History: Cr. Register, May, 1999, No. 521, eff. 6–1–99; CR 02–105: r. Register October 2002 No. 562, eff. 11–1–02.

MPSW 8.02 Continuing education requirements for credential holders. (1) Unless granted a postponement or waiver under sub. (7), every social worker, advanced practice social worker, independent social worker, and clinical social worker shall complete at least 30 education hours in each 2–year credentialing period which begins on July 1 of each odd–numbered year as specified in s. 457.20 (2), Stats., and shall verify compliance as part of his or her application for credential renewal.

(a) The 30 continuing education hours shall be in courses and programs specified in this chapter.

(b) Of the 30 required hours, at least 4 hours shall be in the subject area of social work ethics and boundaries. The section may require that up to 2 continuing education hours in each 2–year credentialing period be acquired within other specified topic areas. Notice of any such requirement will be published in the regulatory digest that is mailed to all credential holders.

(c) In this chapter “continuing education hour” or “CEH” means a period of continuing education consisting of not less than 50 minutes.

(2) Continuing education hours shall apply only to the credentialing period in which the hours are acquired. A credential holder who applies for renewal after the renewal date specified in s. 457.20 (2), Stats., shall submit proof to the section that he or she has completed at least 30 continuing education hours during the 2 years immediately preceding the date of application for renewal and meet the requirements for late renewal specified in s. 440.08 (3), Stats. Continuing education hours submitted to satisfy this requirement for late renewal shall not be used to satisfy continuing education requirements for a subsequent renewal.

(3) Every credential holder shall retain original documents showing attendance at programs and completion of self–developed programs for at least 4 years from the time that credit is claimed for the continuing education program. At the request of the section, credential holders shall deliver their original documents to the section.

(4) Unless granted a postponement or waiver under sub. (7), a credential holder who fails to meet continuing education requirements by the renewal deadline shall cease and desist from using a social worker title protected under ch. 457, Stats., and if licensed as a clinical social worker, shall cease practice as a clinical social worker.

(5) During the time between initial certification or licensure and commencement of a full 2–year credentialing period, a new credential holder shall not be required to meet continuing education requirements for the first renewal of his or her credential, except that a person who was certified prior to November 1, 2002 and initially licensed on November 1, 2002 shall meet the continuing education requirement as if he or she had continued under the preceding certification.

(6) Applicants from other states applying under s. 457.15 (1), Stats., shall submit proof of completion of at least 30 continuing

education hours substantially meeting the requirements of this chapter within the 2–year credentialing period prior to application.

(7) A credential holder may apply to the section for a postponement or waiver of the requirements of this chapter on grounds of prolonged illness or disability, or on other grounds constituting extreme hardship. The section shall consider each application individually on its merits, and the section may grant a postponement, partial waiver or total waiver as deemed appropriate in the circumstances.

(8) The social worker section may grant an exemption from the requirements of this chapter to a credential holder who certifies to the section that he or she has permanently retired and no longer uses a social worker title protected under ch. 457, Stats. in any professional practice and, if licensed as a clinical social worker, no longer practices as a clinical social worker.

(9) A credential holder who has been granted an exemption from the requirements of this chapter based on retirement from the active practice of social work may not return to the active practice of social work without submitting evidence satisfactory to the section that the holder completed at least 30 continuing education hours during the 2 years immediately preceding the date of application to return to active practice and meets the requirements for late renewal specified in s. 440.08, Stats.
