

Chapter TR 13

INTEREST

TR 13.01 Crediting of interest on additional deposits

TR 13.02 Crediting of interest on current year's deposits

TR 13.01 Crediting of interest on additional deposits. Interest will be credited upon additional deposits in exactly the same manner as interest is credited to required deposits. Additional deposits received any time after July 1 will receive no interest during the fiscal year in which they are received.

TR 13.02 Crediting of interest on current year's deposits. Chapter 157, Laws of 1953, s. 42.475, Stats., is construed to mean that interest is not creditable on current year's required deposits, but interest is creditable on the preceding June 30 balance.
