The payments may not exceed the actual value of the legal services as determined in s. SPD 3.02 (1).

(2) The state public defender may reduce the payments for legal fees under this section if it appears, by sworn statement of the person, that the person's financial status has sufficiently changed to warrant reduction in the payments or that the interests of justice require such reduction.

(4) Upon the conclusion of the action, a written request for release of the statement of assets, liabilities, and expenses may be made to the local representative of the state public defender for the county in which the action took place. The client's attorney and the state public defender regional supervisor for the county in which the action took place shall review and respond to each request within 10 business days in the following manner:
