Note: Migratory bird rules, including seasons, limits, hours and areas where authorized, are established by emergency rule procedure in September of each year. The emergency rules will be published in their entirety in the official state newspaper and published in summary form in the current year migratory bird regulation pamphlet. Copies of the emergency rules may be obtained by contacting: State of Wisconsin Department of Natural Resources, Bureau of Wildlife Management, P.O. Box 7921, Madison, Wisconsin 53707.

(h) The daily bag limit on Canada geese statewide is not more than that permitted in any one zone within the state and no person may possess or transport more than the daily bag limit or aggregate daily limit, whichever applies, or migratory game birds, tagged or not tagged, at or between the place where taken and either the person's personal abode or temporary or transient place of lodging; or a commercial preservation facility.

(i) The following described area is established as the Horicon Intensive Management Zone:

All that part of the counties of Dodge and Fond du Lac enclosed by a line beginning at the junction of state highway 26, with the east-west center line of sections 9, 10, 11 and 12 in township 12 north, range 15 east, thence eastward along said center line and continuing eastward along the east-west center of sections 7, 8, 9 and 10 in township 12 north, range 16 east to its junction with county highway TW, thence north and east on said highway TW to its junction with county highway Y, thence northerly on said highway Y to its junction with county highway YY, thence northerly on said highway YY to its junction with county highway Y, thence northerly on said highway Y to its junction with county highway B, thence southwesterly on said highway B to its junction with county highway D, thence westerly on said highway D to its junction with highway AS, thence westerly on said highway AS to its junction with U.S. highway 151, thence southwesterly on said highway 151 to its junction with the C.M.St.P. and Pacific railroad, thence southerly along said C.M.St.P. & Pacific railroad to its junction with state highway 26, thence north on said highway 26 to its junction with the east-west center-line of sections 9, 10, 11 and 12 in township 12 north, range 15 east, which is the point of beginning.

(j) The following described area is established as the Horicon zone: All that part of the counties of Fond du Lac, Green Lake, Washington and Dodge enclosed by a line beginning at the intersection of state highway 45 and state highway 23 in Fond du Lac county, then south on state highway 45 to its intersection with state highway 33, then west on state highway 33 to the city of Beaver Dam, then north on state highway 33 to its intersection with county highway A, then north on county highway A to its intersection with county highway S, then east on county highway S and continuing east on county highway AS to its intersection with county highway E, then north on county highway E to its intersection with state highway 23, then east on state highway 23 to the point of beginning.

(k) The following described area is established as the Central zone:

All of Fond du Lac, Winnebago, Green Lake, Marquette, Columbia and Dodge counties except for the Horicon zone as described in par. (j) and the waters of Lake Poygan in Waushara county and Lake Winnebago in Fond du Lac and Winnebago counties.

(1) *Horicon and Central zone restrictions.* 1. Canada goose permit and tag requirement. It is unlawful to hunt Canada geese without being in possession of a current Canada goose hunting permit, Canada goose tags and valid state hunting license. Permits and tags are valid only in the zone and time period of issue.

2. Permit application procedures. Application forms supplied by the department shall be completed and submitted by the applicant. Applications shall be postmarked no later than September 15 of each year.

a. It shall be unlawful for any person to submit more than one application per year or an application containing false information.

b. In the Horicon and Central zones, applicants may indicate preference for the following seasons as established in par. (g):

1) Horicon zone Oct. 5-Oct. 20; or

2) Horicon zone Oct. 21-Nov. 6; or

3) Central zone Oct. 5-Nov. 6; or

4) Combined Horicon and Central zones Dec. 7-13.

c. If 2 or more persons wish to hunt together, each must fill out an application form and submit them together in one envelope clearly marked "group application" on the outside. A group application will be considered one application.

3. Permit and tag issuance procedures. a. Permits and tags are not transferable or replaceable and shall not be reused, altered or defaced.

b. If applications for permits postmarked no later than September 15 exceed the number of permits available, successful applicants will be randomly selected and priority given to persons who applied for a permit but were unsuccessful the previous year under s. 29.174, Stats.

5. Permit quota. The department shall issue the following numbers of Canada goose permits for the 1985 hunting season:

a. Horicon zone—13,750.

b. Central zone—11,750.

c. Combined Horicon and Central zones—1,600.

6. Tagging requirements. When a Canada goose is killed, captured or taken in any lawful manner and before it is carried by hand or transported in any manner the hunter shall:

a. Completely attach and seal the paper tag, utilizing its own adhesive, to the neck of the goose.

b. Validate the permit by tearing or cutting out notches on the tag designating the month, day and time of kill. Failure to follow the validation procedure in this manner invalidates the permit.

c. No person may possess or transport a Canada goose unless it is tagged with a validated tag.

7. Transportation restrictions. The hunter shall:

a. Transport the goose in a motor vehicle in such a manner that the tag attached to the goose cannot be handled or manipulated by any occupant of the vehicle.

b. Keep the tag attached to the goose until it reaches the personal abode of the person taking it.

