writing. For those municipalities that notify the department by December 31, the department shall annually compile a funding list which ranks those municipalities in the same order as they appear on the project priority list established under ch. NR 160, Wis. Adm. Code. If there are not sufficient funds available under this section to fund all grant requests that year, the department shall award available funds to projects in the order in which they appear on the funding list. The department may provide a notice entitled a "ready to allocate notice" to municipalities which appear on the funding list and which fulfill the requirements of sub. (2). The department may presume that a municipality which has not submitted complete plans and specifications for review by June 30, 1982, and each March 31 thereafter and a state grant application by July 31, 1982, and each April 30 thereafter will not be able to receive a "ready to allocate notice" prior to December 31 and receive funding under this paragraph.

(b) As of January 1 of each year, the list created under this section in the prior year expires.
