(2) This chapter applies to any person petitioning a court for review of a department order authorizing or denying the issuance of an occupational license and to all persons applying to the department or a court for the issuance of an occupational license.

**Note:** Procedure and eligibility requirements for occupational licenses are set forth in ss. 343.10 and 351.07, Stats.

**History:** Cr. Register, December, 1990, No. 420, eff. 1-1-91; renum. (2) (a), (e) and (f) to be (2) (am), (c) and (d), cr. (2) (a), r. (2) (c) and (d), Register, August, 1993, No. 452, eff. 9-1-93; emerg. am. (2) (b), renum. (2) (c) and (d) and am. (2) (d), cr. (2) (c), eff. 11-1-96; renum. **Trans 117.025 Process.** (1) A person whose license is revoked as a habitual traffic offender under ch. 351, Stats., shall petition a circuit court in the person's county of residence for an order authorizing the person to obtain an occupational license before applying for the license with the department.

(2) A person may apply to the department for an occupational license by submitting an application meeting the requirements of s. Trans 117.05 to any DMV service center, except an express service facility.

(3) The department shall accept the application for an occupational license and may issue a temporary driving receipt to an applicant if it appears to the DMV service center that the person is eligible for an occupational license. The temporary driving receipt shall be valid only until the earliest of the following:

(a) The date the department issues a photo occupational license to the person.

(b) The date the department preliminarily denies the person an occupational license.

(c) 15 days following issuance of the driving receipt.

(4) Following acceptance of the application, the department shall conduct a review of the application to determine eligibility for occupational licensing. After completion of the review, the department shall issue an occupational license to the driver or issue a letter constituting a preliminary denial of occupational license to the driver. A letter of denial shall state the specific reasons for the denial. The applicant may be required to return to a DMV service center, except an express service facility, so that a photo occupational license may be issued.

**Note:** s. 343.10 (3) (b), Stats.

(5) A person may seek review of a preliminary denial of an occupational license by filing a petition for occupational license with a circuit court in the person's county of residence in the manner provided in s. 343.10 (4), Stats.

(6) The court shall consider the number and seriousness of prior traffic convictions in determining whether to grant or deny the petition. The court may, in conducting its review, order modification or changes to any prohibitions or restrictions ordered to be imposed on the person under s. Trans 117.03 (4) or (5).

(7) If a petition is denied by the court, the department may not issue an occupational license to the person, unless the petition was denied solely because of the person's failure to meet one or more of the criteria of s. Trans 117.03 (2), the person has taken action to meet each of those criteria, and the person meets each of those criteria.

**Note:** For example, a driver whose petition is denied by a court solely for failure to provide proof of financial responsibility for the future would be eligible for licensing upon filing proper proof of financial responsibility for the future, notwithstanding the court's order.

(8) If a petition is granted by the court, the department shall receive the court's order and treat it and the applicant's petition to the court as an application for occupational license. The department shall issue an occupational license to the person, subject to any restrictions ordered by the court, unless issuance of an occupational license to the person is prohibited under s. Trans 117.03 (2). If the person is ineligible for a CDL-occupational license but is eligible for a class D or M license, the department may issue a class D or M license to the person, but may not authorize privileges to operate class A, B or C vehicles on the license.

(9) A decision by the department to deny issuance of an occupational license or to deny licensing for certain classes of vehicles

based on the criteria in s. Trans 117.03 (2) or (3) following circuit court review under s. 343.10 (4), Stats., is subject to judicial review in the manner provided in s. 343.40, Stats.

**History:** Emerg. cr., eff. 11-1-96; cr. Register, June, 1997, No. 498, eff. 7-1-97.

**Note:** s. 343.10 (2) (e), Stats.

**Note:** s. 343.06 (1) (f), Stats.

(m) The person's operating privilege has not been suspended or revoked during the one year period preceding the present revo-

cation or suspension. For purposes of this paragraph, multiple suspensions or revocations arising out of the same incident or occurrence shall count as one suspension or revocation.

**Note:** s. 343.10 (2) (a) 1., Stats.

**(3) MANDATORY RESTRICTIONS.** Occupational licenses shall be restricted as follows:

(a) No occupational license may include a notation authorizing operation of a class of vehicle if the person's license, prior to suspension or revocation, did not bear a notation for that class of vehicle.

**Note:** s. 343.10 (2) (b), Stats.

(b) No occupational license may include an endorsement if the person's license prior to suspension or revocation did not properly bear the endorsement.

**Note:** s. 343.10 (2) (b), Stats.

(c) No occupational license may authorize the operation of commercial motor vehicles if the driver is disqualified.

(h) The CDL occupational license of a person who claims an exemption from the requirement of presenting a federal medical card under s. Trans 117.03 (2) (L) 2. shall be restricted to operation that is exempt from federal motor carrier safety regulations under 49 CFR 390.3(f).

(b) Accumulates 3 or more alcohol offenses on the person's driver record that were committed in the 5 year period preceding application.

**Note:** Section 343.10 (3) (a), Stats., requires the Department to consider the number and seriousness of offenses in determining whether to issue an occupational license. Circuit courts may order issuance of occupational licenses to drivers whose applications are rejected by the Department under this provision. See s. Trans 117.025 (6).

**(5) DISCRETIONARY RESTRICTIONS.** The department may restrict occupational licenses as follows:

(a) The department shall require installation of an ignition interlock device as a condition of an occupational license for a person in any of the following instances:

1. The person is convicted of an offense for which an ignition interlock is ordered to be imposed on the person's vehicle under s. 346.65 (6), Stats.

2. A court orders or recommends the person's operating privilege be restricted to vehicles equipped with an ignition interlock device.

**Note:** Section 343.10 (5) (a) 3., Stats., permits the Department to require ignition interlock devices of drivers who have 2 or more prior alcohol offenses. This provision provides that the Department will impose the restriction whenever courts order

or recommend it. This discretionary decision may be reviewed on a de novo basis by a circuit court following a petition by the driver. See s. Trans 117.025 (6).

(b) An occupational license may be restricted to operation at those certain times of the day or in those certain areas which are necessary for the person to engage in the person's occupation, including homemaking, full-time or part-time study, participation in a driver safety plan ordered under s. 343.30 (1q), Stats., or church attendance.
