**Med 7.01 Application.** A graduate of a foreign medical school unapproved by the council on medical education and hospitals of the American medical association and the corresponding body of the American osteopathic association may apply to the board for a temporary educational certificate. Such application shall be made through the hospital in which such training is to be taken, and shall be recommended by the administrator of this hospital. The board will have the power to evaluate and approve or disapprove of the training or education of each applicant.

**Med 7.02 Hospitals approved for training.** The holder of such a certificate will be allowed to take postgraduate training in a teaching hospital in Wisconsin, approved for resident training by the council on medical education and hospitals of the American medical association and/or the corresponding body of the American osteopathic association.

**Med 7.03 Provision for 2 renewals.** The certificate may be issued for a period of one year and may be renewed annually for a period not to exceed 2 additional years. The renewal must be recommended by the hospital administrator in charge of his teaching program.

**Med 7.04 Notification of change of address.** The holder of such a certificate must inform the board of any change of address within 30 days.

**Med 7.05 Issuance of certificates limited to 25 each year.** The number of certificates issued in any one year shall not exceed 25, and a total of 75 shall be the maximum outstanding at any one time.

**Med 7.06 Fee.** The fee for the initial application for certification shall be \$10 per annum, which amount shall also be paid for each renewal thereof.

**Med 7.07 Practice limitations.** The holder of such a certificate may perform those services incident to the training prescribed by the approved hospitals acting under the direction of a person licensed to practice medicine and surgery in this state. He has the right to prescribe all drugs other than narcotics and to sign reports, certificates, or other papers required for the use of public officials.

**Med 7.08 Training limitations.** No fee or remuneration of any kind shall be collected by the training hospital or holder of such certificates from any patients treated by him. The holder must confine his training and practice to the hospital or group of hospitals designated in his original application.

**Med 7.09 Regular licensure requirements not affected.** Nothing herein contained shall alter in any way the requirements for licensure as provided in chapter 147, Wis. Stats.

**Med 7.10 Revocation.** Violations of any of the above named regulations shall be cause for revocation of a temporary educational certificate.

**Med 7.11 Board interview required.** Every person qualifying for training under this section is required to appear before the board at the first meeting held after the commencement of his training.

**Med 7.12 Application.** Applicants for a temporary educational certificate shall submit an application on forms provided by the board, which shall be accompanied by a fee of \$10.00 and notarized photostatic copies of the following:

- (1) Medical diploma.
- (2) Visa, passport, or other document authorizing entrance into the United States.
