Note: Subsection (21) does not remove the requirement of ss. 29, 224 and 350.06, Stats., to enclose bows or crossbows in carrying cases. The rule does not apply to bows or crossbows only because the natural resources board recognizes that certain designed bow cases may allow portions of the bow, for instance the handle, to be exposed and yet still render the bow inoperable.

(23) "Bearded turkey" means a turkey with a bristle-like appendage protruding from the upper part of the breast.

3. If a maximum of 2 persons wish to hunt together, each must complete an application form for individual permits and submit them together in a single envelope clearly marked "group application". Such group application shall be treated as one application for purposes of random selection or consideration for a permit. Preference may be requested by group applicants provided both individuals are eligible under par. (b).

(d) *Random selection.* If the number of applications for permits exceed the available number of permits as determined under this section, successful applicants shall be determined by random selection.

(e) *Permit and tag restrictions.* 1. Permit and carcass tags issued under this section are only valid for the zone and time period indicated on the permit.

2. Permits or carcass tags issued under this section may not be transferred to or used by any person other than the permittee.

(2) TAGGING PROCEDURE. (a) *Carcass tag use.* When a wild turkey is killed and before it is carried by hand or transported in any manner, the hunter shall:

2. Completely attach and seal the carcass tag, utilizing its own adhesive, around the leg of the turkey.

(b) *Transportation and possession.* No person may possess or transport a wild turkey unless the person has lawfully killed and tagged it.

(3) REGISTRATION. A person who possesses a wild turkey shall exhibit and register the bird at a department registration station no later than 1:30 p.m. on the day killed. The department shall affix a registration tag to lawfully taken wild turkeys and the tag shall be kept until the turkey meat is consumed.

(4) RESTRICTIONS. No person may hunt wild turkeys:

- (a) By any means other than a shotgun or muzzle-loading shotgun fired from the shoulder or a bow and arrow.
- (b) With the aid of recorded bird calls or sounds or electrically amplified imitations of bird calls or sounds.
