LICENSES, CERTIFICATIONS AND REGISTRATIONS

- Comm 5.001 Purpose.
- Comm 5.002 Scope.
- Comm 5.003 Definitions.

Subchapter I — General Requirements

- Comm 5.01 Application.
- Comm 5.02 Fees.
- Comm 5.03 Petitions for variance.
- Comm 5.04 Processing times.
- Comm 5.05 Mailing.
- Comm 5.06 Terms.
- Comm 5.07 Renewal.
- Comm 5.08 Continuing education.
- Comm 5.09 Examinations.
- Comm 5.10 Denial, suspension and revocation.
- Comm 5.11 Responsibilities.
- Comm 5.12 Penalties.

Subchapter II — Blasting and Fireworks

- Comm 5.20 Blasters.
- Comm 5.21 Fireworks manufacturers.

Subchapter III — Dwellings, Structures and Sites

- Comm 5.30 Boiler repairers.
- Comm 5.31 Dwelling contractor financial responsibility.
- Comm 5.32 Manufactured home and mobile home sellers.
- Comm 5.33 Soil testers.
- Comm 5.34 Welders.
- Comm 5.35 Weld test conductors.
- Comm 5.36 POWTS maintainers.

Subchapter IV — Electrical

- Comm 5.40 Electricians.
- Comm 5.41 Electrical contractors.
- Comm 5.42 Electrical contractors—restricted.
- Comm 5.43 Master electricians.
- Comm 5.44 Journeyman electricians.
- Comm 5.45 Beginning electricians.

Subchapter V — Fire Sprinkler

- Comm 5.50 Fire sprinkler installers.
- Comm 5.51 Sprinkler contractors.
- Comm 5.52 Journeyman sprinkler fitters.

- Comm 5.53 Sprinkler system apprentices.
- Comm 5.54 Sprinkler maintenance contractors.
- Comm 5.55 Sprinkler maintenance fitters.
- Comm 5.56 Sprinkler testers.

Subchapter VI — Inspection

- Comm 5.60 Boiler—pressure vessel inspectors.
- Comm 5.61 Commercial building inspectors.
- Comm 5.62 Commercial electrical inspectors.
- Comm 5.63 Dwelling inspectors.
- Comm 5.635 UDC inspection agency.
- Comm 5.64 Elevator inspectors.
- Comm 5.66 POWTS inspectors.
- Comm 5.67 Rental weatherization inspectors.
- Comm 5.68 Tank system inspectors.

Subchapter VII — Mechanical

- Comm 5.70 HVAC contractors.
- Comm 5.71 HVAC qualifiers.
- Comm 5.72 Refrigerant handling technicians.

Subchapter VIII — Storage Tanks

- Comm 5.80 PECFA consulting firms.
- Comm 5.81 PECFA consultants.
- Comm 5.82 Tank specialty firms.
- Comm 5.83 Site assessors.
- Comm 5.84 Aboveground tank system installers.
- Comm 5.85 Underground tank system installers.
- Comm 5.86 Tank system liners.
- Comm 5.87 Tank system removers and cleaners.
- Comm 5.88 Tank system tightness testers.

Subchapter IX — Plumbing

- Comm 5.90 Plumbing.
- Comm 5.91 Master plumbers.
- Comm 5.92 Master plumbers—restricted.
- Comm 5.93 Journeyman plumbers.
- Comm 5.94 Journeyman plumbers—restricted.
- Comm 5.95 Plumbing apprentices.
- Comm 5.96 Plumbing learners.
- Comm 5.97 Utility contractors.
- Comm 5.98 Pipelayers.
- Comm 5.99 Cross connection control testers.

Note: Corrections made in this chapter were made under s. 13.93 (2m) (b) 1., 7. and 14. Stats., Register, October, 1996, No. 490 and February, 1997, No. 494.

Comm 5.001 Purpose. This chapter is to protect public and employee health, safety and welfare by establishing minimum standards for the qualifications and responsibilities of persons and businesses that are required or permitted to obtain licenses, certifications or registrations under chs. 101, 145 and 167, Stats.

History: Cr. Register, October, 1996, No. 490, eff. 11–1–96.

Comm 5.002 Scope. This chapter applies to any person or business engaging or offering to engage in an activity or provide a service for which a license, certification or registration is required or desired under chs. 101, 145 and 167, Stats.

History: Cr. Register, October, 1996, No. 490, eff. 11–1–96; am. Register, April, 2000, No. 532, eff. 5–1–00.

Comm 5.003 Definitions. In this chapter:

- (1) “Approved” means accepted by the department.
- (1m) “ASME” means American society of mechanical engineers.
- (2) “Automatic fire sprinkler contractor” has the meaning specified under s. 145.01 (1), Stats.

Note: Under section 145.01 (1), Stats., “automatic fire sprinkler contractor” means any individual, firm or corporation who has paid the annual license fee and obtained a license to conduct a business in the design, installation, maintenance or repair of automatic fire sprinkler systems.

- (3) “Automatic fire sprinkler system” has the meaning specified under s. 145.01 (2), Stats.

Note: Under s. 145.01 (2), Stats., “automatic fire sprinkler system”, for fire protection purposes, means an integrated system of underground and overhead piping designed in accordance with fire protection engineering standards. The system includes a suitable water supply, such as a gravity tank, fire pump, reservoir or pressure tank or connection beginning at the supply side of an approved gate valve located at or near the property line where the pipe or piping system provides water used exclusively for fire protection and related appurtenances and to standpipes connected to automatic sprinkler systems. The portion of the sprinkler system above ground is a network of specially sized or hydraulically designed piping installed in a building, structure or area, generally overhead, and to which sprinklers are connected in a systematic pattern. The system includes a controlling valve and a device for actuating an alarm when the system is in operation. The system is usually activated by heat from a fire and discharges water over the fire area.

- (4) “Automatic fire sprinkler system apprentice” has the meaning specified under s. 145.01 (3), Stats.

Note: Under s. 145.01 (3), Stats., “automatic fire sprinkler system apprentice” means any person other than an automatic fire sprinkler system contractor or a journeyman automatic fire sprinkler system fitter who is engaged in learning and assisting in the installation of automatic fire sprinkler systems and who is indentured under ch. 106, Stats.

- (5) “Blasting” means any method of loosening, moving or shattering masses of solid matter by use of an explosive.

- (6) “Blasting operation” means any enterprise or activity involving blasting.

- (7) “Building permit” means an official document or certificate granting permission to perform construction or erosion control work, except for electrical, plumbing or HVAC, on a one- or 2-family dwelling.

- (8) “Business establishment” means any industrial or commercial organization or enterprise, including but not limited to a

proprietorship, partnership, firm, business trust, joint venture, syndicate, corporation or association.

(9) “Combustible liquid” means a liquid with a flash point at or above 100°F.

(10) “Conflict of interest” means a certified inspector inspecting work in which the inspector or the inspector’s employer, other than the state or a municipality, has participated or has a monetary or personal interest.

(13) “Department” means the department of commerce.

(14) “Direct supervision” means to assume the responsibility of an activity of others and its results by providing oversight and guidance at the site where the activity is being conducted.

(15) “Dwelling contractor” means any person, firm or corporation engaged in the business of performing construction or erosion control work on a one- or 2- family dwelling.

Note: Pursuant to s. 101.654 (1) (b), Stats., “dwelling contractor” does not include an owner of a dwelling who resides or will reside in the dwelling.

(16) “Electrical construction” means the installation of electrical wiring. “Electrical construction” does not include the maintenance, repair or fabrication of electrical equipment or the installation of electrical wiring and equipment covered by ch. PSC 114.

(17) “Electrical wiring” means all equipment, wiring, material, fittings, devices, appliances, fixtures and apparatus used for the production, modification, regulation, control, distribution, utilization or safeguarding of electrical energy for mechanical, chemical, cosmetic, heating, lighting or similar purposes as covered by the scope of ch. Comm 16.

(18) “Fireworks” has the meaning specified under s. 167.10 (1), Stats.

Note: Under s. 167.10 (1), Stats., “fireworks” means anything manufactured, processed or packaged for exploding, emitting sparks or combustion which does not have another common use, but does not include any of the following:

- (a) Fuel or a lubricant.
- (b) A firearm cartridge or shotgun shell.
- (c) A flare used or possessed or sold for use as a signal in an emergency or in the operation of a railway, aircraft, watercraft or motor vehicle.
- (d) A match, cigarette lighter, stove, furnace, candle, lantern or space heater.
- (e) A cap containing not more than one-quarter grain of explosive mixture, if the cap is used or possessed or sold for use in a device which prevents direct bodily contact with a cap when it is in place for explosion.
- (f) A toy snake which contains no mercury.
- (g) A model rocket engine.
- (h) Tobacco and a tobacco product.
- (i) A sparkler on a wire or wood stick not exceeding 36 inches in length that is designed to produce audible or visible effects or to produce audible and visible effects.
- (j) A device designed to spray out paper confetti or streamers and which contains less than one-quarter grain of explosive mixture.
- (k) A fuseless device that is designed to produce audible or visible effects or audible and visible effects, and that contains less than one-quarter grain of explosive mixture.
- (L) A device that is designed primarily to burn pyrotechnic smoke-producing mixtures, at a controlled rate, and that produces audible or visible effects, or audible and visible effects.
- (m) A cylindrical fountain that consists of one or more tubes and that is classified by the federal department of transportation as a Division 1.4 explosive, as defined in 49 CFR 173.50.
- (n) A cone fountain that is classified by the federal department of transportation as a Division 1.4 explosive, as defined in 49 CFR 173.50.

(19) “Flammable liquid” means a liquid having a flash point below 100°F and having a vapor pressure not exceeding 40 psi absolute at 100°F.

(20) “General supervision” means to assume the responsibility of an activity of others and its results without being present at the site where the activity is being conducted.

(21) “HVAC” means heating, ventilating and air conditioning.

(22) “HVAC equipment” means materials, piping, fittings, devices, appliances, apparatus, controls and control wiring used as part of or in connection with permanent heating, ventilating or air conditioning installations in buildings. HVAC equipment includes furnaces, ventilation ductwork, baseboard heaters, bathroom fans and kitchen hoods. HVAC equipment does not include masonry fireplaces and chimneys, factory-built fireplaces and

venting systems, decorative gas fireplaces, water heaters and process heating equipment.

(23) “Incompetence” means conduct which evidences a lack of competence or ability to discharge the duty required to protect the health, safety and welfare of the public, lack of knowledge of the fundamental principles of a particular trade or practice, or an inability to apply those principles, or failure to maintain competency in the current practices and methods applicable to the activity and the state statutes and rules governing the activity.

(24) “Journeyman automatic fire sprinkler fitter” has the meaning specified under s. 145.01 (6), Stats.

Note: Under s. 145.01 (6), Stats., “journeyman automatic fire sprinkler fitter” means any person other than an automatic fire sprinkler contractor who is engaged in the practical installation of automatic fire sprinkler systems.

(25) “Journeyman plumber” has the meaning specified under s. 145.01 (7), Stats.

Note: Under s. 145.01 (7), Stats., “journeyman plumber” means any person other than a master plumber, who is engaged in the practical installation of plumbing.

(26) “Journeyman plumber-restricted” means a person licensed under s. 145.14, Stats.

Note: See appendix for further explanatory material.

(27) “Listed device” has the meaning specified under s. 167.10 (1) (e), (f) and (i) to (n); Stats.

Note: See the note after the definition of “fireworks”, sub. (18), for the statutory language of s. 167.10 (1) (e), (f) and (i) to (n).

(28) “Master plumber” has the meaning specified under s. 145.01 (8), Stats.

Note: Under s. 145.01 (8), Stats., “master plumber” means any person skilled in the planning, superintending and the practical installation of plumbing and familiar with the laws, rules and regulations governing the same.

(29) “Master plumber-restricted” means a person licensed under s. 145.14, Stats.

Note: See appendix for further explanatory material.

(30) “Misconduct” means an act performed by an individual relating to the responsibilities or duties for which the individual has been licensed, registered or certified that jeopardizes the interests of the public, including violation of federal or state laws, local ordinances or administrative rules; preparation of deficient or falsified reports; failure to submit information or reports required by law or contract when requested by the municipality or the department; conduct which evidences a lack of trustworthiness; misrepresentation of qualifications such as education, experience or certification; illegal entry of premises; misuse of funds; or misrepresentation of authority.

(30m) “Multipurpose piping system” means a type of water distribution system conveying potable water to plumbing fixtures and appliances and automatic fire sprinklers with the intention of serving both domestic water needs and fire protection needs within a one- or 2-family dwelling or manufactured dwelling.

(31) “Municipality” means a city, village, town or county.

(32) “Negligence” means the failure to exercise the degree of care and judgment to protect public health and safety normally expected of an individual performing activities within the scope of a license, certification or registration category.

(32m) “PECFA” means petroleum environmental cleanup fund act.

(33) “Pipelayer” has the meaning specified under s. 145.01 (9), Stats.

Note: Under s. 145.01 (9), Stats., “pipelayer” means a person registered under s. 145.07 (11).

(34) “Plumbing” has the meaning specified under s. 145.01 (10), Stats.

Note: Under s. 145.01 (10), Stats., “plumbing” means and includes:

(a) All piping, fixtures, appliances, equipment, devices and appurtenances in connection with the water supply, water distribution and drainage systems, including hot water storage tanks, water softeners and water heaters connected with such water and drainage systems and also includes the installation thereof.

(b) The construction, connection or installation of any drain or waste piping system from the outside or proposed outside foundation walls of any building to the mains or other sewage system terminal within bounds of, or beneath an area subject to easement for highway purposes, including private sewage systems, and the alteration of any such systems, drains or waste piping.

