

(e) In temporary lockup (TLU) under ch. HSS 303 and was earning extra good time credit in his or her prior status; or in TLU immediately after being in program adjustment, or control segregation under ch. HSS 303, and he or she was earning extra good time credit in the prior non-segregation status. If the inmate's status in TLU is a result of a disciplinary charge, he or she may earn extra good time credit until the time of the disposition of the charge. If found innocent, the inmate may continue to earn extra good time credit. If found guilty, the inmate shall not thereafter be eligible to earn extra good time credit until he or she leaves segregation;

(f) Participating in a correspondence course approved for study assignment by the PRC;

(g) Out of the institution for a court appearance or dental or medical appointment and he or she was earning extra good time credit in the status immediately prior to leaving the institution for such matters;

(h) In sick cell status and he or she was earning extra good time credit in the status immediately prior to this status; or

(i) In a hospital placement (including those inmates transferred to mental health or medical facilities) and was earning extra good time credit in the status immediately prior to this status.

(3) CONDITIONS UNDER WHICH EXTRA GOOD TIME CREDIT SHALL NOT BE EARNED. An inmate shall not earn extra good time credit if the conditions under sub. (1) are not satisfied or if he or she:

(a) Is voluntarily unassigned;

(b) Is involuntarily unassigned for reasons other than those stated under sub. (1) (b), for instance, to simply avoid work or study;

(c) Is in adjustment segregation;

(d) Is in program segregation;

(e) Is in control segregation;

(f) Refuses to accept a work or study assignment offered by the PRC;
or

(g) Is in voluntary confinement—unless the inmate requested placement in this status upon the recommendation of, or with approval of the security director for the purpose of ensuring the inmate's safety and the inmate was earning extra good time prior to such placement.

(4) CRITERIA FOR AWARDING EXTRA GOOD TIME CREDIT. The division shall establish reasonably uniform written criteria that shall be used for the awarding of extra good time credit for all vocational, job, school, and program assignments with similar necessary skills and responsibilities within all adult correctional facilities.

(a) To the extent that is necessary because of the unique requirements of a vocational, job, school or programming assignment each supervisor shall establish additional reasonable criteria consistent with the necessary skills and responsibilities of that assignment that shall be used to evaluate an inmate's diligence in that assignment for the purpose of awarding extra good time credit.

(b) The criteria under sub. (3) or (4) shall be the only criteria used in the determination of whether to award credit and shall state what is meant by "the general average in diligence in labor or study" for that assignment.

(c) If an inmate is not capable of performing in his or her assignment at the level of "the general average in diligence," for instance, because of poor dexterity skills or mental, developmental, or physical disabilities that have been confirmed through clinical testing, the supervisor shall develop new reasonable criteria for evaluation consistent with the skills and responsibilities of that assignment and the special disabilities of the inmate, if the inmate, his or her social worker, and supervisor agree that a change of assignment is unnecessary or undesirable.

(d) The criteria for evaluating inmate diligence in performance for each assignment and any special criteria developed pursuant to par. (c) shall be available to inmates prior to commencement of the assignment and to the staff upon request.

(5) PERFORMANCE EVALUATIONS. (a) Each supervisor shall make a written evaluation of the inmate's performance under the following circumstances;

1. When it is required under s. HSS 309.55;
2. If the supervisor does not recommend extra good time credit for an inmate for a particular month based on the inmate's performance; or
3. The inmate's social worker requests a written performance evaluation.

(b) The written evaluation under par. (a) shall indicate whether or not extra good time credit is recommended for an inmate. If extra good time is not recommended for a particular month, the reasons for this decision shall be noted on the evaluation.

(c) If extra good time credit is not recommended for an inmate for a particular month, he or she shall receive written notice of the decision from the supervisor, including the reasons for it, within 5 working days of the decision.

(d) An inmate may appeal a decision under sub. (4) to his or her supervisor within 5 days of receipt of notice. The supervisor shall have the authority to amend his or her earlier decision in favor of the inmate within 5 working days of the appeal. If amended, the registrar and the inmate shall receive written notification of the change and the reasons for it. Failure by the supervisor to render a decision within the allowed time shall signify an affirmation of the earlier decision, and the inmate shall be notified of this.

(e) If the supervisor fails to amend his or her earlier decision within the time allowed, the inmate may appeal to the superintendent within 5 working days after that time. If the superintendent fails to render a decision within 5 working days after the appeal, the decision of the supervisor under sub. (10) is affirmed, and the inmate shall be notified of this.

(f) Any question regarding an inmate's eligibility for credit under sub. (1) or (2) shall be referred to the superintendent for resolution.

(6) SCHEDULE OF GOOD TIME CREDIT. An inmate shall earn extra good time credit as follows:

Extra good time credit earned for a calendar month (in days)	Cumulative number of days in a calendar month in a status eligible for credit	Cumulative number of days in a calendar month in a status not entitling inmate to credit
0	0	30
1	6	24
2	12	18
3	18	12
4	24	6
5	30	0

(a) If an inmate is entitled to extra good time for any fraction of a calendar day, that whole day shall be credited.

(b) An inmate shall earn fractions of one day of extra good time for each day in a status entitling the inmate to credit.

HSS 302.32 Special action release program (1) DEFINITIONS. In this section:

(a) "Agent of record" or "agent" means the employe of the department's bureau of community corrections to whom an inmate is assigned before release under this section.

(b) "Assaultive conduct" means an action inside or outside a correctional institution that results in or is intended to result in physical harm to another. Inside a correctional institution, assaultive conduct may be evidenced by violations of the department's disciplinary rules under ch. HSS 303, which demonstrate physical harm to another or an intention to physically harm another.

(c) "Department" means the Wisconsin department of health and social services.

(d) "Detainer" means a writ or instrument issued or made by a competent officer, directing the keeper of a prison to notify the issuing authority when the named person is about to be released so that the issuing authority may obtain custody of the named person if appropriate.

(e) "Discretionary parole" means release of an inmate from the institution on recommendation of the parole board under s. HSS 30.06.

(f) "Mandatory release" means release of an inmate from the institution to supervision as required by s. 53.11, Stats., if not granted discretionary parole or special action release earlier.

(j) "SAR coordinator" means the employe of the department who assembles all documents on an inmate relevant to SAR consideration and submits them to the secretary.

(k) "Social worker" means the institution social worker to whom an inmate is assigned.

(2) PURPOSE. The special action release program is intended to relieve crowding in state prisons by releasing select prisoners to parole supervision using a procedure other than mandatory release or a discretionary parole recommended by the parole board. The program intends to maintain the highest possible levels of public safety commensurate with good correctional practice by basing release determinations on individual differences among inmates, their offenses, their institutional records, and their abilities to comply with the rules of parole and to maintain themselves in open society without engaging in criminal activity.

(3) ELIGIBILITY FOR SPECIAL ACTION RELEASE CONSIDERATION. (a) To be eligible for special action release consideration, an inmate:

1. Shall be parole-eligible under s. 57.06, Stats., and s. HSS 30.04;
2. Shall have served a minimum of 6 months in the Wisconsin state prison system;
3. May not have been granted a special action release previously, if the inmate is currently serving time on a new criminal conviction;
4. May never have had a felony or misdemeanor conviction for an assaultive crime;
5. May not have a known history of assaultive conduct inside or outside of a correctional institution, except that an inmate who has a known history of assaultive conduct that did not result in a conviction may be considered for special action release if one of the following applies:
 - a. The conduct occurred more than 5 years prior to SAR review by the social worker under sub. (4) (a) 1;
 - b. The inmate acted in self-defense or defense of property;
 - c. The inmate is to be released to a structured living arrangement such as a halfway house;
 - d. The inmate's conduct was an isolated incident not likely to be repeated; or
 - e. The inmate's age or physical condition makes repeat of the assaultive conduct unlikely;

6. Shall agree to intensive supervision and any other special conditions the secretary under sub. (7) (a) and (c) or the parole agent under sub. (7) (b) and (c) may impose;

7. Shall have a parole plan, investigated by the agent of record; and

8. If he or she is to be supervised in another state, shall be accepted for supervision by that other state.

(b) No special action release may be granted more than 12 months prior to the inmate's mandatory release date.

(c) An inmate in an affected correctional institution may be eligible for SAR consideration without meeting the criteria under pars. (a) 3, 4, 5 and (b) if:

1. The department is subject to a court order or consent decree entered on or prior to August 24, 1988, which imposes a maximum population capacity for or otherwise requires inmate releases from a correctional institution;

2. The inmate is not currently serving time on a felony or misdemeanor conviction for an assaultive crime;

3. The institution social worker or agent of record has reason to believe the inmate will be able to maintain himself or herself in society without engaging in assaultive activity; and

4. The inmate is not granted a special action release more than 24 months prior to the inmate's mandatory release date.

(d) An inmate who has an active detainer is eligible for SAR consideration without meeting the criteria under par. (a) if the detainer concerns a sentence imposed in another jurisdiction and the remainder of that sentence is equal to or longer than the remainder of the Wisconsin sentence. In this paragraph, "active" means that the jurisdiction issuing the detainer intends to obtain custody of the inmate immediately upon release.

