Ag 129.02 Prohibited trade practices. No wholesaler of soda water beverages shall, in the sale or distribution of soda water beverages, engage in the following unfair methods of competition or unfair trade practices:

(1) Discriminate, directly or indirectly, in the price at which soda water beverages are sold to customers by selling or offering to sell such beverages at a special price or discount, or with special allowances, rebates, or commissions, or under other price or credit terms or conditions not offered or made available to all customers, where the effect of such discrimination may be substantially to lessen competition or tend to create a monopoly, or otherwise injure, destroy or prevent competition between wholesalers of soda water beverages or any of their customers.

(2) Furnish, sell, give, lend or rent any equipment, after the effective date of this chapter, for the refrigerated or heated storage or display, or mechanical dispensing of soda water beverages to a retailer, but this shall not prevent:

(a) The sale or rental of such equipment to a retailer under a written agreement describing the equipment sold or rented, and specifying the price and other terms and conditions under which it is to be sold or rented. Copies of agreements shall be kept on file by the wholesaler for at least 3 years after final payment has been received. No agreement for the sale or rental of equipment other than agreements for the rental of coin-operated vending machines shall contain any provision that prohibits the use of the equipment for the storage, display, or dispensing of the products of competing wholesalers or reserves any part of the available capacity of the equipment for the products of the wholesaler selling or renting the equipment.

1. Terms for the sale of equipment shall provide that the wholesaler shall recover at least the wholesaler's cost for the equipment, including all costs for transportation and installation of the equipment, either by advance payment in full or by equal monthly installment payments over a period not to exceed 5 years.

2. Terms for the rental of equipment, other than coin-operated vending machines, shall provide that minimum monthly rental charges shall be no less than one-sixtieth ($1/60$) of the total cost to the wholesaler, including all costs for transportation and installation of the equipment. Rentals may be charged in equal periodic installments or on a volume basis, and shall be collected at least once each year in an amount sufficient to recover all such costs within a period of 60 months.

3. Terms for the rental of coin-operated vending machines shall provide that the minimum monthly rental charge shall be no less than one ninety-sixth ($1/96$) of the total cost to the wholesaler, including all costs for transportation and installation. Rentals may be charged in equal periodic installments or on a volume basis, and shall be collected at least once each year in an amount sufficient to recover all such costs within a period of 96 months.

4. Cost of equipment which has been returned or repossessed or on which rental contracts are renewed shall be based on fair market value of the equipment, whether or not cost was recovered in whole or in part under a previous sale or rental agreement.

(b) The furnishing of equipment to a retailer, for the storage, transportation or display of soda water beverages for not more than a total of 20 days in a calendar year for use at fairs, exhibitions, expositions or other events for agricultural, industrial, charitable, educational, religious or recreational purposes.

(3) Discriminate, directly or indirectly, between customers in furnishing of advertising, promotional or other services or facilities to them, or in compensating customers for services or facilities to be rendered or furnished by or through them in connection with the sale or distribution of soda water beverages, under terms or conditions not available to all customers on proportionally equal terms, where the effect of such discrimination may be substantially to lessen competition or tend to create a monopoly, or otherwise injure, destroy or prevent competition between wholesalers of soda water beverages or any of their customers. This does not apply to the furnishing of equipment under sub. (2) (b).