(c) The water service piping from the outside or proposed outside foundation walls of any building to the main or other water utility service terminal within bounds of, or beneath an area subject to easement for highway purposes and its connections.

(d) The water pressure system other than municipal systems as provided in ch. 281.

(e) A plumbing and drainage system so designed and vent piping so installed as to keep the air within the system in free circulation and movement; to prevent with a margin of safety unequal air pressures of such force as might blow, siphon or affect trap seals, or retard the discharge from plumbing fixtures, or permit sewer air to escape into the building; to prohibit cross-connection, contamination or pollution of the potable water supply and distribution systems; and to provide an adequate supply of water to properly serve, cleanse and operate all fixtures, equipment, appurtenances and appliances served by the plumbing system.

(35) "Plumbing appliance" means any one of a class of plumbing devices which is intended to perform a special function. The operation or control of the appliance may be dependent upon one or more energized components, such as motors, controls, heating elements, or pressure or temperature sensing elements. The devices may be manually adjusted or controlled by the user or operator, or may operate automatically through one or more of the following actions: a time cycle, a temperature range, a pressure range, a measured volume or weight.

(36) "Plumbing apprentice" has the meaning specified under s. 145.01 (11), Stats.

Note: Under s. 145.01 (11), Stats., "plumbing apprentice" means any person other than a journeyman or master plumber who is engaged in learning and assisting in the installation of plumbing and drainage.

(37) "Place of employment" has the meaning specified under s. 101.01 (11), Stats.

Note: Under s. 101.01 (11), Stats., "place of employment" includes every place, whether indoors or out or underground and the premises appurtenant thereto where either temporarily or permanently any industry, trade or business is carried on, or where any process or operation, directly or indirectly related to any industry, trade or business, is carried on, and where any person is, directly or indirectly, employed by another for direct or indirect gain or profit, but does not include any place where persons are employed in private domestic service which does not involve the use of mechanical power or in farming. "Farming" includes those activities specified in s. 102.04 (3), and also includes the transportation of farm products, supplies or equipment directly to the farm by the operator of said farm or employees for use thereon, if such activities are directly or indirectly for the purpose of producing commodities for market, or as an accessory to such production. When used with relation to building codes, "place of employment" does not include an adult family home, as defined in s. 50.01 (1), or, except for the purposes of s. 101.11, a previously constructed building used as a community-based residential facility, as defined in s. 50.01 (1g), which serves 20 or fewer unrelated residents.

(38) "POWTS" means private onsite wastewater treatment system and has the meaning specified under s. 145.01 (12), Stats., for "private sewage system".

Note: Under s. 145.01 (12), Stats., "private sewage system" means a sewage treatment and disposal system serving a single structure with a septic tank and soil absorption field located on the same parcel as the structure. This term also means an alternative sewage system approved by the department including a substitute for the septic tank or soil absorption field, a holding tank, a system serving more than one structure or a system located on a different parcel than the structure. A private sewage system may be owned by the property owner or by a special purpose district.

(39) "Private interceptor main sewer" has the meaning specified under s. Comm 81.01 (193).

Note: Under s. Comm 81.01 (193) "private interceptor main sewer" means a privately owned sewer serving 2 or more buildings and not directly controlled by a public authority.

(40) "Private water main" has the meaning specified under s. Comm 81.01 (195).

Note: Under s. Comm 81.01 (195) "private water main" means a privately owned water main serving 2 or more buildings and not directly controlled by a public authority.

(41) "Process piping" means that piping which is separated from a water supply system or drain system by the appropriate methods or means specified under ch. Comm 82 and is part of a system used exclusively for refining, manufacturing, industrial or shipping purposes of every character and description.

(42) "Public building" has the meaning specified under s. 101.01 (12), Stats.

Note: Under s. 101.01 (12), Stats., "public building" means any structure, including exterior parts of such building, such as a porch, exterior platform or steps providing means of ingress or egress, used in whole or in part as a place of resort, assembly, lodging, trade, traffic, occupancy, or use by the public or by 3 or more tenants. When used in relation to building codes, "public building" does not include a previously constructed building used as a community-based residential facility as defined in s. 50.01 (1g) which serves 20 or fewer unrelated residents or an adult family home, as defined in s. 50.01 (1).

(43) "Refrigeration equipment" has the meaning specified under s. 101.177 (1) (c), Stats.

Note: Under s. 101.177 (1) (c), Stats., "refrigeration equipment" means mechanical vapor compression refrigeration equipment except for a mobile air conditioner, as defined in s. 100.45 (1) (b), Stats., or trailer refrigeration equipment, as defined in s. 100.45 (1) (e), Stats.

(44) "Registered learner" has the meaning specified under s. 145.01 (13), Stats.

Note: Under s. 145.01 (13), Stats., "registered learner" means a person, other than a restricted plumber licensee, who is learning a limited type of plumbing and is engaged in assisting a restricted plumber licensee.

(45) "Rental unit" has the meaning specified under s. 101.122 (1) (e), Stats.

Note: Under s. 101.122 (1) (e), Stats., "rental unit" means any rented dwelling units. "Rental unit" does not include:

1. Any building containing up to 4 dwelling units, one of which is owner-occupied.
2. Any building constructed after December 1, 1978, which contains up to 2 dwelling units and which is less than 10 years old.
3. Any building constructed after April 15, 1976, which contains more than 2 dwelling units and which is less than 10 years old.
4. Any dwelling unit not rented at any time from November 1 to March 31.

(46) "Restricted plumber licensee" has the meaning specified under s. 145.01 (14), Stats.

Note: Under s. 145.01 (14), Stats., "restricted plumber licensee" means any person licensed as a master plumber (restricted) or a journeyman plumber (restricted) under s. 145.14.

(47) "Sanitary building sewer" has the meaning specified under s. Comm 81.01 (45).

Note: Under s. Comm 81.01 (45) "sanitary building sewer" means a building sewer which conveys wastewater consisting in part of domestic wastewater.

(48) "Storm building sewer" has the meaning specified under s. Comm 81.01 (46).

Note: Under s. Comm 81.01 (46) "storm building sewer" means a building sewer which conveys storm water wastes or clear water wastes, or both.

(48m) "UDC" means chs. Comm 20 to 25, the Wisconsin uniform dwelling code.

(49) "Utility contractor" has the meaning specified under s. 145.01 (15), Stats.

Note: Under s. 145.01 (15), Stats., "utility contractor" means a person licensed under s. 145.07 (10).

(50) "Water service" has the meaning specified under s. Comm 81.01 (282).

Note: Under s. Comm 81.01 (282) "water service" means that portion of a water supply system from the water main or private water supply to the building control valve.

(51) "Water supply system" has the meaning specified under s. Comm 81.01 (284).

