prior to the fair.

Exp 2.02 Uniform premium lists. General provisions. (1) In all prescribed divisions that do not specify any breed, item or article, there may be separate classes for any recognized breed, item or article, and state aid in the amounts prescribed will be allowed for such classes in each breed, item or article.

(2) Classes may be combined, but state aid shall be limited to maximum premiums listed for a single class of such animals, items, or articles.

(3) No state aid will be paid on premiums awarded for any male animals (other than those which have been desexualized) exhibited in any class unless the animal is registered or eligible for registry as a purebred.

(4) Animals entered in group classes shall also be exhibited in a class for individuals.

(5) State aid for premiums awarded for horses in open classes shall be limited to horses which are owned by the exhibitor and are the offspring of the exhibitor's mare or stallion.

(6) The total of the maximum premiums prescribed for the places in any open class of livestock (except poultry) may be divided into premiums for a greater number of places and the maximum premium for any additional place shall not be higher than the maximum prescribed for the last place in such class.

(7) When there are 16 or more animals, items or articles entered in any junior fair class, at the discretion of the fair, the class may be divided into two approximately equal groups and each group judged as a class.

(8) In the swine departments, all mature boars must have tusks removed.

History: Renum. from Exp 2.02 and am., Register, March, 1964, No. 99, eff. 4-1-64.

Exp 2.06 Judging regulations. (1) Judging shall be done at county and district fairs only by men and women approved by the Wisconsin Exposition Department for that purpose. In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals shown in that department.

(2) Each judge shall be provided with a copy of the premium book at least 7 days prior to the opening date of the fair at which he or she shall act as judge.

(3) No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.

(4) (a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments.

(b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings must be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first group, not more than 4 in the first two groups and not more than 6 in the first three groups. If there are 8 or more entries in the class, there shall not be more than 25% in the first group, not more than 50% in the first two groups, and not more than 75% in the first three groups.

(c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.

History: Cr. Register, December, 1961, No. 72, eff. 2-1-62; am. (4) (b); r. (4) (d), Register, April, 1963, No. 88, eff. 5-1-63; renum. from Exp 2.03 and am. Register, March, 1964, No. 99, eff. 4-1-64.

Exp 2.07 Accounting requirements. (1) All receipts from any source whatsoever shall be deposited in a bank, and all accounts without exception shall be paid by check or order. All records, papers, stubs, checks, vouchers or orders relating to fair transactions shall be preserved for a 6-year period subsequent to the year in which the same were made or issued.

(2) Premiums must be actually paid or bona fide notice of premium awards must be sent to all premium winners before a claim for state aid will be considered.

(3) Claims for state must be filed within 30 days after the close of the fair, and must include:

(a) Judges' sheets filled out and signed in accordance with instructions on the blanks. No state aid will be allowed on unsigned judges' sheets or on sheets signed by judges who have not been approved by the department for that purpose. Judges' sheets with the exception of the judge's column should be completely filled, if possible, by typewriter. The total premiums awarded on each judge's sheet must be shown on the bottom of same.

(b) Index of exhibitors and their addresses, with amounts paid in premiums opposite each name. The total of each index sheet must be shown on the bottom of same, and the total of the index must correspond with the total of premiums awarded as shown by judges' sheets.

(c) Two voucher claims for state aid

(d) One premium book

(4) One copy of the annual financial report must reach the office of the department before the end of the calendar year in which the fair is held. The state aid received for the current year must be included as a receipt in such statement.

(5) Before submitting its financial report, every fair association, society or board shall have its accounts audited by either a certified public accountant, a county auditor, or an auditing committee, one of which must be familiar with records and procedures, appointed by the officers of the fair organization. The society or board shall submit to the department at the time the financial report is submitted a statement of how the audit was done, and the date and name or names of those who did the auditing, or a copy of the audit report.
