

Black river from the Onalaska nine-foot channel dam to the Chicago, Milwaukee, St. Paul and Pacific railroad bridge immediately south of Copeland Park in the city of La Crosse; French lake, which is located on French island, lying opposite the city of La Crosse, between the Black river and east channel of the Mississippi river; Gravel pit and the entire Bank Slough area from 13th Place in the city of La Crosse southeasterly to where it enters Running Slough.

(6) No net or nets may be used or operated in any manner in the boundary waters described in this chapter except under the direct supervision of the department, its agents or conservation wardens. Said department may require the operators of such nets to pay for supervision individually or in groups in the manner they deem advisable and said department shall fix the amount to be paid each supervising warden but it shall not exceed 8 dollars per day and actual and necessary expenses in any instance.

(7) The department or its agents may require any operator of any seine, gill net or set line to cease the fishing operations when said department finds these operations are destructive to game fish or for any other valid reason.

(8) The use or operation of all other nets except those hereinbefore mentioned in this chapter is prohibited in such boundary waters at all times with the exception of such nets as may be authorized by the department under contract or permit with the operator of the same. The specifications for the nets operated under contract or permit shall be agreed upon between the states of Wisconsin and Minnesota.

(9) No net or nets of any kind or set lines shall be set, lifted, hauled or operated in any manner between $\frac{1}{2}$ hour after sunset and one hour before sunrise of the following morning, except for the purpose of completing a seine haul with the permission of the supervisor, nor shall any net be used in a drifting manner.

(10) No licensed commercial fisherman or any member of his crew or any person in his boat shall have in his possession any game fish or sport angling equipment while operating licensed commercial gear including set lines or while traveling to or from the operation of such gear.

(11) No person shall have in his possession or under his control any basket trap (slat net), trammel net or wooden traps which might be used for the purpose of taking, catching or killing fish in any of the counties north of the southern boundary line of the state of Minnesota extended bordering the boundary waters as specified in this chapter.

(12) All fishermen licensed under the provisions of section 29.34 and 29.37, Wis. Stats., shall report to the department on blanks to be furnished by the department, detailed information regarding their activities which shall include the number of pounds and varieties of fish taken, amounts returned to the water, and any other information pertaining to the commercial fishing activities required by the department.
