NR 10.01 Open and closed seasons. A closed season is established for each species of wild animal and bird named herein extending during all the time of each year except the open season period embraced within the specified dates both inclusive. Such open season shall apply to all of the area described in each locality except as otherwise provided in chs. NR 11 and 15. Except as otherwise expressly provided, no person shall take, catch, kill, hunt, pursue, shoot, or trap any wild animal or bird at any time other than the open season and the established hunting hours therefor, nor in the open season in excess of the daily bag limit designated for each species, nor have any such protected wild animal or bird in his possession or under his control in excess of the possession limit. Whenever open and closed seasons are defined by highways, the boundary shall be the center line of the highway except as otherwise provided.

(j) The following described area is established as the Horicon zone: All that part of the counties of Fond du Lac, Green Lake, Washington

and Dodge enclosed by a line beginning at the intersection of state highway 175 and state highway 23 in Fond du Lac county, then southerly on state highway 175 to its intersection with state highway 33, then westerly on state highway 33 to the city of Beaver Dam, then northerly on state highway 33 to its intersection with county highway A, then northerly on county highway A to its intersection with county highway S, then easterly on county highway S and continuing easterly on county highway AS to its intersection with county highway E, then northerly on county highway E to its intersection with state highway 23, then easterly on state highway 23 to the point of beginning.

(k) The following described area is established as the Central zone:

All that part of Fond du Lac, Winnebago, Green Lake, Marquette, Columbia and Dodge counties enclosed by a line beginning in Winnebago county at the intersection of state highway 21 and U.S. highway 45, then southerly on U.S. highway 45 to its intersection with state highway 175, then southerly on state highway 175 to its intersection with state highway 23, then westerly on state highway 23 to its intersection with county highway E, then southerly on county highway E to its intersection with county highway AS, then westerly on county highway AS and continuing westerly on county highway S to its intersection with county highway A, then southerly on county highway A to its intersection with state highway 33, then southeasterly on state highway 33 to its intersection with U.S. highway 151, then southwesterly on U.S. highway 151 to its intersection with state highway 73, then northerly on state highway 73 to its intersection with state highway 33, then westerly on state highway 33 to its intersection with state highway 22, then northerly on state highway 22 to its intersection with state highway 23, then northeasterly on state highway 23 to its intersection with state highway 49, then northerly on state highway 49 to its intersection with state highway 116, then easterly on state highway 116 to state highway 21, then easterly on state highway 21 to the point of beginning.

(l) *Horicon and Central zone restrictions.* 1. Canada goose permit and tag requirement. It is unlawful to hunt Canada geese without being in possession of a current Canada goose hunting permit, Canada goose tags and valid state hunting license. Permits and tags are valid only in the zone and time period of issue.

2. Permit application procedures. Application forms supplied by the department shall be completed and submitted by the applicant. Applications must be received by the department no later than September 10 of each year.

a. It shall be unlawful for any person to submit more than one application per year or an application containing false information.

b. In the Horicon zone, applicants may indicate preference for one of 2 time periods:

1) Beginning on the first day of the season established in par. (g) and continuing through October 31.

2) Beginning on November 1 and continuing through the last day of the season established in par. (g).

Note: See note following par. (f).

c. If 2 or more persons wish to hunt together, each must fill out an application form and submit them together in one envelope clearly

marked "group application" on the outside. A group application will be considered one application.

3. Permit and tag issuance procedures. a. Permits and tags are not transferable or replaceable and shall not be reused, altered or defaced.

b. If applications for permits received prior to September 10 exceed the number of permits available, successful applicants will be randomly selected and priority given to persons who applied for a permit but were unsuccessful the previous year pursuant to s. 29.174, Stats.

5. 1981 permits issued. a. Horicon zone—22,300. b. Central zone—19,200. c. MVP area—unlimited.

6. 'Tagging requirements.' When a Canada goose is killed, captured or taken in any lawful manner and before it is carried by hand or transported in any manner the hunter shall:

a. Completely attach and seal the paper tag, utilizing its own adhesive, to the neck of the goose.

b. Validate the permit by tearing or cutting out notches on the tag designating the month, day and time of kill. Failure to follow the validation procedure in this manner invalidates the permit.

c. No person may possess or transport a Canada goose unless it is tagged with a validated tag.

7. Transportation restrictions. The hunter shall:

a. Transport the goose in a motor vehicle in such a manner that the tag attached to the goose cannot be handled or manipulated by any occupant of the vehicle.

b. Keep the tag attached to the goose until it reaches the personal abode of the person taking it.

8. Reporting requirements. Permit holders may be required to provide the department a goose hunting report. Such report forms will be mailed only to certain hunters. The selected hunter shall be required to complete the report and mail such report within 24 hours of receipt.

(m) The following described area is established as the Burnett county zone:

3. Tagging and permits. a. No person shall trap or attempt to trap any otter unless having first applied for and received, from the department, a special otter trapping permit and tag (s).

b. Applications for otter permits and tags must be received by the department no later than the third Friday in October each year.

c. Such permit shall be attached to each person's trapping license before trapping any otter.

d. Each permit shall be numbered to correspond to the applicant's current trapping license and show the applicant's name and otter tag number (s).

4. Tagging procedure. a. Each person shall immediately upon possessing an otter, affix a valid tag, issued by the department, through the opening of the mouth to the opening of the eye, immediately beneath the skin.

b. No person shall have an otter pelt in possession or under control unless the person trapping such otter attaches such tag as required by this chapter.

c. Such tag shall remain attached to the pelt until removed by a fur dresser or taxidermist at time of preparation.

(e) *Registration of beaver and otter pelts.* 1. Exhibition required. Each person who has trapped a beaver or otter during the established open season for such animals shall exhibit each pelt to an authorized representative of the department in the county in which such animal was trapped, or in the adjoining county, but within the area included within the open season in which such animal was trapped, not later than 5 days after the close of said season.

2. Registration. The department representative shall inspect the pelt and attach and lock a registration tag to all lawfully taken and possessed animals.

3. Possession and transfer restrictions. a. It shall be unlawful for any person to possess raw pelts from such animals beginning 6 days after the close of the season to the opening date of the following seasons without a registration tag attached and locked.

b. No person shall transfer, give, trade, sell or purchase any such pelts without a registration tag being attached and locked to the head of each pelt.
