**Exp 2.01 Premiums and exhibits.** (1) Fairs contemplating making a claim for state aid must submit 2 copies of a revised premium list to the department not later than May 1st of the year in which the fair is held. These lists will be checked and one copy returned with any necessary notations. State aid shall be allowed only on premiums approved by the department.

(2) No fair is permitted to make any deductions from premium money won by an exhibitor.

(3) A fair may charge an entry fee not in excess of 10% of the purse offered on any specific article. The state aid authorized by section 22.40 (4), Wis. Stats., will be paid on net premiums only. Net premiums shall be construed to mean the total premiums paid less total entry fees received.

(4) No fair is permitted to require exhibitors in the educational department to purchase exhibitor's tickets. Other exhibitors may be required, when no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for season tickets.

(5) When no entry fee is charged, the fair may charge stall rent in the horse, cattle, sheep and swine departments. In the horse department the rental shall not exceed \$1.50 per single stall, and \$3 for box stalls; in the cattle department \$1 for single stalls, and \$2 for box stalls; in the swine department and sheep department \$2 per pen or 50 cents per animal. A standard pen should be approximately 64 square feet. In the poultry, rabbit, and pet stock department the charge shall not exceed 25 cents per head and such charge shall include feed and care. These are maximum charges in each case. Fairs may charge less if they desire.

(6) State aid will not be approved for separate classes for local and non-local exhibitors.

(7) In case the local breed association or any other organization donates a portion of the prize money, state aid will be allowed only on that portion of the prize money paid by the fair association.

(8) No state aid will be paid on out-of-state exhibits. In case Wisconsin residents who have out-of-state addresses win prizes on exhibits the fair secretary must provide the department with an affidavit that such exhibitors are residents of Wisconsin.

(9) (a) In the junior fair department, state aid will be paid on prizes offered to exhibitors from 9 to 21 years of age in the following classes: club products, demonstration teams, judging teams, showmanship contests, and educational booths. State aid will not be paid on

prizes for club parades, club floats, song contests, or any project which is not an exhibit or demonstration at the fair.

(b) In the junior fair department, all exhibitors must be members of 4-H, FFA, FHA, or any other youth organization having adult leadership.

(c) Exhibits in the junior fair must be a result of the exhibitors project or projects in which he or she is regularly enrolled, and must be the result of the members own labor.

(10) Premiums in the educational departments must be paid direct to the pupil making the exhibit and not to the school or teacher, except for group premiums offered to the competing schools. A complete list of exhibitors and a complete set of judges' sheets for the education department, like those required in other departments, must be filed with the department. No aid will be paid on education department premiums unless this is done. All educational exhibits must be on display at the fair even though they are judged prior to the fair.

(11) State aid will be paid only on premiums actually paid by bank check or order; no state aid will be paid on the cost of ribbons, cups or trophy prizes

(12) Exhibitors shall not be required to become members of the fair society, or be required to make any donations or refunds.

(13) Premiums offered must be definite in amount; fairs cannot decrease or increase the published premiums depending on the financial conditions of the organization or for any other reason.

(14) State aid will not be allowed on horse pulling contests.

(15) (a) No state aid will be allowed on more than 2 premiums awarded an exhibitor under one premium or lot number in individual livestock classes, nor on more than one premium in all other classes.

(b) In the junior fair department, no state aid will be allowed on more than 1 premium awarded an exhibitor under one premium or lot number.

(c) To be eligible for state aid, no animal or article shall compete for more than one premium except as part of a herd group or special premium.

(16) State aid will be paid only on articles or animals actually on display in exhibit buildings or actually shown in the show ring during the regular fair dates. State aid will not be paid on D.H.I.A. records, transportation aid, production contests, or the like.

(17) No state aid will be paid to fairs having split dates, unless prior written approval is granted by the department at the time the premium list is approved. Extreme hardship must be established by the fair organization before approval will be granted. By a split date, the department means a fair which exhibits or contests judged, and premiums paid at more than one time or at more than one location during the current year. When split dates are granted, all blue ribbon winners must repeat their demonstration or exhibit at the regular fair on regular fair dates.

(18) The officers of each fair must mail a premium list to every other association, society or board conducting a fair in Wisconsin; lists of fairs will be furnished by the department.

(19) Fairs shall publish Wis. Adm. Code sections Exp 2.01 and Exp 2.06 in their premium books.

(20) Fairs must indicate exact dates of their fair when submitting premium books, and must promptly advise the department of any change in dates later in the season.

(21) No state aid will be paid on exhibits removed from the fair grounds prior to 4 p.m. of the last day of the fair. In cases of extreme hardship, special permission for earlier removal may be granted by the department. This approval must be obtained in writing prior to the fair.

(2) Classes may be combined, but state aid shall be limited to maximum premiums listed for a single class of such animals, items, or articles.

In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.

(2) Each judge shall be provided with a copy of the premium book at least 7 days prior to the opening date of the fair at which he or she shall act as a judge.