Note: Under s. Comm 81.01 (284) "water supply system" means the piping of a private water main, water service and water distribution system, fixture supply connectors, fittings, valves, and appurtenances through which water is conveyed to points of usage such as plumbing fixtures, plumbing appliances, water using equipment or other piping systems to be served.

(52) "Year" means 12 consecutive months.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; corrections made under s. 13.93 (2m) (b), 6. and 7., Stats., Register, October, 1996, No. 490; cr. (1m), (32m) am. (7), (15), (16), (33), (36), (37) and (42), r. (11); Register, March, 1998, No. 507, eff. 4-1-98; r. (12), cr. (30m), am. (32), Register, April, 2000, No. 532, eff. 5-1-00; CR 00-159; cr. (48m), Register September 2001 No. 549 eff. 10-1-01.

Subchapter I — General Requirements

Comm 5.01 Application. (1) Application for a license, certification or registration or a license, certification or registration examination covered under this chapter shall be submitted on a form prescribed by the department.

Note: Applications for licenses, certifications or registrations covered under this chapter are available from the Division of Safety and Buildings, P.O. Box 7082, Madison, Wisconsin 53707-7082, telephone 608/261-8500.

(2) An application for a license, certification or registration which either requires or recognizes the attendance at or completion of educational courses as a qualification for the license, certification or registration shall be accompanied by such evidence, including but not limited to transcripts, that verifies fulfillment of the prerequisite.

(3) Pursuant to s. 101.02 (20) (b) and (21) (b), Stats., the department may not issue or renew any license, certification or

registration under this chapter unless the applicant for the license, certification or registration includes his or her social security number, or in the case of a license, certification or registration for a business, the applicant includes the federal employer identification number. The department shall consider the failure by the applicant to provide a social security number or a federal employer identification number as an incomplete application and shall not process the application further until the appropriate number is provided.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1) and (2), cr. (3), Register, April, 2000, No. 532, eff. 5-1-00.

Comm 5.02 Fees. (1) (a) Fees required for the various licenses, certifications or registrations and their processing under this chapter shall be determined in accordance with Table 5.02, except as provided in par. (b) and ss. Comm 5.61 (6) (b), 5.62 (7) (b), 5.63 (6) (b), 5.66 (6) (b) and 5.67 (6) (b).

(b) 1. Pursuant to s. 145.05, Stats., a person who holds a master plumber license, master plumber-restricted license, journeyman plumber license or journeyman plumber-restricted license and who is employed by a city of the first, second or third class as a plumbing inspector is not required to submit a license fee in order to renew his or her license.

2. A person who applies to renew his or her master plumber license, master plumber-restricted license, journeyman plumber license or journeyman plumber-restricted license without the license fee as permitted under subd. 1. shall provide evidence that he or she is a plumbing inspector for a first, second or third class city with the application for renewal.

Note: The exemption of not having to pay a license fee does not relieve an individual of fulfilling all other obligations or responsibilities to renew the license such as continuing education requirements.

(2) Fees required under this chapter for the various licenses, certifications or registrations or their processing examinations shall not be refundable.

(3) The department shall prorate a license, certification or registration fee on a monthly basis for the initial issuance of a license, certification or registration which is issued for less than the full license, certification or registration period.

(4) (a) The fee for a petition for variance submitted for a rule relative to this chapter shall be \$200.00, except as provided in par. (b).

(b) The fee for a petition for variance submitted and requested by the submitter to be reviewed on a priority basis shall be \$400.00.

(5) A fee of \$10.00 shall be charged to replace a lost or destroyed license, certification or registration.

Comm 5.03 Petitions for variance. An individual may submit a petition for variance to any rule in this chapter in accordance with ch. Comm 3.

Note: Many of the rules relating to credentials reflect specific statutory requirements; in such cases the department is not able to grant a petition for variance if it would supersede a statutory requirement.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96.

Comm 5.04 Processing times. (1) An application for a license, certification or registration covered under this chapter shall be granted or denied by the department within 21 calendar days after the department receives all of the application materials necessary to obtain the license, certification or registration.

Note: Pursuant to s. 227.116, Stats., the failure by the department to make a determination on an application results in the department having to prepare and file a report with the permit information center of the department. The failure by the department to make a determination on an application does not relieve a person from the obligation to comply with the requirements or qualifications of the license, certification or registration or to secure the license, certification or registration.

(2) (a) If the license, certification or registration application information is insufficient, the department shall request additional information within 21 calendar days of receipt of the application.

(b) If an applicant does not respond to a request by the department for additional information within 3 months after the date of

the request, the department shall make a determination on the application based upon the information on hand.

Comm 5.07 Renewal. (1) (a) Except under s. Comm 5.96, a notice of renewal shall be mailed by the department to a license, certification or registration holder at least 30 calendar days prior to the expiration of the license, certification or registration.

(b) Failure to receive a notice for renewal of a license, certification or registration shall not be considered as an excuse or good cause for failure to renew a license, certification or registration prior to the expiration of the license, certification or registration.

(2) (a) Except as provided in par. (b), upon receipt of the renewal application from the department, a person may apply to renew his or her license, certification or registration provided an application, a license, certification or registration fee and evidence of all renewal obligations, if any, are submitted to the department prior to the expiration date of the license, certification or registration.

Note: Qualification obligations for renewal are specified under the appropriate license, certification or registration category sections.

(b) 1. A person may apply to renew his or her license, certification or registration in accordance with par. (a) no later than one term after expiration of the license, certification or registration as specified in Table 5.06 in accordance with all of the following conditions:

a. An application fee as specified in s. Comm 5.02, Table 5.02 shall accompany the renewal application.

b. Any continuing education credit obtained after the time frame specified under s. Comm 5.08 (3) (a), but prior to the one-term deadline for renewal as specified in Table 5.06, that is needed to fulfill the renewal obligations shall be documented and filed with the department on a form prescribed by the department.

Note: The form to document late continuing education credit may be obtained from the Safety and Buildings Division, P.O. Box 7082, Madison, Wisconsin 53707-7082, telephone 608/261-8500.

2. The submission of a form under subd. 1. b. to the department shall include a \$25.00 processing fee.

(c) An individual who fails to renew his or her license, certification or registration no later than one term after the expiration date of the license, certification or registration as specified in Table 5.06 shall be required to comply with and complete the appropriate requirements for obtaining the license, certification or registration initially, including the passage of a license, certification or registration examination, if required, in order to obtain the license, certification or registration once again.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. Register, April, 2000, No. 532, eff. 5-1-00; am. (2), Register, May, 2001, No. 545, eff. 6-1-01.

Comm 5.08 Continuing education. (1) PROGRAM SPECIFICATIONS. (a) Only courses, programs and seminars approved in writing by the department shall be used for credit to fulfill continuing education requirements.

(b) 1. Requests for a course, program or seminar to be recognized for approval shall be submitted in writing to the department.

2. Requests for a course, program or seminar to be recognized for approval shall be received by the department at least 30 calendar days prior to the first day the course, program or seminar is to be conducted.

3. Requests for approval shall include sufficient information to determine if the course, program or seminar complies with this subsection.

4. The department shall review and make a determination on a request for approval within 21 calendar days of receipt of the request and information necessary to complete the review.

(c) 1. Thirty minutes of attendance in an approved course, program or seminar shall be deemed equal to 0.5 hours of acceptable continuing education.

2. Continuing education credit for attendance in approved continuing education courses, programs or seminars in other than 30 minute increments shall be rounded down to the next half hour.

(d) Courses, programs and seminars to be considered for approval towards continuing education credit shall relate to the skills and knowledge of one or more license, certification or registration categories.

(e) 1. The department may impose specific conditions in approving a course, program or seminar for continuing education credit, including limiting credit to specific license, certification or registration categories.

2. a. The approval of a course, program or seminar for continuing education credit shall expire 5 years after the date of approval.

b. Courses, programs or seminars for continuing education credit which were approved prior to November 1, 1996 shall expire 5 years from November 1, 1996.

3. The department may revoke the approval of a course, program or seminar for continuing education credit for any false statements, misrepresentation of facts or violation of the conditions on which the approval was based. The department may not revoke the approval of a course, program or seminar less than 30 calendar days prior to the course, program or seminar being held.

(f) 1. The individual or organization which had obtained the course, program or seminar approval shall maintain an attendance record of those individuals who have attended and completed the course, program or seminar.

2. The attendance record shall include all of the following:

a. The course name.

b. The course identification number assigned by the department.

c. The date or dates the course was held or completed.

d. The name of each attendee.

e. The name of each license, certification or registration held by the attendee for which the course applies.

f. The license, certification or registration number assigned by the department of each attendee.

3. A copy of the attendance record shall be forwarded by the person or organization which had obtained the course, program or seminar approval to the department within 14 calendar days after completion of the course or program.

(2) **EVIDENCE OF COMPLIANCE.** Each license, certification or registration holder shall retain evidence of compliance with continuing education requirements throughout the license, certification or registration period for which continuing education credit was required for renewal of the license, certification or registration.

(a) The department shall accept as evidence of compliance original or copies of documents, certified by the individual or organization providing the course, program or seminar, indicating attendance and completion of the continuing education credit.

(b) The department may require a license, certification or registration holder to submit evidence of compliance for the continuing education credit which was required to renew the license, certification or registration.

(3) **CONTINUING EDUCATIONAL CYCLE.** (a) Except as provided under s. Comm 5.07 (2) (b), for those license, certification or registration categories which require continuing educational credit for renewal, the license, certification or registration holder shall obtain the necessary amount of continuing educational credit at least 3 months prior to the expiration date of the license, certification or registration as specified in Table 5.06.

(b) Except as provided under s. Comm 5.07 (2) (b), the time period during which a license, certification or registration holder may obtain continuing education credit to fulfill the renewal obligations shall commence 3 months prior to the expiration date of the previous license, certification or registration term.

(c) The attendance of a continuing education course, program or seminar in order to fulfill late renewal obligations under s. Comm 5.07 (2) (b) may not be credited toward more than one renewal cycle for a specific license, certification or registration.

Note: The provisions under par. (c) do not limit an individual in attending or completing courses, programs or seminars multiple times on separate occasions for continuing education credit.

Comm 5.09 Examinations. (1) For those license, certification or registration categories which require examination, the department shall conduct at least 4 license, certification or registration examinations annually for each license, certification or registration category at times and locations specified by the department.

(2) An application and fee for a license, certification or registration that requires an examination shall be received by the department at least 30 calendar days prior to the day of the examination. The department may postpone the applicant's appearance to another examination date if any of the following occur:

(a) The applicant fails to have the application on file with the department within the required time.

(b) The application information or required qualifications are incomplete.

(c) The examination center is filled to capacity.

(3) Upon verification of the application and the required qualifications, the department shall notify an applicant in writing of the date, time and place of the examination.

(4) (a) An applicant for license, certification or registration examination shall provide a photo identification or other appropriate evidence to gain admittance to an examination.

(b) An applicant shall bring to a license, certification or registration examination all necessary materials as specified by the department.

(c) 1. Except as provided in subd. 2., an applicant who fails to appear at a scheduled license, certification or registration examination without giving notice to the department at least 24 hours before the examination shall be considered to have failed the examination and shall be required to submit a re-examination application and examination fee.

2. The department may waive the 24-hour notification requirement of subd. 1. due to inclement weather, if the applicant notifies the department the day of the examination.

(5) The examination for a license, certification or registration shall be based on a job analysis of the knowledge, skills and abilities associated with the license, certification or registration. The examination shall include all of the following subject matter:

(a) Regulations and standards governing the work or activities required or permitted under the license, certification or registration.

(b) Theories, principles, and practices associated with the activities required or permitted under the license, certification or registration.

(6) (a) A grade of 70% or greater in each part of a license, certification or registration examination shall be considered a passing grade.

(b) 1. Except as provided in subd. 2., an applicant failing a part of a multi-part license, certification or registration examination shall be required to retake only those parts failed.

2. An applicant who does not pass all required parts of a multi-part license, certification or registration examination within one year after the date of the initial examination shall apply, retake and pass all parts of the license, certification or registration examination.

(7) (a) The department shall inform an applicant of the results of an examination in writing within 21 calendar days from the examination date.

(b) Upon notification of failing a license, certification or registration examination, an applicant may request another examination in accordance with s. Comm 5.01.

(c) 1. An applicant who has successfully passed a license, certification or registration examination may submit an application and the license, certification or registration fee as specified under s. Comm 5.02, Table 5.02 for the appropriate license, certification or registration within 3 months after the date the department had mailed the results of the examination.

2. Failure to apply for a license, certification or registration in accordance with subd. 1., shall necessitate the applicant to apply, retake and pass another license, certification or registration examination in order to obtain the license, certification or registration.

(8) (a) An applicant may request and make an appointment with the department to review his or her examination.

(b) An applicant who has failed his or her examination may not review the examination less than 7 calendar days before the applicant is scheduled to retake the examination.

(c) The department shall retain license, certification or registration examinations at least 2 months after the date of the examination.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1), (2) (intro.), (4) (a), (b), (c) 1., (5), (6), (7) (b), (c) and (8) (c), Register, April, 2000, No. 532, eff. 5-1-00.

Comm 5.10 Denial, suspension and revocation.

(1) Except as provided in sub. (2) pertaining to licenses or registrations for master plumbers, journeyman plumbers, cross connection control testers and utility contractors, the department may deny, suspend or revoke a license, certification or registration under this chapter in accordance with this subsection.

(a) *Reasons.* The department may deny, suspend or revoke a license, certification or registration under this chapter if the department determines that an applicant or holder of the license, certification or registration is responsible for any of the following:

1. Fails to meet the qualifications for the license, certification or registration.

2. Has obtained the license, certification or registration through fraud or deceit.

3. Has demonstrated negligence or incompetence in fulfilling the responsibilities or obligations of the license, certification or registration.

4. Has a conflict of interest in fulfilling the responsibilities or obligations under the license, certification or registration.

5. Has demonstrated misconduct in fulfilling the responsibilities or obligations under the license, certification or registration.

6. Has been arrested or convicted for a crime substantially related to the license, certification or registration.

7. Has a physical or mental impairment which prevents the applicant or holder from fulfilling the responsibilities or obligations under the license, certification or registration.

8. Has violated state, federal or local laws or regulations relating to the conduct of the activities under the license, certification or registration.

9. Has been certified by the department of revenue under s. 73.0301, Stats., to be liable for taxes.

10. Has been delinquent in making court-ordered payments relating to the support of a child or former spouse pursuant to s. 101.02 (21) (a), (c) and (d), Stats.

11. Has failed to comply with a subpoena or warrant issued by the department of workforce development or a county child support agency relating to paternity or child support proceedings pursuant to s. 101.02 (21) (a), (c) and (d), Stats.

(b) *Notice of denial, suspension or revocation.* Except as provided under s. 101.654 (4), Stats., relative to a dwelling contractor

financial responsibility certification, and par. (c), a notice of denial, suspension or revocation shall be sent to the applicant or the license, certification or registration holder. The notice shall include all of the following:

1. The basis for the denial, suspension or revocation, including the facts relied on by the department to make its decision and a citation of applicable statutes and administrative rules establishing the legal basis for the decision; and

2. A statement that the applicant or the license, certification or registration holder may file a request for an administrative hearing.

Note: See the appendix under A5.31 for a reprint of s. 101.654 (4), Stats.

(c) *Summary suspension.* Under s. 227.51 (3), Stats., the department may summarily suspend any license, certification or registration if the department finds that immediate action is necessary for public health, safety or welfare. The summary suspension of a license, certification or registration shall remain in effect until after a final decision is issued following a hearing.

(d) *Hearing.* 1. The request for an administrative hearing shall be received by the office of legal counsel of the department no later than 30 days following the date of mailing of the notice under par. (b), otherwise, the request for hearing shall be denied by the department.

Note: Requests for an administrative hearing may be mailed to the Office of Legal Counsel, P.O. Box 7970, Madison, WI 53707-7970, or faxed to (608) 266-3447. Facsimile requests received after 4:30 p.m. are considered filed on the next business day.

2. Hearings shall comply with the provisions of ch. 227, Stats.

(e) *Surrender of license, certification or registration.* A person whose license, certification or registration has been suspended or revoked shall surrender the license, certification or registration to the department upon request.

(f) *Reinstatement.* 1. Suspension. a. A person whose license, certification or registration has been suspended may apply to have the license, certification or registration reissued only after the time set for suspension by the department or hearing examiner has passed and by complying with the conditions set forth in the suspension order.

b. The request to the department to have a suspended license, certification or registration reissued shall be made in writing.

c. The department may require a person whose license, certification or registration has been suspended to apply for the license, certification or registration by complying with all of the requirements for a new applicant, including paying the application fees and successfully passing an examination.

d. The department may impose conditions on the reissued license, certification or registration to assure compliance with this chapter.

2. Revocation. A person whose license, certification or registration has been revoked may not apply to ever receive such a license, certification or registration.

(2) Pursuant to s. 145.10, Stats., the department may suspend or revoke the license or registration of any master plumber, journeyman plumber, master plumber-restricted, journeyman plumber-restricted, utility contractor, or cross connection control tester in accordance with this subsection.

(a) *General.* The department may suspend or revoke a license or registration for any of the following reasons:

1. The practice of fraud or deceit in obtaining a license or registration.

2. Negligence, incompetence or misconduct in the practice or work allowed by the license or registration.

3. Failure to correct an installation for which the license or registration holder is responsible within the time prescribed by the department.

Note: Section 145.10 (1) (b), Stats., indicates that the correction of an installation must take place within 30 days following notification by the department of a violation.

4. Falsified information on an inspection form under s. 145.245 (3), Stats.

(b) *Investigations.* The department may conduct an investigation of any alleged violations of this chapter or chs. Comm 82 and 83. If it is determined that no further action is warranted, the department shall notify the persons affected. If the department determines that there is probable cause, it shall order a hearing and notify the persons affected.

(c) *Summary suspension.* Under s. 227.51 (3), Stats., the department may summarily suspend any license or registration if the department finds that immediate action is necessary for public health, safety or welfare. The summary suspension of a license or registration shall remain in effect until after a final decision is issued following a hearing.

(d) *Hearings.* The hearing for the suspension or revocation of a license or registration shall be conducted as a contested case hearing in accordance with ch. 227, Stats., and s. 145.10, Stats.

(e) *Findings.* The department may make findings and enter its order on the basis of the facts revealed by its investigation. Any findings as a result of petition or hearing shall be in writing and shall be binding unless appealed to the secretary.

1. Suspension. The period for suspension shall be determined by the hearing examiner or the department. The period for suspension may not exceed one year. A person whose license or registration has been suspended may apply to have the license or registration reinstated by filing a new application and payment of the appropriate fee specified in s. Comm 5.02.

2. Revocation. The period for revocation shall be determined by the hearing examiner or the department. The period for revocation shall not exceed one year. A person whose license or registration has been revoked shall be eligible for the license or registration only after the time set for revocation by department order has passed. A person whose license or registration has been revoked may apply to have the license or registration reinstated only after submitting a completed application for license or registration examination, if required, payment of the examination fee, passing of the examination and payment of the license or registration fee specified in s. Comm 5.02.

Subchapter III — Dwellings, Structures and Sites

Comm 5.30 Boiler repairers. (1) GENERAL.

A person may repair a boiler or pressure vessel provided either the person holds a registration issued by the department as a registered boiler repairer or works under the general supervision of another person who is a registered boiler repairer.

Note: Section Comm 41.61 requires the repair or alteration to a boiler or pressure vessel to be performed by an organization which holds an "R" certificate of authorization from the national board of boiler and pressure vessel inspectors, or a registration as a boiler repairer from the department, if the registration was issued prior to March 1, 2000.

(2) APPLICATION FOR REGISTRATION. A person applying for a boiler repairer registration shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) A registration fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR REGISTRATION. The person applying for a boiler repairer registration shall:

(a) Be the owner of the business, a partner in the contracting business applying on behalf of a partnership, or the chairman of the board or chief executive officer applying on behalf of the corporation; and

(b) Possess a quality control manual and program which has been approved by the department and includes welding procedures in accordance with ASME code section IX as adopted by reference in ch. Comm 41.

(4) RENEWAL. (a) After March 1, 2000, a person may renew his or her registration as a boiler repairer one time only.

(b) The boiler repairer registration shall be renewed in accordance with s. Comm 5.07.

(c) 1. All boiler repair authorizations issued by the department prior to November 1, 1996 shall expire one year from November 1, 1996.

2. Failure to renew a boiler repair authorization that was issued prior to November 1, 1996 shall be considered as a surrender of the authorization to repair boilers or pressure vessels.

(d) The renewal of a boiler repairer registration shall be contingent upon the applicant successfully completing a department audit of the quality control manual and program required under sub. (3) (b).

(2) **APPLICATION FOR REGISTRATION.** A person applying for a welder registration shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) A registration fee in accordance with s. Comm 5.02, Table 5.02.

(3) **QUALIFICATIONS FOR REGISTRATION.** (a) The person applying for a welder registration shall have taken and passed not more than one year before the date the application is received by the department one or more welding tests in accordance with the following standards as adopted by reference in chs. Comm 50 to 64:

1. American Welding Society standard D 1.1, section 5, part C.

2. American Welding Society standard D 1.1, section 5, part E.

3. American Welding Society standard D 1.1, section 5, part D.

4. American Welding Society standard D 1.3, section 6.

(b) The test under par. (a) shall have been conducted by a person who is a certified weld test conductor in accordance with s. Comm 5.35 or is under the general supervision of a certified weld test conductor.

(4) **RESPONSIBILITIES.** A person who does structural welding as a registered welder shall:

(a) Perform only those structural welding procedures for which the person has qualified by test within the last 3 years;

(b) Carry proof as to which welding procedures the person has qualified by test; and

(c) Present upon request to the department or its representative proof of the qualified welding procedures.

(5) **RENEWAL.** (a) A person may renew his or her registration as a welder.

(b) A welder registration shall be renewed in accordance with s. Comm 5.07.

(c) The renewal of a welder registration shall be contingent upon the welder having taken and passed not more than one year

before the date of the renewal application a welding test in accordance with sub. (3).

(d) A welder certification issued by the department prior to November 1, 1996 may be renewed as a registration in accordance with this subsection.

Comm 5.35 Weld test conductors. (1) GENERAL. No person may conduct welding tests for the purpose of qualifying structural welders under s. Comm 5.34 unless the person holds a certification issued by the department as a certified weld test conductor—physical or a certified weld test conductor—radiographic.

(2) APPLICATION FOR EXAMINATION. A person applying to take a weld test conductor—physical or weld test conductor—radiographic certification examination shall submit all of the following:

- (a) An application in accordance with s. Comm 5.01.
- (b) An examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. (a) The person seeking to obtain a weld test conductor—physical or weld test conductor—radiographic certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. Upon notification of the successful passage of the examination for weld test conductor certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RESPONSIBILITIES. A person who conducts welding tests for qualifying structural welders under s. Comm 5.34 as a certified weld test conductor—physical or weld test conductor—radiographic shall:

(a) Ensure that the welding tests, the testing facilities and testing equipment conform with the following appropriate standard or standards as adopted by reference in chs. Comm 50 to 64:

1. American Welding Society D 1.1, section 5, part C.
2. American Welding Society D 1.1, section 5, part E.
3. American Welding Society D 1.1, section 5, part D.
4. American Welding Society D 1.3, section 6.

(b) Provide to each structural welder who passes a qualifying welding test, documentation in a format specified by the department, indicating the welding procedures for which qualified; and

(c) 1. Maintain a record of those individuals who passed a structural welding qualifying test including the procedures for which qualified for at least 4 years after the date of the test; and

2. Present upon request to the department or its representative the records under subd. 1.

(6) RENEWAL. (a) A person may renew his or her certification as a weld test conductor—physical or weld test conductor—radiographic.

(b) A weld test conductor—physical or weld test conductor—radiographic certification shall be renewed in accordance with s. Comm 5.07.

(c) 1. All weld test conductor certifications or licenses issued by the department prior to November 1, 1996 shall expire one year from November 1, 1996.

2. Failure to renew a weld test conductor certification or license that was issued prior to November 1, 1996 shall be considered as a surrender of the certification or license to conduct or supervise qualifying structural welding tests.

Comm 5.61 Commercial building inspectors.

(1) GENERAL. A person who holds a certification issued by the department as a certified commercial building inspector may conduct inspections of public buildings and places of employment for the purpose of administering and enforcing ch. Comm 50 to 64, 66, 69 or 70.

Note: Section Comm 66.23 requires that inspections of multi–family dwellings for the purpose of administering and enforcing ch. Comm 66 be conducted by certified inspectors.

Note: Pursuant to s. 101.14 (2), Stats., deputies of the department may perform fire prevention inspections of public buildings and places of employment without holding the certification as a certified commercial building inspector.

(2) APPLICATION FOR EXAMINATION. A person applying to take a commercial building inspector certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. A person seeking to obtain a commercial building inspector certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) **APPLICATION FOR CERTIFICATION.** Upon notification of the successful passage of the examination for a commercial building inspector certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) **RESPONSIBILITIES.** A person who inspects public buildings and places of employment as a certified commercial building inspector shall:

(a) Maintain a record of the inspections made including the dates and the findings of the inspections;

(b) Provide a copy of the inspection report to the owner of the property or his or her agent; and

(c) Make available to the department upon request his or her inspection records.

(6) **RENEWAL.** (a) 1. A person may renew his or her certification as a commercial building inspector.

2. A commercial building inspector certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a certification as a certified commercial building inspector shall be contingent upon the commercial building inspector obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified commercial building inspector may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

Comm 5.62 Commercial electrical inspectors.

(1) **GENERAL.** Pursuant to s. 101.88 (2), Stats., no person may conduct the inspection of electrical installations in public buildings and places of employment for the purpose of administering and enforcing ch. Comm 16 unless the person holds a certification issued by the department as a certified commercial electrical inspector.

Note: Those persons who hold a valid certification as a certified restricted commercial electrical inspector will be issued a certification as a certified commercial electrical inspector upon application for renewal.

(2) **APPLICATION FOR EXAMINATION.** A person applying to take a commercial electrical inspector certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) **QUALIFICATIONS FOR EXAMINATION.** A person applying to take a commercial electrical inspector certification examination shall have:

(a) 1. At least 1,000 hours per year for at least 6 years of experience in electrical work, except as provided in subd. 2.

2. Relative to the experience required under subd. 1., each full-time semester spent in a school of electrical engineering or other accredited college, university, technical or vocational school in an electrical-related program shall be considered equivalent to 500 hours of experience, with no more than 3,000 hours and 3 years of experience through education being credited toward the required experience;

(b) At least 1,000 hours per year for at least 3 years of experience in electrical work and has a degree in electrical engineering from an accredited college or university; or

(c) At least 1,000 hours per year for at least 3 years of experience in electrical work and holds a registration or certification

under ch. 443, Stats., as a registered professional engineer, a registered architect or a certified designer of electrical systems.

(4) **EXAMINATION.** Except as provided in sub. (5) (b), a person seeking to obtain a commercial electrical inspector certification shall take and pass an examination in accordance with s. Comm 5.09.

(5) **APPLICATION FOR CERTIFICATION.** (a) Upon notification of the successful passage of the examination for a commercial electrical inspector certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(b) A person may apply for a certification as a certified commercial electrical inspector by submitting:

1. An application, an application fee and the certification fee in accordance with ss. Comm 5.01 and 5.02; and

2. Evidence that the person holds a certification as a master electrician issued under s. Comm 5.42.

(6) **RESPONSIBILITIES.** A person who inspects electrical construction work as a certified commercial electrical inspector shall:

(a) Maintain a record of the inspections made including the dates and the findings of the inspections;

(b) Provide a copy of the inspection report to the property owner or his or her agent; and

(c) Make available to the department upon request his or her inspection records.

(7) **RENEWAL.** (a) 1. A person may renew his or her certification as a commercial electrical inspector.

2. A commercial electrical inspector certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a certification as a commercial electrical inspector shall be contingent upon the commercial electrical inspector obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified commercial electrical inspector may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

3. Certified UDC–HVAC inspector may inspect one– and 2–family dwellings for the purpose of administering and enforcing ch. Comm 23.

4. Certified UDC–plumbing inspector may inspect one– and 2–family dwellings for the purpose of administering and enforcing chs. Comm 25, 82 and 84.

5. Certified soil erosion inspector may inspect one– and 2–family dwellings for the purpose of administering and enforcing s. Comm 21.125.

(2) APPLICATION FOR EXAMINATION. A person applying to take a UDC–construction inspector certification examination, UDC–electrical inspector certification examination, UDC–HVAC inspector certification examination, or UDC–plumbing inspector certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. A person seeking to obtain a UDC–construction inspector certification, UDC–electrical inspector certification, UDC–HVAC inspector certification, or UDC–plumbing inspector certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. (a) Upon notification of the successful passage of the examination for a UDC–construction inspector certification, a UDC–electrical inspector certification, a UDC–HVAC inspector certification, or a UDC–plumbing inspector certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(b) A person applying for a certified soil erosion inspector certification shall:

1. Submit an application, an application fee and a certification fee in accordance with ss. Comm 5.01 and 5.02; and

2. Have completed an approved training course on soil erosion control standards.

(5) RESPONSIBILITIES. A person who inspects one– and 2–family dwellings as a certified UDC–construction inspector, certified UDC–electrical inspector, certified UDC–HVAC inspector, certified UDC–plumbing inspector, or certified soil erosion inspector shall:

(a) Maintain a record of the inspections made including the dates and the findings of the inspections;

(b) Provide a copy of the inspection report to the property owner or his or her agent, and

(c) Make available to the department upon request his or her inspection records.

(6) RENEWAL. (a) 1. A person may renew his or her certification as a UDC–construction inspector, UDC–electrical inspector, UDC–HVAC inspector, UDC–plumbing inspector or soil erosion inspector.

2. An inspector certification under this section shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a certification as a UDC–construction inspector, UDC–electrical inspector, UDC–HVAC inspector, or UDC–plumbing inspector shall be contingent upon the inspector obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified UDC–construction inspector, certified UDC–electrical inspector, certified UDC–HVAC inspector, or certified UDC–plumbing inspector may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for

waiver shall be considered individually on its merits by the department.

Subchapter IX — Plumbing

Comm 5.90 Plumbing. (1) (a) Except as provided under s. 145.06 (4), Stats., and pursuant to s. 145.06, Stats., no person may install plumbing unless the person holds a license or registration issued by the department as a licensed master plumber, licensed master plumber-restricted, licensed journeyman plumber, licensed journeyman plumber-restricted, registered plumbing apprentice, registered plumbing learner-restricted, registered utility contractor or registered pipelayer.

(b) 1. Pursuant to s. 145.14, Stats., the plumbing activities that may be undertaken by a person who holds a license or registration as a licensed master plumber-restricted service, licensed journeyman plumber-restricted service or a registered plumbing learner-restricted service shall be limited to the installation or modification of all of the following:

- a. Privately owned wastewater treatment systems and components under ch. Comm 83.
- b. Building sewers and private interceptor main sewers under ch. Comm 82.
- c. Water services and private water mains under ch. Comm 82.

2. a. The plumbing activities that may be undertaken by a person who holds a license as a licensed master plumber-restricted service type 2 or licensed journeyman plumber-restricted service type 2 shall be limited to the installation or modification of underground drain and vent piping and plumbing delineated under subd. 1.

b. The plumbing activities that may be undertaken by a person who holds a license as a licensed master plumber-restricted service type 3 or licensed journeyman plumber-restricted service type 3 shall be limited to the modification of existing water distribution systems and plumbing delineated under subd. 1.

c. The plumbing activities that may be undertaken by a person who holds a license as a licensed master plumber-restricted service type 4 or licensed journeyman plumber-restricted service type 4 shall be limited to the installation or modification of drain and vent piping to existing drain stacks and vent stacks for the conversion from a private sewage system to municipal sewers and plumbing delineated under subd. 1.

Note: Prior to November 1, 1996, plumber-restricted service licenses were referred to as plumber-restricted-sewer licenses and those licenses formerly referred to as plumber-restricted sewer type 1 are now titled plumber-restricted service. Restricted service plumbing licenses types 2 to 4 are no longer available to new applicants. Individuals who currently hold these types of licenses are permitted to renew the licenses and continue to perform the activities under subd. 2. Individuals who hold a journeyman plumber-restricted service type 2 to 4 may seek to obtain the appropriate type of master plumber-restricted service license in accordance with s. Comm 5.92.

3. Pursuant to s. 145.14, Stats., the plumbing activities that may be undertaken by a person who holds a license or registration as a licensed master plumber-restricted appliance, licensed journeyman plumber-restricted appliance, or registered plumbing learner-restricted appliance shall be limited to the installation and modification of water heaters, water softeners, water treatment devices and other items in connection with an existing water sup-

ply system which do not require direct connection to the drain system.

4. The plumbing activities that may be undertaken by a person who holds a license or registration as a licensed utility contractor or registered pipelayer shall be limited to the installation or modification of water services, private water mains, sanitary building sewers, storm building sewers and private interceptor main sewers.

(2) Pursuant to s. 145.06 (3m), Stats., no person may perform the required testing of cross connection control devices unless the person holds a registration issued by the department as a cross-connection control tester.

(3) A business engaged in the installation of plumbing that utilizes plumbing learners shall maintain a ratio of at least one journeyman plumber or journeyman plumber-restricted for each plumbing learner. For this purpose, a master plumber or master plumber-restricted may act as a journeyman plumber or journeyman plumber-restricted, respectively.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1) and (2), Register, April, 2000, No. 532, eff. 5-1-00.

Comm 5.91 Master plumbers. (1) GENERAL. A person may obtain a license as a licensed master plumber by either:
