(h) Evidence of financial support for continued operation of the incubator if the grant is made for a project under sub. (1) (b), (c) or (d).

(i) A preliminary feasibility study if the grant is for a project under sub. (1) (b).

(j) A feasibility study, business plan and financial projections if the grant is for a project under sub. (1) (c).

(k) A description of the services to be provided to the tenants of the incubator.

(l) A listing of the businesses expected to become tenants of the incubator.

(m) A written policy by the applicant which provides for the movement of maturing businesses out of the incubator to independent operation within a reasonable period of time.

(n) A discussion of the jobs anticipated to be created by the operation of the incubator and its tenants including jobs for low-income persons.

(o) An explanation of how the benefits of the grant will be passed on to the business incubator tenants.

(p) Any other information the department may require to make a determination in accordance with s. 560.14 (3), Stats., and this chapter.

(q) Evidence that the incubator serves or will serve new or expanding technically oriented businesses if the grant is for an existing or proposed technology based incubator.

(r) Evidence that the incubator facilitates or will facilitate the transfer of technologies developed in basic and applied research programs at higher educational institutions or federal laboratories to tenant businesses for commercialization if the grant is for an existing or proposed technology based incubator.

(s) Evidence of the need and demand for a tenant revolving loan fund.

(t) Evidence of local bank support for and a willingness to participate in the tenant revolving loan fund.

(u) Evidence that local professionals are willing to become involved in revolving loan fund activities.

(v) Evidence of successful operation of the incubator.

(w) An explanation of whether the request is to establish a new or recapitalize an existing revolving loan fund.

(x) An operating plan for the revolving loan fund.

(5) The department may not make a grant under this section unless the applicant has a written policy relating to how stable, maturing businesses in the incubator will establish themselves outside of the incubator within a reasonable period of time.

(6) The department may make a grant under this section after examining the application and any other information it deems relevant if, based upon the criteria contained in pars. (a) to (s), the application submitted by the community-based organization compares favorably to other applications received during the fiscal year. The department shall fund only those proposals which, in its judgment, effectively address the criteria in pars. (a) to (s) even if the department's determination results in the expenditure of less than the total funding assigned under s. DOD 15.05 for grants under this section.

(a) The level of distress in the area proposed to be served by the grant activities.

(b) The need for state financial assistance.

(c) The management capabilities of the organization that operates or will operate the incubator.

(d) The level of community support, including financial support, for the incubator.

(e) The viability of the project for which the grant is requested and the viability of the incubator that will be assisted by the grant.

(f) The need for the project for which the grant is requested and the need and demand for the incubator that will be assisted by the grant.

(g) The adequacy of financial support for continued operation of the incubator if the grant is for a project under sub. (1) (b), (c) or (d).

(h) The level and type of services to be provided by the incubator to its tenants.

(i) The number of businesses created by the operation of the incubator.

(j) The degree to which persons of low- and moderate-income and persons who live or work in the area to be served have been and will be involved in the project's development and implementation.

(k) Whether or not the applicant is a nonstock, nonprofit corporation organized under ch. 181, Stats., or a nonprofit cooperative organized under ch. 185, Stats.

(l) The degree to which the incubator serves or will serve new or expanding technically oriented businesses if the grant is for an existing or proposed technology based incubator.

(m) The degree to which the incubator facilitates or will facilitate the transfer of technologies developed in basic research programs at higher educational institutions or federal laboratories to tenant businesses for commercialization if the grant is for an existing or proposed technology based incubator.

(n) The need and demand for the tenant revolving loan fund.

(o) The degree to which a local bank supports and is willing to participate in the tenant revolving loan fund.

(p) The degree to which local professionals are willing to participate in revolving loan fund activities.

(q) Whether there has been successful operation of the incubator.

(r) Whether the requested funding is to establish a new or recapitalize an existing tenant revolving loan fund.

(s) The thoroughness of the operating plan for the tenant revolving loan fund.

(7) Grant proceeds may be used only as provided in s. 560.14 (3) (a) and (d), Stats., and the contract signed under s. DOD 15.07.

(8) (a) The department may make a grant under sub. (1) (b), (c) or (d), only if the applicant agrees to operate the incubator for at least 5 years following receipt of the grant. Should the incubator cease operations during the 5 year period, the department may require repayment as follows:

1. If the incubator ceases operations during the first year, than the department may require repayment of up to 100% of grant funds received.

2. If the incubator ceases operations during the second year, than the department may require repayment of up to 80% of grant funds received.

3. If the incubator ceases operations during the third year, than the department may require repayment of up to 60% of grant funds received.

4. If the incubator ceases operations during the fourth year, than the department may require repayment of up to 40% of grant funds received.

5. If the incubator ceases operations during the fifth year, than the department may require repayment of up to 20% of grant funds received.

(b) If the incubator is sold during the 5 years following receipt of a grant under sub. (1) (b) or (c), the applicant shall pay to the department the lesser of that part of the sale price which exceeds the original acquisition cost or the grant amount.

(9) The department shall specify an amount, not to exceed 7% of the non-administrative cost of the project, that may be used by a grant recipient to administer a grant made under this section.
