NR 10.01 Open and closed seasons. A closed season is established for each species of wild animal and bird named herein extending during all the time of each year except the open season period embraced within the specified dates both inclusive. Such open season shall apply to all of the area described in each locality except as otherwise provided in Wis. Adm. Code chapters NR 11 and NR 15. Except as otherwise expressly provided, no person shall take, catch, kill, hunt, pursue, shoot, or trap any wild animal or bird at any time other than the open season and the established hunting hours therefor, nor in the open season in excess of the daily bag limit designated for each species, nor have any such protected wild animal or bird in his possession or under his control in excess of the possession limit. Whenever open and closed seasons are defined by highways, the boundary shall be the center line of the highway except as otherwise provided.

Note: For a complete history of NR 10.01 see history of NR 10.01 as it appeared in Register, November, 1973, No. 215.

NR 10.02 Wild animals protected at all times. (1) There shall be no open season on Canada lynx, timber wolf, badger, moose, elk, marten, fisher, wolverine, flying squirrel, or white deer. White deer are only those deer which are monocolored white. Partially white deer are not included in the protected classification.

(2) There shall be no open season on prairie chicken, Canada spruce grouse (spruce hen), mourning doves, swans, cranes, bitterns, eagles, plovers, kingfishers, cormorants, great blue herons, sandpipers, and all species of hawks and owls except as provided in subsection (3) or on any other song birds or wild birds not specified in this chapter.

(3) (a) The conservation director may issue a special permit to any holder of a valid hunting license to take, possess and transport hawks and owls for personal use in the sport of falconry. Eagles may be possessed and used for falconry only if the federal permit for their possession was issued prior to October 1962. The permittee may use hawks, eagles and owls for falconry hunting during the open seasons for hunting with firearms or bow and arrow subject to the daily kill and possession limits, hunting hours, and other rules specified for such hunting. Such permit authorizes the permittee to capture alive and use the birds specified in the permit for falconry purposes only. Birds held under this permit shall not be sold or bartered. Birds held under this permit shall wear a metal or plastic band or tag clearly stating the owner's name and address.

(b) Applications for falconry permits shall be made on forms prepared and furnished by the conservation director and shall show such information as the conservation director shall deem reasonable to determine that the applicant is qualified to use birds for falconry.

(c) Falconry permits are not transferable and may be revoked at any time by the conservation director.

(d) The permit must be carried upon the person of the permittee when exercising any privileges thereunder.

(e) Annual reports shall be filed with the conservation director on or before January 31 of each year, on forms furnished by the director, and shall show such information deemed reasonable by the director to determine the use and current status of such permits.

(f) Trapping is subject to Wis. Adm. Code section NR 10.14 (1) which prohibits the use of pole traps. All traps used in capturing operations shall bear a label showing the name and address of the permittee and the number of the permit, or the trapping area must be adequately posted with signs bearing the name and address of the permittee and his permit number.

NR 10.06 Hunting hours. (1) All hunting hours, when specified in this chapter, mean Central Standard Time, and the daily opening (a.m.) and closing (p.m.) hours listed shall apply to the entire state.

(2) (a) General hunting hour zones are established as follows:

Zone

- A—all that part of the state lying east of 88°-00' longitude
- B—all that part of the state lying between 88°-00' and 89°-00' long.
- C—all that part of the state lying between 89°-00' and 90°-00' long.
- D—all that part of the state lying between 90°-00' and 91°-00' long.
- E—all that part of the state lying between 91°-00' and 92°-00' long.
- F—all that part of the state lying west of 92°-00' longitude.

(b) The hunting hours for small game in Zone A are listed in the following table in (e). Hunting hours in Zone B are established by adding 4 minutes to the a.m. and p.m. columns for Zone A for each day; for Zone C by adding 8 minutes to the a.m. and p.m. columns for Zone A; for Zone D by adding 12 minutes to the a.m. and p.m. columns for Zone A; for Zone E by adding 16 minutes to the a.m. and p.m. columns for Zone A; and for Zone F by adding 20 minutes to the a.m. and p.m. columns for Zone A.

(c) It shall be unlawful for any person to hunt or shoot any species of game except deer and bear on which an open season is established on any day during the open season before the time established by the a.m. column or after the time established by the p.m. column in any hunting hour zone, except as provided in Wis. Adm. Code section NR 10.25. There are no hunting hour restrictions for fox, raccoon and all wild animals for which no closed season is established.

(d) The opening time for waterfowl hunting shall be 30 minutes after the legal opening time for small game hunting as determined in (b) above. Rails, gallinule and jacksnipe are included in this subsection.

NR 10.20 Recording or deer and bear. (1) GUN SEASONS. (a) Each person who has killed a deer or bear during the open seasons for hunting such animals with guns shall exhibit such deer with his deer tag attached as required by section 29.40 (1), Wis. Stats., or such bear to an authorized registration station or an authorized conservation department employe within the area included within the open season zone or quota area in which such deer or bear was killed including cities or villages adjoining such areas and in which an official deer registration station is located, not later than 5:00 p.m. of the first day following the close of such season. Such deer or bear shall be wholly intact except that it may be field dressed. Upon approval of the registration officer, he shall attach a special tag and such tag shall remain attached to such deer or bear or part thereof until such carcass or part thereof is finally consumed. Such deer or bear or part thereof shall not be removed from the area included in the open season zone or quota area in which it was killed unless it has been so exhibited and tagged except that deer taken under a deer hunting party permit may be transported on federal and state highways directly to the nearest authorized registration station in an adjoining quota area.

(b) Any deer taken on any of the islands in the outlying waters of Lake Superior in Ashland and Bayfield counties shall be exhibited and tagged pursuant to subsection (1) (a) at the registration station in the city of Bayfield.

(d) Any person who has killed a bear in any area during the closed season for hunting deer with firearms in such areas shall exhibit and register such bear as provided in subsection (1) (a) except that such carcass shall be exhibited with 24 hours after taking or killing thereof.

(2) Recording of deer and bear taken during the bow and arrow only season. Each person who has killed a deer or bear during the open season for hunting such animals with bow and arrow only shall exhibit and register such deer or bear as provided in subsection (1), except that the carcass of such deer or bear shall be exhibited within the county or adjoining county where killed by 5:00 p.m. of the day after the taking or killing thereof.
