**HFS 196.01 Authority and purpose.** Sections 254.71 (6) and 254.74 (1), Stats., authorize the department to prescribe rules for restaurants and to enforce those rules for the purpose of protecting public health and safety. This chapter, including the appendix, establishes definitions; sets standards for management and personnel and for safe food operations and equipment and facilities; provides for restaurant plan review, permit issuance, inspection and enforcement actions; and requires food protection practices certification for restaurant operators and managers. For purposes of the appendix, a restaurant is a type of food service establishment.

**History:** Cr. Register, January, 2001, No. 541, eff. 2-1-01.

**HFS 196.02 Applicability.** The provisions of this chapter, including the appendix, apply to any restaurant, mobile restaurant, temporary restaurant or special organization serving meals, except that ch. 9 of the appendix applies only to mobile restaurants, ch. 10 of the appendix applies only to temporary restaurants and ch. 11 of the appendix applies only to special organizations serving meals. Chapter 12 of the appendix, relating to food protection practices certification of operators and managers, does not apply to temporary restaurants or to special organizations serving meals.

If the application for a permit is denied, the department or its agent shall give the applicant reasons, in writing, for the denial. The department may not issue a permit to an operator of a new restaurant or at the time of a change of operator, unless the new operator is an immediate family member, without prior inspection of the restaurant by the department or its agent to ensure that the restaurant complies with the requirements of this chapter.

**(6) PLAN REVIEW.** The department or its agent, when it deems necessary, may request the operator of a new or extensively remodeled restaurant to submit equipment layout plans, equipment schedules, detailed descriptions of food processing operations or menus to determine if the restaurant is complying with this chapter. A request for plans under this subsection does not replace or supersede plan review requirements of the Wisconsin department of commerce, division of buildings and safety.

**HFS 196.05 Inspections.** (1) **ACCESS.** An authorized employee or agent of the department, upon presenting proper identification, shall be permitted to enter, at any reasonable hours, any premises for which a permit is required under this chapter to inspect the premises, secure samples or specimens, examine and

copy relevant documents and records or obtain photographs or other evidence needed to enforce the requirements of this chapter.

(2) **FREQUENCY.** (a) The department or its agent shall perform a food safety inspection of every restaurant that does not function as a limited food establishment, as defined in s. 1-201.10 (45m) of the appendix, at least once every 12 months.

(b) The department or its agent may increase the interval between inspections specified in par. (a) for a limited food establishment, as defined in s. 1-201.10 (45m) of the appendix, if the limited food establishment is assigned an inspection frequency based on a written department-approved risk-based inspection schedule that assigns a lower risk to the establishment and that is being uniformly applied by the department or its agent. Every limited food establishment shall be inspected at least once every 18 months.

(c) If the inspection frequency assigned under par. (b) is less than once every 12 months, the department or its agent shall contact the food establishment by telephone or other means at least once every 12 months to ensure that the food establishment operator and the nature of food operation have not changed.

(3) **PREINSPECTION.** (a) Except as provided under par. (b), the department or its agent may not grant a permit to a person intending to operate a restaurant without a preinspection of the restaurant.

(b) A preinspection is not required for a temporary restaurant, to a special organization serving meals or when a permit is transferred to an immediate family member.

**History:** Cr. Register, January, 2001, No. 541, eff. 2-1-01.

**HFS 196.06 Enforcement.** (1) **PERMIT DENIAL, SUSPENSION OR REVOCATION, OR THE IMPOSITION OF CONDITIONS ON A PERMIT.** The department or its agent may deny, suspend or revoke a permit or, as provided under s. 254.64 (1p), Stats., may impose conditions on a permit. Except as otherwise provided by statute, rule or local ordinance, the suspension or revocation of a permit shall comply with the prior notice requirements of s. 227.51, Stats.

(2) **ENFORCEMENT POLICY.** (a) *Notification.* If, upon inspection of a restaurant, the authorized employee or agent of the department finds that the restaurant is not planned, operated or equipped as required by this chapter, the employee or agent shall, except as provided under par. (b), notify the operator in writing and shall specify the changes required to make the restaurant conform to the standards established in this chapter and the time period within which compliance shall take place. If the order to correct violations is not carried out by the expiration of the time period stipulated in the order, or any extension of time granted for compliance, the department may issue an order suspending or revoking the permit to operate the restaurant. The suspension or revocation order shall take effect 15 days after the date of issuance unless a request for a hearing has been received under sub. (3).

(b) *Order to deal with an immediate danger to health.* Where there is reasonable cause to believe that any construction, sanitary condition, operation or method of operation of the premises of a restaurant or of equipment used on the premises creates an immediate danger to health, an authorized employee or agent of the department may, pursuant to s. 254.85, Stats., acting as the designee of the administrator of the department's division of public

health, and without advance written notice, issue a temporary order to remove the immediate danger to health. The order shall take effect on delivery to the operator or other person in charge of the restaurant. The order shall be limited to prohibiting the sale or movement of food, prohibiting the continued operation or method of operation of specific equipment, requiring the premises to cease other operations or methods of operation, or a combination of the prohibitions and requirements, except that if a more limited order will not remove the immediate danger to health, the order may direct that all operation authorized by the permit shall cease. If, before scheduled expiration of the temporary order, the department determines that an immediate danger to health does in fact exist, the temporary order shall remain in effect. The department shall then schedule and hold the hearing required under s. 254.85 (3), Stats., unless the immediate danger to health is removed or the order is not contested and the operator and the department mutually agree that a hearing is not needed.

**Note:** Under s. 254.85, Stats., the temporary order is effective for 14 days and may be extended for another 14 days to permit the department to complete its examination. The order expires at the end of the 14-day or 28-day period unless it is terminated by the department by notice to the operator within that period, or is kept in effect beyond that period, pending a hearing, by department notification to the operator. The hearing is to be held by the department no later than 15 days after the notice is served on the operator unless the department and the operator agree on a later date, and the department must issue a final decision on the matter within 10 days after the hearing.

(3) **APPEAL BY THE OPERATOR.** Any operator aggrieved by an order of the department under this chapter may request a hearing to challenge the order. A temporary order shall remain in effect until a final decision is issued under s. 254.85 (3), Stats. An operator shall request a hearing within 15 days after issuance of the order. Receipt of notice is presumed within 5 days of the date the notice was mailed. An operator shall file his or her request for a fair hearing in writing with the division of hearings and appeals in the department of administration. A request is considered filed when received by the division of hearings and appeals. Procedures for the hearing shall be in accordance with ch. 227, Stats. After the hearing, the department shall affirm, set aside or modify the order. The final decision of the department may be appealed to the circuit court as provided in ch. 227, Stats.

**Note:** The mailing address of the Division of Hearings and Appeals is P.O. Box 7875, Madison, WI 53707. Hearing requests may be delivered in person to that office at 5005 University Ave., Room 201, Madison WI.

(4) **LOCAL ENFORCEMENT.** Notwithstanding subs. (2) and (3), if an agent issues permits directly under this chapter, the agent shall create enforcement and appeal procedures in accordance with ss. 254.69 (2) (g) and 66.0417, Stats., which shall supersede subs. (2) and (3).

**HFS 196.07 Adoption of Wisconsin food code.** As permitted by s. 227.14 (1s), Stats., an amended version of the 1999 U.S. food and drug administration (FDA) recommended model food code adopted as the appendix of this chapter and retitled the Wisconsin food code is in the format of the FDA-recommended food code to ensure uniformity between the Wisconsin department of health and family services and the Wisconsin department of agriculture, trade and consumer protection in the application and enforcement of food safety requirements.
