History: Cr. Register, August, 1995, No. 476, eff. 9–1–95; correction in (5) made under s. 13.93 (2m) (b) 7., Stats., Register October 2001 No. 550.

PI 43.04 Reporting of pupils. (1) Annually, beginning June 15, 1997, a school board shall submit a report described under sub. (2) for the previous school year to the department for the following pupils:

(a) A pupil attending a technical college district under compulsory school attendance.

(b) A pupil attending a technical college district under the postsecondary enrollment options program.

(c) 1. A pupil enrolled in a secondary course, authorized through an articulation agreement, for which advanced standing may be granted by a technical college district under the technical preparation program.

2. A pupil enrolled in a secondary course, authorized through an articulation agreement, for which transcripted credit may be granted by the school district and the technical college district under the technical preparation program.

(2) The report under sub. (1) shall include all of the following information regarding the pupil and the courses the pupil completed:

(a) The pupil's social security number or other identifier assigned by school districts in accordance with a numbering system designed by the department and school districts to uniquely identify pupils.

(b) The pupil's name.

(c) The pupil's birth date.

(d) The pupil's school district of enrollment.

(e) The pupil's school district of residence.

(f) The pupil's highest grade completed.

(g) If the pupil graduated, the year of high school graduation.

(h) If the pupil participated in a program under sub. (1) (a) or (b), both of the following:

1. The technical college district the pupil attended.

2. The technical college district course or courses the pupil completed. The course or courses listed under this paragraph shall include the course number and title.

(i) If the pupil participated in a program under sub. (1) (c), the secondary course or courses the pupil completed for which advanced standing or transcripted credit was received. The course or courses listed under this paragraph shall include the course number and title as specified under the articulation agreement between the school district and the technical college district.

(j) The number of postsecondary credits received for each course taken under pars. (h) and (i).

(3) Except as specified in sub. (4), the department shall report the information collected under this chapter in aggregate numbers only.

(4) The department may report personally identifiable information collected under sub. (2) to the Wisconsin technical college system board. The personally identifiable information reported shall be used solely for determining pupil participation in technical college courses or programs under the compulsory education provisions of ss. 118.15 (1) (b), (cm), and (d), Stats., and the number of pupils participating in the postsecondary enrollment options program under the provisions of s. 118.55, Stats., and the

number of pupils participating in technical preparation programs under s. 118.34, Stats., including the number of courses taken for advanced standing in a technical college district's associate degree or vocational diploma program and for postsecondary credit.

Note: Family Educational Rights and Privacy Act (FERPA), 20 USC 1232g and 34 CFR Part 99 (1993). Under 34 CFR 99.31 (a) (3) (iii), educational institutions may release student data containing personally identifiable information to state and local

educational authorities where the personally identifiable information is protected while in use and destroyed when no longer needed for the purposes for which disclosure is made.

Note: Family Educational Rights and Privacy Act (FERPA), 34 CFR 99.35 (b) and (c) (1). Under 34 CFR 99.35 (b) and (c) (1), personally identifiable information collected by a state agency must be protected in a manner that does not permit personal identification of individuals by anyone except the officials as specified in the previous note unless permission is given by the pupil or the pupil's parent or guardian.
