- (3) (a) If the employer's primary type of business activity is specified in Figure DWD 102.02 (2), the department may not consider the employer as being within the provisions of s. 108.18 (2) (c), Stats. If the employer's primary type of business activity in this state is listed in Major Group 15 Building Construction General Contractors and Operative Builders or in Major Group 16 Heavy Construction Other Than Building Construction Contractors in the Standard Industrial Classification (SIC) Manual or is listed in Major Group 17 but not in Figure DWD 102.02 (2), the department shall consider the following factors to determine whether the employer is an employer to which the provisions of s. 108.18 (2) (c), Stats., apply:
- 1. Whether the primary business activity of the employer in this state involves the improvement of real property rather than improvement or refurbishing of personal property; and
- 2. Whether employers within the same listing in the Standard Industrial Classification (SIC) Manual as the employer customarily suspend or significantly curtail business operations in this state for regularly recurring periods because of climatic conditions or because of the seasonal nature of the employment.
- (b) If the department determines that either of the factors under par. (a) 1. or 2. is present, the employer shall be deemed to be an employer to which the provisions of s. 108.18 (2) (c), Stats., apply. History: Cr.