(e) An inmate may waive eligibility for SAR consideration at any time by notifying the institution social worker, except that an inmate who has an active detainer may not waive eligibility for SAR consideration. To reestablish eligibility following a waiver, the inmate shall notify the institution social worker that the inmate no longer waives eligibility for SAR consideration.

(4) PROCEDURE FOR APPROVAL FOR SAR CONSIDERATION. (a) *Social worker responsibilities*. 1. Social workers shall review inmate files assigned to them to identify inmates who may be eligible for SAR consideration. The social worker may contact the agent of record to obtain further information concerning an inmate's eligibility.

2. If an inmate appears to be eligible for SAR consideration, the social worker in consultation with the inmate shall develop a parole plan which considers the inmate's institutional conduct, the inmate's resources and plans for the inmate's residence and job placement upon release.

3. The social worker shall send a copy of the parole plan to the agent of record, the SAR coordinator and the social worker's supervisor.

4. The department shall notify in writing the office of the district attorney which prosecuted the inmate, the court which sentenced the inmate

and the victim of the crime committed by the inmate, if the victim submits a card under s. 57.06 (1) (f), Stats., that the inmate is being considered for SAR. The notice shall advise the district attorney, court and the victim that they are permitted to submit written comments regarding the proposed release, which will be placed in the special action release record developed by the SAR coordinator under par. (c) 1 for the secretary. The notice shall be mailed at least 21 days before the secretary under sub. (5) makes a decision concerning the release of the inmate.

(b) *Agent responsibilities.* 1. Upon receipt of the parole plan from the social worker, the agent shall carry out an investigation to determine if the plan is appropriate and shall include in that investigation assessments of the inmate's proposed residence, employment and community treatment plans.

2. If the plan is not appropriate, the agent shall suggest alternatives to the inmate and social worker and attempt to develop an acceptable plan in consultation with the inmate and social worker.

3. The agent shall write a report which shall include the results of the investigation under subds. 1 and 2. The report shall address probable reaction to the inmate in the community where the inmate proposes to reside and shall contain other relevant information that is not available to the institution.

4. The agent shall send a copy of the report under subd. 3 to the SAR coordinator.

(c) *SAR coordinator responsibilities.* 1. The SAR coordinator shall assemble all relevant documents on an inmate, including the inmate's parole plan, the agent's report, any comments received from the district attorney's office, judge or victim, a summary of the inmate's arrests and convictions, reasons why the parole board denied parole, if applicable, and any other relevant information requested by the secretary.

2. The SAR coordinator shall submit the relevant information to the secretary for consideration.

(5) **DECISION.** (a) After reviewing the information about the inmate submitted by the SAR coordinator, the secretary shall decide whether to grant or deny an SAR. The secretary may consider the following factors in deciding whether to grant or deny an SAR:

1. Parole eligibility;

2. The inmate's criminal record, the nature of the offense of which the inmate was convicted and any known history of assaultive conduct outside a correctional institution;

3. Institutional adjustment;

4. Adequacy of the parole plan;

5. Population pressures;

6. Risk to the public safety; and

7. Any other factors which relate to whether the inmate will be able to comply with the rules of parole and maintain himself or herself in open society without engaging in assaultive or any other criminal activity.

(b) The secretary's decision is final.

(c) If the SAR is granted, the secretary may impose in writing any special conditions that are appropriate.

(d) The institution where the inmate is incarcerated shall inform the inmate of the decision to grant or deny an SAR and, if granted, of any conditions imposed on the inmate's release.

(6) NOTIFICATION. Before the inmate is released, the department shall notify the municipal police department and the county sheriff for the area where the inmate plans to reside and shall notify the victim of the crime committed by the inmate, if the victim submits a card under s. 57.06 (1) (f), Stats., and if the victim can be found.

(7) CONDITIONS. (a) The conditions that the secretary may impose under sub. (5) (c) include but are not limited to the following:

1. A period of intensive supervision which requires the former inmate to report to the agent on the first day of release and to contact the agent in person at least once a week for a minimum of 90 days, and which requires the agent to visit the former inmate's place of residence or employment once a month during the period of intensive supervision;

2. Restrictions on residence;

3. Restrictions on travel and local movement;

4. Restrictions on associations;

5. Restrictions on possessions;

10. Electronic monitoring; and

11. Any other specific condition to achieve the purpose of maintaining the former inmate in open society without engaging in criminal activity.

(b) In addition to the rules provided under ch. HSS 328, the agent may develop additional written rules and specific conditions for the new client's parole supervision to achieve the goals and objectives of supervision under ch. HSS 328.

(c) The secretary may modify the conditions of the former inmate's special action release at any time until discharge from supervision, and the agent may modify the rules and specific conditions of the new client's parole supervision at any time until discharge from supervision.
