seasons for hunting with firearms or bow and arrow subject to the daily kill and possession limits, hunting hours, and other rules specified for such hunting. Such permit authorizes the permittee to capture alive and use the birds specified in the permit for falconry purposes only. Birds held under this permit shall not be sold or bartered. Birds held under this permit shall wear a metal or plastic band or tag clearly stating the owner's name and address.

(b) Applications for falconry permits shall be made on forms prepared and furnished by the conservation director and shall show such information as the conservation director shall deem reasonable to determine that the applicant is qualified to use birds for falconry.

(c) Falconry permits are not transferable and may be revoked at any time by the conservation director.

(d) The permit must be carried upon the person of the permittee when exercising any privileges thereunder.

(e) Annual reports shall be filed with the conservation director on or before January 31 of each year, on forms furnished by the director, and shall show such information deemed reasonable by the director to determine the use and current status of such permits.

(f) Trapping is subject to Wis. Adm. Code section NR 10.14 (1) which prohibits the use of pole traps. All traps used in capturing operations shall bear a label showing the name and address of the permittee and the number of the permit, or the trapping area must be adequately posted with signs bearing the name and address of the permittee and his permit number.