8. Reporting requirements. Permit holders may be required to provide the department a goose hunting report. Such report forms will be mailed only to certain hunters. The selected hunter shall be required to complete the report and mail such report within 24 hours of receipt.

(m) The following described area is established as the Burnett county zone:

All that part of Burnett county lying northerly and westerly of a line beginning at the junction with state highway 70 with the west boundary of said county, thence easterly along said highway to its junction with county highway N, thence northerly along said highway to its junction with county highway D, thence northerly along said highway and continuing northerly along a town road to the south line of section 16, township 39 north, range 17 west, town of Lincoln, thence westerly along a town road to the southwest corner of said section, thence northerly along a town road on the west line of said section and continuing northerly along the west line of section 9, township 39 north, range 17 west to the west bank of the Clam river, thence westerly along the west bank of said river to its intersection with the west boundary of said county.

(n) The following described area is established as the Brown county zone: The Brown county portion of Green Bay waters lying east of the ship channel and all that part of Brown county lying south and east of a line formed by state highway 29 in western Brown county and the center line of the Fox river.

(o) The following described area is established as the New Auburn zone: All those parts of Chippewa, Barron and Rusk counties enclosed by a line beginning at the intersection of state highway 40 and state highway 64 in Chippewa county, thence westerly on said highway 64 to its intersection with U.S. highway 53, thence northerly on said highway 53 to its intersection with county highway D in Barron county, thence easterly on said highway D to its intersection with state highway 40 in Rusk county, thence southerly on said highway 40 to the point of beginning.

(p) The following described area is established as the Rock Prairie zone: All those part of Rock and Walworth counties enclosed by a line beginning at the intersection of interstate 90 and the Illinois state line in Rock county, thence northerly on said interstate 90 to its intersection with county highway A, thence easterly on said highway A to the intersection with U.S. highway 12, thence southerly on said highway 12 to its intersection with state highway 50, thence southwesterly on said highway 50 to its intersection with state highway 120, thence southerly on said highway 120 to its intersection with the Illinois state line, thence westerly to the point of beginning.

(q) The following described area is established as the MVP (Mississippi valley population) goose management area: Adams, Calumet, Dane, Jefferson, Juneau, Manitowoc, Rock, Sauk, Sheboygan, Walworth, Washington, except that portion described in par. (j), Waukesha, Waushara, and Wood counties and the waters of Lake Winnebago in Fond du Lac and Winnebago counties.

(r) MVP goose management area restrictions. 1. Canada goose permit requirement. It is unlawful to hunt or possess Canada geese without being in possession of a Canada goose hunting permit and valid state hunting license.

2. Permit application procedures. The application portion of the form supplied by the department shall be completed and submitted to the department by the

applicant prior to hunting Canada geese. The self-completed permit portion of the application shall be retained by the applicant.

3. Permit procedures. The self-completed permit is not transferable and may not be altered or defaced.

4. Reporting requirements. Permit holders may be required to provide to the department a goose hunting report. Such report forms will be mailed only to selected hunters. The selected hunter shall be required to complete and mail the report within 24 hours of receipt.

(s) The following described area is established as the Mississippi river zone: All that part of the state lying west of the Burlington Northern railway and extending southerly from Prescott in Pierce county to the state line.

(t) The following described area is established as the Theresa zone: All that part of Dodge, Fond du Lac and Washington counties enclosed by a line beginning at the intersection of U.S. highway 45 and state highway 67, then south on U.S. highway 45 to its intersection with state highway 33, then west on state highway 33 to its intersection with state highway 175, then north on state highway 175 to its intersection with state highway 67, then west on state highway 67 to its intersection with county highway AY, then north on county highway AY and continuing north on county highway Y to its intersection with county highway H, then east on county highway H and continuing east on state highway 67 to the point of beginning.

(tm) Theresa goose management zone restrictions. 1. Canada goose permit and tag requirement. No person may hunt or possess Canada geese without possessing a Canada goose hunting permit, Canada goose carcass tags and valid state hunting license. Permits and tags are valid only in the zone of issue.

2. Permit application procedures. Application forms supplied by the department shall be completed in person by each applicant at the department station located adjoining the village of Theresa Station. Department station hours are 9:00 A.M.-4:00 P.M., October 8-12 and 5:30 A.M.-3:00 P.M. October 13 through season close. Persons receiving a Horicon or Central zone permit are not eligible for a Theresa zone permit.

3. Permit issuance procedures. All eligible applicants shall receive a Theresa zone hunting permit and one carcass tag through October 13. Additional carcass tags may be obtained from the department station located adjoining the village of Theresa station October 14 through November 17 provided the harvest quota has not been reached. Permits and tags are not transferable or replaceable and may not be reused, altered or defaced.

4. Tagging, transportation and reporting requirements. As established by par. (k)6. through 8.

5. Registration requirements. Each Canada goose killed in the Theresa zone shall be registered at the department station adjoining Theresa Station no later than 3:00 p.m. of the day killed.

(u) *Falconry special season*. Any person possessing a valid falconry permit and hunting license shall be restricted to the following migratory game bird seasons:
