SEC 2.03 Exemption proceedings

SEC 2.01 Exempt securities. (1) (a) Any revenue obligation payable from payments to be made in respect of property or money used under a lease, sale or loan arrangement by or for a nongovernmental industrial or commercial enterprise, is exempted under s. 551.22 (1), Stats., if:

1. The enterprise is a public utility described under s. 551.22 (6), Stats., having securities registered under section 12 of the securities exchange act of 1934, or is a wholly-owned subsidiary of one or more of such utilities.

2. Any securities of the enterprise, or any securities of an unconditional guarantor of all payments under the lease, sale or loan arrangement, are exempt under s. SEC 2.01 (7), or

3. A notice of the proposed offering is filed with the commissioner prior to the offering, including a trust indenture meeting the requirements of s. SEC 3.24, an official statement or a prospectus meeting the requirements of s. SEC 3.23 that contains financial statements for the enterprise meeting the requirements of s. SEC 3.22 (1) (p), and such additional information as the commissioner may require, and the commissioner does not by order deny the exemption within 20 days of the date the notice is filed. The financial statement requirement in this subdivision is not applicable if the revenue obligations being offered are the subject of an irrevocable letter of credit from a bank in favor of holders of the revenue obligations providing for payment of principal and interest on the revenue obligations, and the letter of credit is accompanied by an opinion of counsel stating that: a.i. payment of debt service will not constitute a preference under the U.S. bankruptcy code in the event of a filing of a petition in bankruptcy with respect to the enterprise, or ii. the letter of credit will provide for reimbursement to holders of the revenue obligations in the event they are required by order of a U.S. bankruptcy court to disgorge as a preference any payment of a debt service, or a combination of i. and ii.; and stating that b. the enforceability of the letter of credit would not be materially affected by the filing of a petition under the U.S. bankruptcy code with respect to the enterprise or any person obligated to reimburse the bank for payments made pursuant to the letter of credit.

(b) Any guarantee of any security exempt under s. 551.22 (1), Stats., is exempted from s. 551.21, Stats.

(c) For purposes of the registration exemption provision of s. 551.22 (1), Stats., requiring the financial statements of certain issuers to be prepared according to generally accepted accounting principles or guidelines which the commissioner of securities designates by rule, a security is exempted from registration thereunder if:

(c), shall be conclusively determined by the last available auditor's opinion relating to the issuer's financial statements for a fiscal year ending not more than 21 months prior to the offering. The auditor's opinion may be conclusively relied upon by third parties for purposes of such determination. The opinion shall meet the requirements of rule 2.02 of regulation S-X of the U.S. securities and exchange commission in 17 CFR §210.2-02 and provide that:

1. With respect to par. (c) 1, the financial statements are prepared in accordance with generally accepted accounting principles, or equivalent language;

(3) (a) Any evidence of debt issued by a domestic non-profit corporation to persons other than its members is exempted under s. 551.22 (8), Stats., if the issuer or a licensed broker-dealer files a notice of the proposed issuance with the commissioner prior to the offering, including: a trust indenture meeting the requirements of s. SEC 3.24, under which the evidence of debt is proposed to be issued; a prospectus describing the issuer, the trust indenture and the evidence of debt proposed to be issued, which shall be given or sent to each person to whom an offer of such evidence of debt is made at the time or times specified in s. 1. The issuer's net earnings for its last fiscal year prior to the offering shall have been at least equal to the interest requirements on its debt securities for that year;

2. The debt securities being offered shall be of a fixed-term nature with maturities varying from not less than 90 days to not more than two years from the date of issue;

4. Each purchaser of debt securities shall be required to represent in a subscription agreement for purchase or renewal of the debt securities that the dollar amount of the purchase does not exceed 25% of his or her liquid net worth, excluding equity in his or her house or personal property;

5. An Information Summary containing at least the following information shall be provided by the issuer to each offeree at the time of the offering:

a. Disclosure of the specific purposes for use of the funds raised from the sale of the debt securities;

b. A statement that the decision of an offeree whether or not to purchase or to agree to any renewal will not have any effect upon that offeree's advancement opportunities, raises or other benefits, nor will impact on the offeree's continued employment or job duties;

c. A representation that the issuer is not contemplating, and is not the subject of, any proposed merger, sale of assets or control of the issuer, receivership or bankruptcy, that it does not have current financial obligations that it is unable to meet, and that it has not been refused credit by any lending institution for the purposes for which the proceeds from sale or renewal of the debt securities will be used; and

d. Financial statements for the issuer's three previous fiscal years, or the duration of the issuer's existence, whichever is less, that shall be either audited or, if unaudited, accompanied by the issuer's federal income tax return with supporting schedules for the corresponding years;

6. Offerees shall be provided with a five-day period following their receipt of any offering materials, information or subscription agreement for purchase of the issuer's securities, before the subscription agreement can be returned to or accepted by the issuer; and
