Register, August, 1994, No. 464

- (b) The population goals established in sub. (2).
- (c) Trends in hunter or trapper success rates.

(2) **POPULATION GOALS.** (a) *Fisher.* The overwinter population goal for each management zone listed under s. NR 10.01 (4) is one fisher per 4 square miles of fisher range.

(b) *Bobcat.* The overwinter population goal north of state highway 64 is one bobcat per 10 square miles of bobcat range.

(3) **APPLICATION AND ISSUANCE PROCEDURES.** (a) *Forms.* Applications for permits shall be made on forms provided by the department.

(b) *Deadlines.* All permit applications shall be postmarked no later than the deadline dates indicated on the form or received by the department license section no later than 4:30 p.m. on those dates to be considered for selection. The annual application deadlines may not be sooner than July 1.

Note: The department conducts extensive publicity on the application deadlines beginning several months prior to any deadline. Application deadline dates are published in news releases, license outlet handouts, and pertinent regulation pamphlets. The license section address is 101 South Webster, Box 7924, Madison, WI 53707.

(e) *Carcass tag issuance.* The department shall issue carcass tags to successful permit applicants as follows:

1. **Oversubscribed zones.** If the number of applications for permits is equal to or more than the number of permits available, each successful applicant shall be issued a carcass tag.

2. **Undersubscribed zones.** If the number of applications for permits is less than the number of permits available, the department may:

(b) *Transportation and possession.* No person may transport or possess a bobcat, fisher, otter, or a raw pelt of these species unless it has been tagged in accordance with par. (a).

(c) *Tag retention.* The carcass tag shall remain attached to the pelt until removed by a fur dresser or taxidermist at time of preparation.

(5) **RECORDING OF HARVEST.** (a) *Exhibition requirements.* Unless otherwise authorized by the department, each person who has killed a bobcat, fisher or otter shall exhibit the pelt to an authorized department representative in the county in which the animal was killed, or in an adjoining county, no later than 5 days after the close of the season.

(b) *Carcass collection.* The department may require each person exhibiting a bobcat, fisher or otter pelt to exhibit and provide the skinned carcass to the department.

(c) *Department tagging.* The department shall inspect the pelt, attach and lock a registration tag to the head of all lawfully taken and possessed bobcat, fisher and otter.

(d) *Mounting.* Persons who intend to have a fisher or bobcat mounted by a taxidermist may exhibit the fisher or bobcat to the department for registration in whole carcass condition without separating the pelt and need not surrender the skinned carcass to the department until after the taxidermist has separated the pelt.

(6) **POSSESSION AND TRANSFER RESTRICTIONS.** No person may:

(a) *Possession.* Possess raw bobcat, fisher or otter pelts after the 5th day following closure of the open season for each species and the respective opening date of the next trapping or hunting season without a registration tag attached and locked to the head of the animal.
