Ag 5.01 Premiums and exhibits. (1) PREMIUM LISTS. (a) Fairs requesting state aid for payment of net premiums shall submit to the department, prior to May 1 of the year in which the fair is to be held, a copy of the premium list to be used at the fair. The premium lists, including premiums to be paid in various classes authorized under these rules shall be submitted in strict conformity with uniform premium lists and other requirements as prescribed in these rules. Lists or any part of a list providing for premiums not in conformity with these rules may be stricken by the department and state aid thereon denied. The list shall indicate exact dates of the fair. Any changes in dates shall be promptly reported to the department.

(b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin when a copy is requested by them.

(c) Wis. Adm. Code sections Ag 5.01 and Ag 5.07 shall be published in their premium books to be used at a fair for which state aid is requested.

(2) ENTRY FEES. (a) Entry fees may be charged not in excess of 10% of the purse offered on any specific article. When no entry fee is charged, stall rents may be charged in the horse, cattle, sheep and swine departments. In the horse department the rental shall not exceed \$1.50 per single stall, and \$3 for box stalls; in the cattle department \$1 for single stalls, and \$2 per box stall; in swine and sheep departments \$2 per pen or 50 cents per animal. A standard pen is approximately 64 square feet. In the poultry, rabbit, and pet stock department the charge shall not exceed 25 cents per head, including feed and care.

(b) Exhibitors in the educational department shall not be required to purchase exhibitors' tickets. Other exhibitors may be required, when no entry fee is charged, to purchase an exhibitors' season ticket at a price not to exceed that charged for non-exhibitors' season tickets.

(c) Exhibitors shall not be required to become members of the fair society, or be required to make any donations or refunds.

(3) EXHIBITS AND EXHIBITORS. (a) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aids may not be approved for payment of premiums to

Wisconsin residents with out-of-state addresses unless the fair secretary provides the department with an affidavit that such exhibitors reside in Wisconsin.

(b) State aid may be paid only on articles or animals actually on display in exhibit buildings or actually shown in the show ring during the regular fair dates. State aid will not be paid on D.H.I.A. records, transportation aids, production contests, or the like, unless special approval is granted under Wis. Adm. Code section Ag 5.02 (8).

(c) State aid may not be paid on exhibits removed from the fairgrounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department or the local fair management. Authority for earlier removal may be granted by the department in the case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes shall be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time horses shall remain on the grounds for junior exhibitors.

(4) JUNIOR FAIRS. (a) In the junior fair department, state aid will be paid on prizes offered to exhibitors from 8 to 21 years of age in the following classes: club products, demonstration teams, judging teams, showmanship contests, and educational booths. State aid will not be paid on prizes for club parades, club floats, song contests, or any project which is not an exhibit or demonstration at the fair.

(b) All exhibitors in the junior fair department shall be members of 4-H, FFA, FHA, or any other recognized youth organization under adult leadership and with an education program approved by the local fair.

(c) Exhibits in the junior fair shall be a result of the exhibitor's own labor in the project or projects in which he or she is regularly enrolled.

(d) Premiums in the educational department shall be paid directly to the exhibitor making the exhibit and not to the school or teacher, except for group premiums offered to interschool competitive classes. A complete list of exhibitors and a complete set of judges' sheets for the education department, similar to those required in other departments, shall be filed with the department. No aid may be paid on education department premiums unless this is done. All educational exhibits shall be on display at the fair even though they are judged prior to the fair.

(e) In the junior fair department, no state aid will be allowed on more than one premium awarded an exhibitor under one premium or lot number.

(5) PREMIUMS. (a) The state aid authorized by section 93.23 (1), Wis. Stats., may be paid on net premiums only. Net premiums shall be construed to mean the total premiums paid less total entry fees received. State aid will be paid only on premiums actually paid by bank check or draft.

(b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition

rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by the local fair.

(c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition of the organization or for any other reason.

(d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open class individual livestock classes, and no more than one premium in other classes.

(e) To be eligible for state aid, no animal or article shall be entered for competition or more than one premium except as part of a herd group or special class.

(f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or on horse pulling contests.

(6) **DATES.** No state aid may be paid to fairs having split dates, unless prior written approval is granted by the department. Extreme hardship must be established by the fair organization before approval can be granted. A split date is one where exhibits or contests are judged, and premiums paid at more than one time or at more than one location during the current year. When split dates are approved, all blue ribbon winners shall be required to repeat their demonstration or exhibit at the regular fair on regular fair dates, unless exempted by the department in hardship cases. Split date approval shall not be required for dress revue and demonstration.

(2) Classes may be combined, but state aid shall be limited to maximum premiums listed for a single class of such animals, items, or articles.

(5) State aid for premiums awarded for horses in open classes shall be limited to horses which are owned by the exhibitor.

(8) Special educational exhibits in the junior fair division may be instituted with department approval.

(9) In the swine departments, mature boars may not be entered unless their tusks have been removed.
