**HSS 85.01 Purpose and authority.** This chapter establishes criteria by which the department determines that an applicant non-profit corporation is a suitable agency qualified to serve as guardian of the person or the property, or of both person and property, of an adult found by a court to be mentally incompetent and therefore in need of a guardian. This chapter is promulgated pursuant to ss. 55.02 and 880.35, Stats., which direct the department to make rules for this purpose.

History: Cr. Register, May, 1983, No. 329, eff. 6-1-83.

**HSS 85.02 Definitions.** As used in this chapter:

(1) "Class A corporation" means a non-profit corporation which is authorized by the department to assume full or limited permanent guardianship for no more than 20 persons at one time.

(2) "Class B corporation" means a nonprofit corporation which is authorized by the department to assume full or limited permanent guardianship for no more than 2 persons at one time.

(3) "Guardian" means a nonprofit corporation appointed by a court to advocate for an adult who is incompetent and who is further charged with the responsibility and authorized to make decisions regarding either the care, custody and control of the person of the incompetent or for management of the incompetent's estate, or both.

(4) "Incompetent" means a person determined by a court to be substantially incapable of managing his or her property or caring for self by reason of infirmities of aging, a developmental disability or a similar incapacity. A physical disability without mental incapacity is not sufficient to establish incompetence.

(5) "Limited permanent guardianship" has the meaning prescribed in ss. 880.33 (3) and 880.37, Stats.

(6) "Nonprofit corporation" has the meaning prescribed in s. 181.02 (4), Stats., namely, a corporation, no part of the income of which is distributed to its members, directors or officers, and includes a religious society organized under ch. 187, Stats., and a fraternal society organized under ch. 188, Stats.

(7) "Standby guardianship" has the meaning prescribed in s. 880.36, Stats.

(8) "Temporary guardianship" has the meaning prescribed in s. 880.15, Stats.

(9) "Ward" means an incompetent adult for whom a court has appointed a guardian.

History: Cr. Register, May, 1983, No. 329, eff. 6-1-83.

HSS 85.03 **Criteria for suitability.** Criteria by which the department finds a non-profit corporation suitable to serve as guardian of persons found by a court to be incompetent are the following:

(1) The proposed guardian shall be organized as a private non-profit corporation under chs. 181, 187, or 188, Stats.

(2) The proposed guardian corporation shall provide evidence that it is reasonable to believe that it will continue in existence indefinitely.

(3) When serving as guardian, a corporation shall not be a provider of protective services or protective placement for its ward, pursuant to s. 55.03, Stats. Conversely, a corporation providing protective services or protective placement for a person shall not be appointed guardian of that person.

(4) No corporation may accept guardianships from a court in a county in which a member of the corporation's board of directors or any professional full-time employe of the corporation is a member or employe of the community board organized under ss. 46.23, 51.42 or 51.437, Stats., or a member of the county welfare board or employe of the county social service or welfare department.

(5) A waiver of the upper limit on guardianships for a class A corporation shall be considered by the department where special circumstances are shown to exist. Temporary and standby guardianships shall be in addition to the number of permanent guardianships permitted for both class A and class B corporations.

(6) The proposed Class A guardian corporation shall at all times have at least one full-time staff member who is qualified either by training or by experience to work with and help persons with the disability or disabilities of the ward or wards to be served, including knowledge of service needs and resources for meeting service needs.

(7) A person employed by or otherwise associated with the non-profit corporation shall be designated the agent of the corporation to administer the guardianship. Any change in the internal assignment of responsibility shall be communicated to the department, the local planning agency or interagency mechanism designated under s. 55.02, Stats., the ward and the court within 14 days following its effective date.

(8) The corporation serving as guardian shall have sufficient staff assigned to its guardianship program to enable each staff member to adequately carry out the responsibilities of a guardian.

(9) The corporation serving as guardian shall be immediately accessible by phone during normal working hours to the local planning agency or interagency mechanism designated under s. 55.02, Stats., and the person responsible on behalf of the corporation for administering the guardianship shall be readily accessible in person or by phone to the ward and to other persons concerned about the ward's well-being.

(10) A corporation serving as guardian shall agree in writing to submit such reports and answer such questions as the department shall require in monitoring corporate guardianships.

(12) A corporation serving as guardian shall have periodic personal contact with the ward, at least once every 3 months, to ascertain the status of the ward, take necessary action to see that the ward receives needed services and to assure that the ward is well treated, properly cared for, and is provided with the opportunity to exercise legal rights. Personal contact with a ward protectively placed under s. 55.06, Stats., shall be onsite personal contact.

(13) A corporation serving as guardian of the person of a ward shall make an annual report on the condition of the ward to the court which ordered the guardianship and to the county agency designated under s. 55.02, Stats., as required by s. 880.38 (3), Stats.
