to form a judgment as to whether its methods and practices in the conduct of its business are such as to safeguard the interests of its policyholders and the people of this state. Therefore, no application of a foreign insurance company or mutual benefit society for a license to transact business in Wisconsin will be considered until it has continuously transacted the business of insurance for at least 2 years immediately prior to the making of such application for license.

Ins 6.02 Company to transact a kind of insurance 2 years before admission. (1) Experience has demonstrated that until a company has engaged in a kind of insurance or in another kind of insurance of the same class for at least 2 years, there is not a sufficient basis upon which to form a judgment as to whether its methods and practices in the conduct of its business in such kind of insurance or another kind in the same class of insurance, are such as to safeguard the interests of its policyholders and the people of this state. Therefore, no application of a foreign insurance company or mutual benefit society for a license to transact a kind of insurance business in Wisconsin will be considered until it has continuously transacted that kind of insurance, or another kind of insurance in the same class of insurance as that for which it makes such application; for at least 2 years immediately prior to making such application. For the purposes hereof, insurance is divided into kinds of insurance according to the provisions of s. Ins 6.75 each subsection setting forth a separate kind, and into classes of insurance upon the basis of and including the said kinds as follows:

(a) Fire insurance includes the kinds in s. Ins 6.75 (2) (a).

(b) Life insurance includes the kinds in s. Ins 6.75(1) (a) and (b) but excluding all insurance on the health of persons other than that authorized in s. 627.06, Stats., and s. Ins 6.70.

(c) Casualty insurance includes the kinds in s. Ins 6.75(2) (c) through (n).

(2) Provided, however, that nothing herein shall preclude consideration of an application to transact the kind of insurance in s. Ins 6.75 (1) (e) or (2) (c) if the applicant company has transacted any of the kinds of insurance in s. Ins 6.75 (1) (a) and (b) or (2) (d), (e), (k) and (n) continuously for 2 years immediately prior to the making of application for license to transact the kind of insurance in s. Ins 6.75 (1) (e) or (2) (c).

(2) SCOPE. This section applies to each nondomestic insurer which submits to the commissioner under s. 611.223 (1) (a), Stats., an application for a certificate of incorporation and a certificate of authority for domestic insurers.

(3) REQUIRED CONTENTS OF THE APPLICATION. The application for a certificate of incorporation and a certificate of authority shall be filed in accordance with s. 611.223 (1) (a), Stats., and shall include the following information:

4. Failure to attempt in good faith to effectuate fair and equitable settlement of claims submitted in which liability has become reasonably clear.

5. Failure upon request of a claimant, to promptly provide a reasonable explanation of the basis in the policy contract or applicable law for denial of a claim or for the offer of a compromise settlement.

6. Knowingly misrepresenting to claimants pertinent facts or policy provisions relating to coverages involved.

7. Failure to affirm or deny coverage of claims within a reasonable time after proof of loss has been completed.

8. Failure to settle a claim under one portion of the policy coverage in order to influence a settlement under another portion of the policy coverage.

9. Except as may be otherwise provided in the policy contract, the failure to offer settlement under applicable first party coverage on the basis that responsibility for payment should be assumed by other persons or insurers.

10. Compelling insureds and claimants to institute suits to recover amounts due under its policies by offering substantially less than the amounts ultimately recovered in suits brought by them.

11. Refusing payment of claims solely on the basis of the insured's request to do so without making an independent evaluation of the insured's liability based upon all available information.

12. Failure, where appropriate, to make use of arbitration procedures authorized or permitted under any insurance policy.

13. Adopting or making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration.

charged with a violation of this rule be given the burden of proof in establishing any "business purpose" exception. The burden of proving that a refusal, nonrenewal, cancellation or limitation of insurance coverage is not subterfuge for unfair discrimination should likewise fall upon the person charged with a violation of this rule.

(b) Making or permitting any unfair discrimination between individuals or risks of the same class and of essentially the same hazards by refusing to issue, refusing to renew, cancelling or limiting the amount of insurance coverage on a residential property risk of 4 units or less, or the personal property contained therein, because of the age of the residential property, unless:

1. The refusal, cancellation or limitation is for a business purpose which is not a mere pretext for unfair discrimination, or

2. The refusal, cancellation or limitation is required by law or regulatory mandate.

(c) Refusing to insure a risk solely because the applicant was previously denied coverage, terminated by another insurer or had obtained coverage in a residual market.

Ins 6.70 Combinations of lines and classes of insurance. This rule defines and delimits the permissible combinations of the lines and classes of insurance defined and delimited by s. Ins 6.75 which may be written in the same policy. Except as provided in this rule, lines and classes of insurance may not be combined in the same policy.

(1) COMBINATION WITH SEPARATE PREMIUM CHARGES. Subject to s. Ins 2.05, any combination of the lines and classes of insurance defined and delimited by s. Ins 6.75, except for those described in s. Ins 6.75 (2) (h), (i) and (k), may be written in the same policy if a statement of separate premium charge is shown on the declarations page or on the face of the policy or in a separate written statement furnished to the policyholder. The requirement for a statement of separate premium charge does not prohibit such charges equitably reflecting differences in expected losses or expenses as contemplated by s. 625.11 (4), Stats.

(2) COMBINATION WITH OR WITHOUT SEPARATE PREMIUM CHARGES. Any combination of the lines and classes of insurance defined and delimited by s. Ins 6.75(2)(a), (b), (d), (e), (f) and (j) may be written in the same policy with or without showing separate premium charges.

Ins 6.72 Risk limitations. (1) Except as otherwise provided by law or by order of the commissioner, no single risk assumed by any insurance company shall exceed 10% of surplus as regards policyholders, except that in an assessable mutual company it may be a greater amount not exceeding 3 times the average policy or % of 1% of the insurance in force, whichever is the greater. Upon the business mentioned in s. Ins 6.75 (2) (h), the maximum single risk may be a greater amount not exceeding 50% of the admitted assets. Any reinsurance taking effect simultaneously with the policy shall be deducted from the original risk assumed in determining compliance with this subsection.

(2) In a mutual company organized for the insurance or guaranty of depositors or deposits in banks or trust companies, the maximum single risk may be fixed at a higher amount by the bylaws. Ins 6.74 Suretyship and risk limitations of surety obligations. (1) PUR-POSE. The purpose of this rule is to establish minimum requirements for the transaction of surety obligations.

(2) SCOPE. This rule shall apply to the limitations on bond penal amounts imposed on insurers engaged in the business of suretyship. This section shall not apply to insurers issuing only that type of surety insurance known as municipal bond insurance.

(3) DEFINITIONS. (a) For purposes of this rule suretyship shall be construed to be insurance.

(b) An insurance corporation authorized to write fidelity insurance may guarantee the fidelity of, or become the surety for: 1. persons holding positions of public or private trust; 2. the performance of any act, duty or obligation or the refraining from any act; 3. the performance of any contract; 4. bonds of insurance companies required by law as a condition of transacting business; 5. indemnifying banks, brokers and other financial or moneyed associations or corporations, against the loss of documents and money, except against loss caused by marine risks or risks of transportation or navigation; 6. indemnifying any federal land bank against loss by reason of defective title to or incumbrances on real property on which such bank may have a mortgage.

(c) As used in this rule any one surety risk shall be equivalent to the penal amount established on the surety bond.

(4) RISK LIMITATIONS ON SURETY OBLIGATIONS. (a) No corporation shall execute any suretyship obligation or expose itself to any loss on any one surety bond in an amount in excess of one-tenth of its capital and surplus as reported in its most recent filed annual statement, unless it shall be protected in the excess of that amount: 1. by reinsurance in a corporation licensed to transact surety business where the risk is located; or 2. by the cosuretyship of a surety corporation likewise licensed.

(b) A surety corporation may execute transportation or warehousing bonds for the United States internal revenue taxes to an amount equal to 5 times the underwriting limitation specified in par. (a) of this rule.

(c) No corporation writing surety shall guarantee the deposits of any single financial institution in an aggregate amount in excess of the underwriting limitation set forth in par. (a) unless it shall be protected in excess of that amount by reinsurance or cosuretyship as specified in par. (a).

Ins 6

(d) A surety corporation shall not issue multiple bonds on a single contract (splitting bonds) and a surety corporation's liability on a single contract shall not be in excess of the limitations established in par. (a).

(e) No domestic corporation writing surety business shall execute, reinsure or be cosurety on a suretyship obligation in favor of the U.S. governments, or any other obligee, whereby a surety issues a bond to an obligee for a penal amount which is 10%, or an amount substantially less than, the total contract amount, unless the surety reinsures or obtains a cosurety for at least 50% of the bond penal amount with a corporation licensed to transact surety business where the risk is located. This is tantamount to a maximum exposure for any single loss on any one surety bond of this type of not more than one-twentieth of a domestic surety corporation's capital and surplus.
